Alain Prost Maurice Hamilton,2015-09-24 Four time Formula One Drivers Champion Alain Prost is one of the best racing drivers of all time Having discovered karting at the age of 14 during a family holiday Prost progressed through motorsport s junior ranks winning the French and European Formula Three championships before joining the McLaren Formula One team in 1980 at the age of 24 In his six seasons with McLaren Alain Prost won 30 races and three driving titles and in 1985 he became the first French World Champion In 1986 he became the first back to back champion since Jack Brabham 26 years earlier In 1987 his 28th Grand Prix victory beat Jackie Stewart s 14 year old record However in 1988 his brilliant new team mate Ayrton Senna won eight races and the driving title Thus began the sensational rivalry that conspired to push two of the sport s greatest drivers to unprecedented heights of success and controversy and the most bitter feud in Formula One history

Formula 1 Legends Pierre Menard,2004-10-18 Four World Championships 51 victories 33 pole positions plus 41 best laps documented during the races Alain Prost has become the best example for modern day racing excellence His methods of understanding the race and the track conditions made him legendary He was always very quick and capable of managing his career with dexterity placing himself in the best position to win World Championships This book is part of the Legends series a collection of the best and most popular drivers of the Formula One Championship Alain Prost: The Art of Speed Fabricio Sales Silva,2025-02-27 If I could share a single message with you it would be this no matter how many curves life throws your way there s always a way to adjust direction and find our own perfect course When I was a kid growing up in Saint Chamond I never imagined that one day I would be in Formula 1 driving the fastest cars in the world and competing against the best I was just a kid with a bike and that bike was my first lesson in balance determination and passion I believe that life like motorsport is a matter of strategy You don t win by running without thinking You win by understanding the right moment to accelerate the moment to brake and above all the moment to stand firm even when it seems that the curve is tighter than you can bear I always preferred to be called The Teacher because my success was never based solely on speed but on how I used my mind to see the big picture to anticipate the next step before it arrived Life is made of curves and straights of victories and defeats of ups and downs But at every turn there is an opportunity to adjust to surpass yourself and to get closer to what you want to achieve So adjust your steering wheel look ahead and accelerate The path is yours and the race is still ongoing **Senna Versus Prost** Malcolm Folley,2010 The definitive story of F1 s most famous and deadly rivalries In the late eighties and early nineties Formula One was at its most explosive with thrilling races charismatic drivers nail biting climaxes and the most deadly rivalry ever witnessed in sport Two of Formula One s most honoured champions and iconic figures drove together for McLaren for two seasons and their acrimonious and hostile relationship extended even after one of them had left the team ALAIN PROST France s only F1 world champion the intelligent smooth driver with the epithet Le Professeur AYRTON SENNA the mercurial kid from a privileged background in Sao Paolo who would become the most

intense and ruthless racing driver the world has ever seen It was a story that would have a tragic ending As the great rivals raced to victory their relationship deteriorated badly beginning with the breaking of a gentleman s agreement and public spats followed culminating in Prost accusing Senna of deliberately trying to ride him off the circuit and fearful that the Brazilian would get someone killed with his daring overtaking feats And the final sad act of this drama happened at the San Marino Grand prix at Imola in May 1994 when Senna was killed Featuring a rare interview with Prost and insight from Martin Brundle Damon Hill Sir Frank Williams Bernie Ecclestone Derek Warrick Johnny Herbert Gerhard Berger plus McLaren insiders and other F1 figures Malcolm Folley provides us with a breath taking account of one of the all time classic sporting rivalries

**Power and the Glory** David Sedgwick,2018-02-01 Set amid the glamour and bravado of 1980s Formula 1 The Power and the Glory tells the story of a rivalry unsurpassed in motor racing history By the mid 80s Alain Prost had firmly established himself as leader of the F1 pack Winning Grands Prix almost at will the French ace radiated invincibility But then came the emergence of Ayrton Senna sparking a decade long battle for supremacy out on the track Although chalk and cheese in terms of character and background the two men were driven by the same burning desire to become Formula 1 s heavyweight champion of the world its undisputed king Senna and Prost would both go on to win multiple world championships in what was a golden era for F1 racing Their Suzuka showdowns of 1988 90 attracted record worldwide audiences and popularised the sport as never before An intimate portrait of two unique competitors The Power and the Glory is a supercharged story of acrimony and sheer ambition
