

Alamo And The Texas War For Independence

Mary L. Scheer

Alamo And The Texas War For Independence:

Texas War of Independence Alan C. Huffines,2011-01-15 This volume examines the Texas War of Independence from its outbreak in 1835 to the Battle of the Alamo to winning independence at the Battle of San Jacinto in 1836 *The Alamo And The Texas War For Independence* Albert A. Nofi,2009-03-25 It was a small war probably no more than 2 500 men were ever engaged in a single action both sides taken together It was a short war too lasting only about seven months And it was fought in what was at the time one of the most obscure corners of the earth Yet the Texas War for Independence has become a heroic conflict of legendary proportions Very few balanced accounts of Texas s epic struggle for independence have been written Here historian Albert A Nofi provides a splendid chronicle of the events and personalities of the war He clearly explicates the battles of the Alamo and San Jacinto carefully exploring the legends that have grown around them and exposing the truth behind the myths The Alamo offers a strategic and tactical analysis of the war technical information about the weapons used by both sides strength and casualty data orders of battles information on the financing of Texas freedom portraits of both Texan and Mexican personalities and the story of a little known war at sea Also included are maps of military movements the most detailed tactical map of the Battle of San Jacinto available to date and a number of fascinating illustrations The Alamo is military history at its best a social political economic strategic and tactical examination of the Texas War for Independence one of the most dramatic episodes of America s colorful past The Texas Revolution and the U.S.-Mexican War Paul Calore,2014-04-04 This narrative history describes the events preceding and the prosecution of the Texas Revolution and the U S Mexican War It begins with the introduction of the empresario system in Mexico in 1823 a system of land distribution to American farmers and ranchers in an attempt to strengthen the postwar economy following Mexico s independence from Spain Once welcomed as fellow countrymen the new settlers homesteading on land destined to be called Texas were viewed as enemies when in 1835 they revolted against the government s harsh Centralist rulings Winning independence from Mexico and recognition from the United States as the independent Republic of Texas only intensified the Mexican refusal to accept their loss of Texas as legitimate The final straw for both sides came when Texas was granted U S statehood and 11 American soldiers were ambushed and murdered As a result Congress declared war on Mexico a bloody conflict that resulted in the U S gain of 525 000 square miles Alamo And The Texas War For Independence Albert A. Nofi,1992-05-21 One of the most balanced accounts of the fight available He carefully explores the many legends of the battles between the Texans and the Mexicans and exposes the truth behind the myths The Alamo offers a strategic and tactical analysis of the war as well as technical information Sidebars detail the weapons used by both sides strength and casualty data of the numerous battles orders of battle the financing of Texan freedom and a study of a little known war at sea

The Alamo and the Texas War of Independence: September 30, 1835 to April 21, 1836 Albert A. Nofi,1994

The Texas Revolution and Mexican-American War Charles River Editors,2025-05-04 When various revolutions mostly

forced the Europeans out of the continent Texas ceased to belong to Spain and France to become a part of the Mexican Empire later it was an independent country and currently one of the 50 states of the United States During a short period rebellious Texas again separated from the U S to join the Confederate States of America with other secessionist states Of course the most important war of all for Texas came in the early 19th century and the common story heard in America is about rebellion against intolerance oppression and Mexican cruelty The Battle of the Alamo in particular surrounded by legend and testimonies of heroism is a textbook example of the fight for freedom comparable to the Jewish defenders during the Roman siege at Masada The words martyrs and Mexican tyranny are almost always present in the recounts and Remember the Alamo is both a slogan of self glorification and martyrdom that remains one of the most famous phrases in America Naturally this typical account is portrayed through rose colored glasses As in every story everything depends on which side readers are positioned and whose histories they re reading The Texas Revolution certainly pursued freedom but not for the tired poor and huddled masses yearning to breathe free the homeless or the wretched refuse of alien shores it was rather the freedom to suck in land from a weak country and to preserve slavery in the cotton fields added to enthusiasm for cheap land and inexhaustible natural resources The policy of manifest destiny increased tensions with Mexico in the 1840s Mexico s northern half formed the western border of the territory bought in the Louisiana Purchase Naturally notions of the United States expanding to the Pacific Ocean alarmed Mexico which held what is today the west coast of the United States However Mexico first came to regard American expansion as a serious problem with the immigration of Americans into its northeastern territory These Americans declared independence from Mexico and created a nation in the Mexican province of Texas After winning independence in 1836 Texas became an independent republic Texas formally asked to be annexed by the United States in 1845 This annexation angered the Mexican government which still considered Texas to be part of its territory Mexico had previously warned that the annexation of Texas would cause Mexico to declare war on the United States When the annexation bill was passed by Congress it included an additional provocation to Mexico it claimed that the southern border of Texas was the Rio Grande The actual territory controlled by the Republic of Texas did not extend nearly to the Rio Grande and this border would represent a further loss of territory to the United States When a Mexican patrol attacked American cavalry in the disputed area north of the Rio Grande President Polk went to Congress for a declaration of war The declaration passed on May 13 1846 The war against Mexico was unpopular with the opposition Whig party especially in the North Opponents of the war denounced it as a war of aggression and denied that there had been a valid reason for war Small American military units were quickly able to occupy key points in California including San Francisco and Los Angeles Although California was sparsely populated some Mexican inhabitants formed an effective resistance which was eventually put down in 1847 by American reinforcements Subsequently a larger American army was sent to invade central Mexico and managed to capture the Mexican capital Mexico City on September 13 1847 Although a large Mexican

army was still fighting American forces in northeast Mexico and Texas news of the capital falling caused it to retreat to try to retake the capital After the defeat of the last Mexican army major hostilities ended

The Texas Revolution: Fighting for Independence Kelly Rodgers,2012-12-30 Discusses the rising tensions between American colonists in Mexican Texas and the Mexican president Santa Anna that led to the Texas Revolution which led to the creation of the independent Republic of Texas in 1836

Eavesdropping on Texas History Mary L. Scheer,2017-02-15 Most writers and readers of history have at one time or another wished that they could have been at some particular defining event in history Whether it was a moment of a great decision a major turning point that changed everything or simply an intriguing occurrence many scholars and others have on occasion wished that they could have been there Texas history provides infinite Lone Star episodes to consider rooted in the widespread assumption that Texas is a colorful unique and exceptional place with larger than life heroes and narratives Mary L Scheer has assembled fifteen contributors to explore special moments in Texas history The contributors assembled for this anthology represent many of the all stars among Texas historians two State Historians of Texas two past presidents of TSHA four current or past presidents of ETHA two past presidents of WTHA nine fellows of historical associations two Fulbright Scholars and seven award winning authors Each is an expert in his or her field and provided in some fashion an answer to the question At what moment in Texas history would you have liked to have been a fly on the wall and why The choice of an event and the answers were both personal and individual ranging from familiar topics to less well known subjects One wanted to be at the Alamo Another chose to explore when Sam Houston refused to take a loyalty oath to the Confederacy One chapter follows the first twenty four hours of Lyndon Baines Johnson s presidency after Kennedy s assassination Others write about the Dust Bowl coming to Texas or when Texas Southern University was created Their respective essays are not written as isolated occurrences or moments but as causal developments presented within the larger social and political context of the period

The Texas Revolution Gustavo Vazquez-Lozano,2025-05-04 What part of the United States has been under the rule of six different countries The answer given the title of this book is obvious and perhaps that s why few places in America have citizens with such an inflamed pride for their homeland As John Steinbeck famously wrote in *Travels with Charley In Search of America* Texas is a state of mind but I think it is more than that It is a mystique closely approximating a religion For all its enormous range of space climate and physical appearance and for all the internal squabbles contentions and strivings Texas has a tight cohesiveness perhaps stronger than any other section of America It s not uncommon for the average Texan to feel great pride for the mere fact of being a Texan and even if also a proud American he she can even play with the notion that the Lone Star State can and perhaps should be a big nation itself To say that something is The size of Texas expresses grandeur and impressiveness and its inhabitants have certainly displayed enough industriousness to make this part of North America one of the states that contribute most to the country s gross domestic product When various revolutions mostly forced the Europeans out of the continent Texas ceased to belong to

Spain and France to become a part of the Mexican Empire later it was an independent country and currently one of the 50 states of the United States During a short period rebellious Texas again separated from the U S to join the Confederate States of America with other secessionist states Of course the most important war of all for Texas came in the early 19th century and the common story heard in America is about rebellion against intolerance oppression and Mexican cruelty The Battle of the Alamo in particular surrounded by legend and testimonies of heroism is a textbook example of the fight for freedom comparable to the Jewish defenders during the Roman siege at Masada The words martyrs and Mexican tyranny are almost always present in the recounts and Remember the Alamo is both a slogan of self glorification and martyrdom that remains one of the most famous phrases in America Naturally this typical account is portrayed through rose colored glasses As in every story everything depends on which side readers are positioned and whose histories they re reading The Texas Revolution certainly pursued freedom but not for the tired poor and huddled masses yearning to breathe free the homeless or the wretched refuse of alien shores it was rather the freedom to suck in land from a weak country and to preserve slavery in the cotton fields added to enthusiasm for cheap land and inexhaustible natural resources Texians did not live under a tyranny and the settlers were not enslaved by anyone on the contrary they had been given cheap or free land and every assistance to settle Nor was the Mexican army the evil force whose sole purpose was in the words of the time to enforce barbarism and despotism of the Hispanic American hybrid race and the black race against civilization Pacheco 1997 As Arnolde de Le n noted The Texans never experienced oppression like that of the others who have risen in rebellion The Mexican government was thousands of miles away unable to pay attention to what was transpiring in Texas Texan settlers most of them peaceful and hard working families did what any human group in search of better opportunities would have done at the sight of uninhabited and unsupervised territories enter settle in them work and defend what they achieved For its part Mexico reacted as any country would if foreign armed rebels invaded its territory expel them or appease them However during the Texas Revolution and to date the memory of that rebellion is often romanticized The war for independence that took place was the prelude to a more extensive destructive and bloody one

The Texas War of Independence 1835-36 Alan C Huffines, 2014-06-06 The Texas Revolution is remembered chiefly for the 13 day siege of the Alamo and its immortal heroes This book describes the war and the preceding years that were marked by resentments and minor confrontations as the ambitions of Mexico s leaders clashed with the territorial determination of Texan settlers When the war broke in October 1835 the invading Mexicans under the leadership of the flamboyant President General Santa Ana fully expected to crush a ragged army of frontiersmen Led by Sam Houston the Texans rallied in defense of the new Lone Star state defeated the Mexicans in a mere 18 minutes at the battle of San Jacinto and won their independence

The Texas War of Independence, 1835-1836 Alan C. Huffines, 2005 The Texas Revolution is remembered chiefly for the 13 day siege of the Alamo and its immortal heroes This book describes the war and the preceding years that were marked by resentments and minor

confrontations as the ambitions of Mexico's leaders clashed with the territorial determination of Texan settlers. When the war broke in October 1835, the invading Mexicans under the leadership of the flamboyant President General Santa Ana fully expected to crush a ragged army of frontiersmen. Led by Sam Houston, the Texans rallied in defense of the new Lone Star state, defeated the Mexicans in a mere 18 minutes at the battle of San Jacinto, and won their independence. Bloomsbury Publishing *1836 Facts About The Alamo And The Texas War For Independence* Mary Deborah Petite, 1999-04-22 This handy paperback in the Savas Facts About series covers all aspects of the famous campaign in surprising detail with much hard-to-find information on the background of the participants, the Mexican viewpoint, and the continuing mystery of possible survivors. Contains bibliography and update on recent research. **Leaders in the Texas Revolution: United for a Cause** Kelly Rodgers, 2012-12-30 In the middle of the 1830s, Texans fought against the Mexican government for its independence. During the Texas Revolution, many leaders emerged, such as Sam Houston, Lorenzo de Zavala, William Travis, Francita Alavez, Sidney Sherman, Susanna Dickinson, James Bowie, and Juan Seguín. This captivating biography allows readers to learn about the incredible accomplishments of these people and what they did to make an impact on the Texas Revolution. Featuring alluring images, engaging facts, and sidebars, supportive text, and a glossary and index, this book will have readers eager to learn more. **Wars of the Americas: Independence to the modern era** David Marley, 2008 An annotated chronology covering every major as well as most minor military conflicts since the arrival of Columbus. *Leaders in the Texas Revolution 6-Pack* Kelly Rodgers, 2012-11-30 In the middle of the 1830s, Texans fought against the Mexican government for its independence. During the Texas Revolution, many leaders emerged, such as Sam Houston, Lorenzo de Zavala, William Travis, Francita Alavez, Sidney Sherman, Susanna Dickinson, James Bowie, and Juan Seguín. This captivating biography allows readers to learn about the incredible accomplishments of these people and what they did to make an impact on the Texas Revolution. Featuring alluring images, engaging facts, and sidebars, supportive text, and a glossary and index, this book will have readers eager to learn more. This 6-Pack includes six copies of this title and a lesson plan. *Discovering Texas History* Bruce A. Glasrud, Light Townsend Cummins, Cary D. Wintz, 2014-09-09 *Discovering Texas History* is a historiographical reference book that will be invaluable to teachers, students, and researchers of Texas history. Chapter authors are familiar names in Texas history circles, a who's who of high-profile historians. Conceived as a follow-up to the award-winning but increasingly dated *A Guide to the History of Texas* (1988), *Discovering Texas History* focuses on the major trends in the study of Texas history since 1990. In part one, topical essays address significant historical themes from race and gender to the arts and urban history. In part two, chronological essays cover the full span of Texas historiography from the Spanish era to the modern day. In each case, the goal is to analyze and summarize the subjects that have captured the attention of professional historians so that *Discovering Texas History* will take its place as the standard work on the history of Texas history. *Tejanos in the 1835 Texas Revolution* L. Lloyd MacDonald, 2012-09-06 A Texas historian presents a vividly detailed account of the 1835-36 battle

for independence shining new light on the experiences of Tejano rebels In the 1820s and 30s thousands of settlers from the United States migrated to Mexican Texas lured by Mexico's promise of freedom But when President Antonio Lopez de Santa Anna came to power he discarded the constitution and established a new centralized government In 1835 and 36 Mexican born Tejanos and Anglo born Texans fought side by side to defend their rights against this authoritarian power grab After Santa Anna silenced dissent across Mexico Texas emerged as the lone province to gain independence Offering a unique study of the role the Mexican born revolutionaries played in Texas's battle for independence this account examines Mexico from the fifteenth century through the birth of the sovereign nation of Texas in 1836 Drawing heavily on first person accounts this detailed history sheds light on the stories and experiences of Tejanos and Texans who endured the fight for liberty Enhanced by maps and illustrations handcrafted by the author this volume contributes an important perspective to the ongoing scholarship and debate surrounding the Alamo generation of the 1830s

The Texas Revolution 6-Pack Kelly Rodgers, 2012-11-30 In 1833 American and Tejano colonists wanted independence from the Mexican government Through a bloody Texas Revolution the independent Republic of Texas was born Readers will be enthralled as they make their way through this exciting and compelling book that uses vivid images intriguing facts and sidebars in conjunction with easy to read text and an accessible glossary and index to enlighten readers about such things as the Law of April 6 1830 the Battle of Gonzalez Siege of Bexar The Consultation and The Alamo Along with these highlights of the Texas Revolution this book also includes features on Santa Anna Stephen Austin and Sam Houston to give children a well rounded introduction to Texas history This 6 Pack includes six copies of this title and a lesson plan

The Alamo And The Texas War For Independence Alber A. Nofi, 2001-02-16 In one of very few balanced accounts of Texas's epic struggle for independence from Mexico Albert Nofi provides a splendid chronicle of the events and personalities of the war He includes readable and accessible maps of military movements and a strategic and tactical analysis of each battle addressing the extraordinary number of myths that the Alamo has engendered and exposing the truth about a conflict that has taken on legendary proportions

Women and the Texas Revolution Mary L. Scheer, 2012 Historically wars and revolutions have offered politically and socially disadvantaged people the opportunity to contribute to the nation or cause in exchange for future expanded rights Although shorter than most conflicts the Texas Revolution nonetheless profoundly affected not only the leaders and armies but the survivors especially women who endured those tumultuous events and whose lives were altered by the accompanying political social and economic changes
