Chris Peers

Alasdair MacColla And The Highland Problem In The Seventeenth Century:

Alasdair MacColla and the Highland Problem in the Seventeenth Century David Stevenson, 1980 Justice and Society in the Highlands of Scotland Charles Fletcher, 2021-10-25 This book fills a significant gap in our current understanding of early modern Scottish history. It is the first systematic consideration of the workings of seigniorial courts of feudal lords in 18th century Scotland. For several hundred years these courts were one of the main forums for justice across Europe. Until 1748 Scottish courts of barony and regality handled both criminal complaints and civil disputes; they made by laws and levied taxes; they set wages and enforced morality. The 18th century was a time of epoch-defining events in Scotland, such as the Jacobite rebellions and union with England. The amount of literature on this period of Scottish history is extensive; it is therefore remarkable that the story of these courts has been left untouched.

Clan Battles Chris Peers, 2023-08-30 Warfare between the clans of the Highlands in the late Middle Ages determined the course of history in this region of Scotland, and Chris Peers' gripping account of it and of the rivalry between the strongest clans gives the reader a deep insight into this bloody turbulent phase in the development of the far north of the British Isles. The battles he describes, all of them fought between the 1430s and the 1540s, were flash points in the long struggle for dominance between the leading clans of the region. The battles are reconstructed in vivid detail. The first Druim n' Coub was fought in 1433 between the Mackays and the Sutherlands. Then came Bloody Bay, a sea fight between rival MacDonald factions. Blar na Parc between the MacDonalds and the Mackenzies. Creag an Airgid between the MacDonalds and the MacLains. Glendale between the MacDonalds and MacLeods. and Torran Dubh between alliances headed by the Mackays and Sutherlands. The final battle, Blar na Leine, fought between the MacDonalds and the Frasers in 1544, marked the end of an era. The subsequent fate of the leading clans, principally the MacDonalds and Mackays, is also covered in a narrative that gives the reader a fascinating new perspective of clan loyalties and conflict which still resonates today. As well as covering the fighting, Chris Peers explains the way war in the Highlands was organized by the contending clans during the period: the strategies and tactics, weapons and armor they employed. The result is an absorbing all-round account of the military history of the Highlands before the clans eventually lost their independence.

A Union for Empire John Robertson, 2006-11-02 This volume of essays explores the intellectual context of the Anglo-Scottish Union of 1707. Challenging the received view of the Union as a simple political job, it argues instead that the Union was a landmark in the history of political thought. It investigates the ideas of union, universal monarchy, and empire current in Europe and Britain before 1707, focuses on the issues of sovereignty at the centre of the Union debate, and concludes by studying the aftermath of the debate in eighteenth-century discussions of Britain's relations to Ireland and the North American Colonies. Underlining the vitality of Scottish intellectual life before the Enlightenment, the volume also gives unprecedented attention to the English view of the Union, to its European setting, and to its consequences for the subsequent understanding of the British Empire.

History of Clan Campbell Campbell Alastair Campbell, 2015-01-28

Volume 1 of this history ended with the chief and his followers dead on Flodden field Volume 2 describes the Clan's recovery Within five years Colin 3rd Earl was Vice Regent and Lieutenant of the kingdom Within five decades the Clan had extended their possessions to the Western Isles reinforced their Highland dominance and become the most powerful family in the nation How they managed to remain so for a century and a half despite everything history could throw at them is the subject of Alastair Campbell's fascinating vivid and well paced narrative Religious conflict in Scotland during almost the whole of the period was devastating The Crown vacillated between Reformed Episcopal and Catholic doctrine whether it was based in Edinburgh or after 1603 in London With one exception by contrast the Campbell chiefs held firm to the Protestant Reformation In 1556 Colin 4th Earl invited John Knox to preach at Inveraray 90 years later Archibald 8th Earl and first Marquess of Argyll led the Army of the Solemn League and Covenant Late in the sixteenth century however a crack appeared in the remarkable unity of the Clan a nationwide conspiracy involving the Campbells of Glenorchy Lochnell and Ardkinglas led to the death of the Bonnie Earl of Moray the murder of Campbell of Cawdor and two attempts on the life of Grim faced Archie the 7th Earl who subsequently turned Roman Catholic and in 1617 left to serve the King of Spain Again however the Clan recovered One of the conspirators Black Duncan Campbell of Glenorchy scourge of the MacGregors even received a royal pardon and a Baronetcy Alastair Campbell describes the onset of the religious and civil wars in the seventeenth century The greatest figure in Scotland then was the first Marquess of Argyll an ardent Protestant who was pitted against the charismatic cavalier the Marquess of Montrose On behalf of church and crown in Scotland each led governments and armies against one another

Gaelic Scotland Charles W J Withers, 2015-12-14 This book originally published in 1988 examines the Highlands and Islands of Scotland over several centuries and charts their cultural transformation from a separate region into one where the processes of anglicisation have largely succeeded It analyses the many aspects of change including the policies of successive governments the decline of the Gaelic language the depressing of much of the population into peasantry and the clearances

British Economic and Social History R. C. Richardson, William Henry Chaloner, 1996

Scotland in the Age of Two Revolutions Sharon Adams, Sharon Adams (Historian), Julian Goodare, 2014 The seventeenth century was one of the most dramatic periods in Scotland's history with two political revolutions intense religious strife culminating in the beginnings of toleration and the modernisation of the state and its infrastructure This book focuses on the history that the Scots themselves made Previous conceptualisations of Scotland's seventeenth century have tended to define it as falling between 1603 and 1707 the union of crowns and the union of parliaments In contrast this book asks how seventeenth century Scotland would look if we focused on things that the Scots themselves wanted and chose to do Here the key organising dates are not 1603 and 1707 but 1638 and 1689 the covenanting revolution and the Glorious Revolution Within that framework the book develops several core themes One is regional and local the book looks at the Highlands and the Anglo Scottish Borders The increasing importance of money in politics and the growing commercialisation of Scottish

society is a further theme addressed Chapters on this theme like those on the nature of the Scottish Revolution also discuss central government and illustrate the growth of the state A third theme is political thought and the world of ideas The intellectual landscape of seventeenth century Scotland has often been perceived as less important and less innovative and such perceptions are explored and in some cases challenged in this volume Two stories have tended to dominate the historiography of seventeenth century Scotland Anglo Scottish relations and religious politics One of the recent leitmotifs of early modern British history has been the stress on the Britishness of that history and the interaction between the three kingdoms which constituted the Atlantic archipelago The two revolutions at the heart of the book were definitely Scottish even though they were affected by events elsewhere This is Scottish history but Scottish history which recognises and is informed by a British context where appropriate The interconnected nature of religion and politics is reflected in almost every contribution to this volume SHARON ADAMS is Postdoctoral Research Fellow at the University of Freiburg JULIAN GOODARE is Reader in History at the University of Edinburgh Contributors Sharon Adams Caroline Erskine Julian Goodare Anna Groundwater Maurice Lee Jnr Danielle McCormack Alasdair Raffe Laura Rayner Sherrilynn Theiss Sally Tuckett Douglas Watt

Warrior's Dishonour George Kassimeris, 2016-02-17 The characteristic act of men at war is not killing It is killing by committing shocking and unspeakable atrocities when circumstances permit What drives ordinary people into hatred genocide inhumanity and evil What turns friends and neighbours against each other with such savagery Where does such barbarity come from This collection examines the anarchy cruelty and overwhelming confusion of modern warfare In particular it analyzes what happens when morality vanishes from the battlefield and why torture is endemic in modern warfare how human rights in times of war lose meaning as a set of principles whether official propaganda and enemy demonization make barbaric behaviour easier how we can develop cultures opposed to torture that damage the legitimacy of our societies Through a wealth of case studies that have been carefully selected in terms of their themes approaches and methodologies this comprehensive volume provokes discussion and enhances understanding from a variety of disciplinary perspectives

The Origins of Scottish Nationhood Neil Davidson, 2000-04-20 The traditional view of the Scottish nation holds that it first arose during the Wars of Independence from England in the thirteenth and fourteenth centuries Although Scotland was absorbed into Britain in 1707 with the Treaty of Union Scottish identity is supposed to have remained alive in the new state through separate institutions of religion the Church of Scotland education and the legal system Neil Davidson argues otherwise The Scottish nation did not exist before 1707 The Scottish national consciousness we know today was not preserved by institutions carried over from the pre Union period but arose after and as a result of the Union for only then were the material obstacles to nationhood most importantly the Highland Lowland divide overcome This Scottish nation was constructed simultaneously with and as part of the British nation and the eighteenth century Scottish bourgeoisie were at the forefront of constructing both The majority of Scots entered the Industrial Revolution with a dual national consciousness but

only one nationalism which was British The Scottish nationalism which arose in Scotland during the twentieth century is therefore not a revival of a pre Union nationalism after 300 years but an entirely new formation Davidson provides a revisionist history of the origins of Scottish and British national consciousness that sheds light on many of the contemporary debates about nationalism

The Oxford Handbook of the English Revolution Michael J. Braddick, 2015 This Handbook brings together leading historians of the events surrounding the English revolution exploring how the events of the revolution grew out of and resonated in the politics and interactions of the each of the Three Kingdoms England Scotland and Ireland It captures a shared British and Irish history comparing the significance of events and outcomes across the Three Kingdoms In doing so the Handbook offers a broader context for the history of the Scottish Covenanters the Irish Rising of 1641 and the government of Confederate Ireland as well as the British and Irish perspective on the English civil wars the English revolution the Regicide and Cromwellian period The Oxford Handbook of the English Revolution explores the significance of these events on a much broader front than conventional studies The events are approached not simply as political economic and social crises but as challenges to the predominant forms of religious and political thought social relations and standard forms of cultural expression The contributors provide up to date analysis of the political happenings considering the structures of social and political life that shaped and were re shaped by the crisis The Handbook goes on to explore the long term legacies of the crisis in the Three Kingdoms and their impact in a wider European context

Law and Legal Consciousness in Medieval Scotland Hector L. MacQueen, 2023-10-20 This book explores the rise of a Scottish common law from the twelfth century on despite the absence until around 1500 of a secular legal profession Key stimuli were the activity of church courts and canon lawyers in Scotland coupled with the example provided by neighbouring England's common law The laity's legal consciousness arose from exposure to law by way of constant participation in legal processes in court and daily transactions This experience enabled some to become judges pleaders in court and transactional lawyers and lay the foundations for an emergent professional group by the end of the medieval period

Culloden Murray Pittock, 2016 The story of Culloden one of the most important battles in Scottish history how it was fought how it has been remembered and what it has come to mean

Outbreak of the Irish Rebellion of 1641 M. Perceval-Maxwell, 1994 Historians agree that the 1641 Irish rebellion had profound significance outside of Ireland but Perceval Maxwell shows in detail how it did so He considers negotiations between the Irish and English parliaments how events in Ireland influenced public opinion in both England and Scotland the delay in sending the Irish army against the Scots how the Irish rising contributed to the outbreak of the English Civil War and other factors Annotation copyright by Book News Inc Portland OR

Prelude to Restoration in Ireland Aidan Clarke, 1999-09-23 This study fills a major gap in the mainstream narrative of Irish history by reconstructing political developments in the year before the restoration of Charles II It is the first treatment of the complex Irish dimension of the king's return The issue of the monarchy did not stand alone in Ireland Entangled with it was the

question of how the restoration of the old regime would affect a Protestant colonial community which had changed in character and fortune as a result of the Cromwellian conquest the immigration that had accompanied it and the massive transfer of land that followed As the return of Charles became increasingly probable Cromwellian and pre Cromwellian settlers were united in their determination to ensure that the restoration of Charles did not deprive them of their gains This account discloses how the leaders of the Protestant establishment protected its interests by managing the transition back to monarchy

Essays on David Hume, Medical Men and the Scottish Enlightenment Roger L. Emerson, 2016-05-13 The Scottish Enlightenment was a period of intellectual and scientific progress in a country previously considered to be marginal to the European intellectual scene Yet the enlightenment was not about politeness or civic humanism but something more basic the making of an improved society which could compete in every way in a rapidly changing world David Hume writing in 1752 commented that industry knowledge and humanity are linked together by an indissoluble chain Collectively this volume of essays embraces many of the topics which Hume included under industry knowledge and humanity from the European Enlightenment and the Scots relation to it to Scottish social history and its relation to religion science and medicine Overarching themes of what it meant to be enlightened in the eighteenth century are considered alongside more specific studies of notable figures of the period such as Archibald Campbell 3rd Duke of Argyll and David Hume and the training and number of Scottish medical students Together the volume provides an opportunity to step back and reconsider the Scottish Enlightenment in its broader context and to consider what new directions this field of study might take

Noble Power in Scotland from the Reformation to the Revolution Keith M Brown, 2011-03-24 The period between the Reformation and the Covenanting Revolution has generated much historical debate on issues of political authority and power In this volume Keith M Brown builds on his previous book Noble Society in Scotland to argue that in spite of the changes brought about by the Reformation by the recovery of crown authority and by the regal union between England and Scotland the huge power exercised by the nobility remained fundamentally unaltered Hence when political crisis did surface in 1637 8 the crown lacked the means to oppose a noble led revolution Noble Power in Scotland is constructed within a framework that discusses the nobility's political relationship with the crown in chapters at either end of this volume taking the regal union of 1603 as the crucial dividing point The remainder of the book addresses in turn themes that analyse the various roles nobles inhabited in exercising power There are chapter on nobles as chiefs of the remarkably strong and durable kindreds or clans as lords over extensive territorial networks of dependants as warriors and soldiers in domestic and foreign service as men whose notions of honour often determined political behaviour as magistrates presiding over a system of private local jurisdictions while also colonising central law courts as parliamentarians and royal councillors and as courtiers in attendance on the king in Scotland and after 1603 in London Brown places this discussion firmly within a wider debate about the enduring power of European nobilities showing that the Scottish nobility successfully adapted to political change just as it

did to economic and cultural change to retain its dominant political position throughout the period Celtic Warfare, 1595-1763 James Michael Hill, 1986 *British Consciousness and Identity* Brendan Bradshaw, Peter Roberts, 2003-12-18 The historical resonances of the concept of Britain for the communities of the Atlantic Archipelago in the early modern period are explored here in terms of the ideological demands made upon it Various and competing concepts of Britishness are examined from the Henrician legislation which united Wales with England and which created the kingdom of Ireland to the Act of Union of the realms of England and Scotland The chequered history of the consciousness of Britain as a polity which embraced the united kingdoms is discussed in relation to the distinctive national identities of the constituent countries and the question of the impact of Britain on English policy making under the Tudor Stuart and the first Hanoverian monarchs is addressed The puzzling resistance of the Irish to assimilation in contrast to the docility of the Welsh and eventually of the Scots is also explored *The Oxford Companion to Scottish History* Michael Lynch, 2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen

This book delves into Alasdair Maccolla And The Highland Problem In The Seventeenth Century. Alasdair Maccolla And The Highland Problem In The Seventeenth Century is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Alasdair Maccolla And The Highland Problem In The Seventeenth Century, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Alasdair Maccolla And The Highland Problem In The Seventeenth Century
 - Chapter 2: Essential Elements of Alasdair Maccolla And The Highland Problem In The Seventeenth Century
 - Chapter 3: Alasdair Maccolla And The Highland Problem In The Seventeenth Century in Everyday Life
 - Chapter 4: Alasdair Maccolla And The Highland Problem In The Seventeenth Century in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Alasdair Maccolla And The Highland Problem In The Seventeenth Century. The first chapter will explore what Alasdair Maccolla And The Highland Problem In The Seventeenth Century is, why Alasdair Maccolla And The Highland Problem In The Seventeenth Century is vital, and how to effectively learn about Alasdair Maccolla And The Highland Problem In The Seventeenth Century.
 3. In chapter 2, this book will delve into the foundational concepts of Alasdair Maccolla And The Highland Problem In The Seventeenth Century. The second chapter will elucidate the essential principles that must be understood to grasp Alasdair Maccolla And The Highland Problem In The Seventeenth Century in its entirety.
 4. In chapter 3, this book will examine the practical applications of Alasdair Maccolla And The Highland Problem In The Seventeenth Century in daily life. This chapter will showcase real-world examples of how Alasdair Maccolla And The Highland Problem In The Seventeenth Century can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Alasdair Maccolla And The Highland Problem In The Seventeenth Century in specific contexts. The fourth chapter will explore how Alasdair Maccolla And The Highland Problem In The Seventeenth Century is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Alasdair Maccolla And The Highland Problem In The Seventeenth Century. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Alasdair Maccolla And The Highland Problem In The Seventeenth Century.

Table of Contents Alasdair Maccolla And The Highland Problem In The Seventeenth Century

Alasdair Maccolla And The Highland Problem In The Seventeenth Century Introduction

Alasdair Maccolla And The Highland Problem In The Seventeenth Century Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic

literature and contemporary works. Alasdair Maccolla And The Highland Problem In The Seventeenth Century Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain.

Alasdair Maccolla And The Highland Problem In The Seventeenth Century : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications.

Internet Archive for Alasdair Maccolla And The Highland Problem In The Seventeenth Century : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books.

Free-eBooks Alasdair Maccolla And The Highland Problem In The Seventeenth Century Offers a diverse range of free eBooks across various genres.

Alasdair Maccolla And The Highland Problem In The Seventeenth Century Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes.

Alasdair Maccolla And The Highland Problem In The Seventeenth Century Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF.

Finding specific Alasdair Maccolla And The Highland Problem In The Seventeenth Century, especially related to Alasdair Maccolla And The Highland Problem In The Seventeenth Century, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches:

- Look for websites, forums, or blogs dedicated to Alasdair Maccolla And The Highland Problem In The Seventeenth Century, Sometimes enthusiasts share their designs or concepts in PDF format.
- Books and Magazines Some Alasdair Maccolla And The Highland Problem In The Seventeenth Century books or magazines might include. Look for these in online stores or libraries. Remember that while Alasdair Maccolla And The Highland Problem In The Seventeenth Century, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading.
- Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Alasdair Maccolla And The Highland Problem In The Seventeenth Century eBooks for free, including popular titles.
- Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.
- Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Alasdair Maccolla And The Highland Problem In The Seventeenth Century full book , it can give you a taste of the authors writing style.
- Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Alasdair Maccolla And The Highland Problem In The Seventeenth Century eBooks, including some popular titles.

FAQs About Alasdair Maccolla And The Highland Problem In The Seventeenth Century Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Alasdair Maccolla And The Highland Problem In The Seventeenth Century is one of the best book in our library for free trial. We provide copy of Alasdair Maccolla And The Highland Problem In The Seventeenth Century in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Alasdair Maccolla And The Highland Problem In The Seventeenth Century. Where to download Alasdair Maccolla And The Highland Problem In The Seventeenth Century online for free? Are you looking for Alasdair Maccolla And The Highland Problem In The Seventeenth Century PDF? This is definitely going to save you time and cash in something you should think about.
