Alaska Native Languages Past Present And Future:

The Languages of Native North America Marianne Mithun, 2001-06-07 This book provides an authoritative survey of the several hundred languages indigenous to North America. These languages show tremendous genetic and typological diversity and offer numerous challenges to current linguistic theory. Part I of the book provides an overview of structural features of particular interest, concentrating on those that are cross linguistically unusual or unusually well developed. These include syllable structure, vowel and consonant harmony, tone, and sound symbolism, polysynthesis, the nature of roots and affixes, incorporation, and morpheme order, case, grammatical distinctions of number, gender, shape, control, location, means, manner, time, empathy, and evidence, and distinctions between nouns and verbs, predicates and arguments, and simple and complex sentences, and special speech styles. Part II catalogues the languages by family, listing the location of each language, its genetic affiliation, number of speakers, major published literature, and structural highlights. Finally, there is a catalogue of languages that have evolved in contact situations.

An Introduction to the Languages of the World Anatole Lyovin, 1997 This text is designed to introduce students to the variety of languages of the world.

The Language of the Inuit Louis-Jacques Dorais, 2014-08-01 The culmination of forty years of research, *The Language of the Inuit* maps the geographical distribution and linguistic differences between the Eskaleut and Inuit languages and dialects. Providing details about aspects of comparative phonology, grammar, and lexicon, as well as Inuit prehistory and historical evolution, Louis Jacques Dorais shows the effects of bilingualism, literacy, and formal education on Inuit language and considers its present status and future. An enormous task masterfully accomplished, *The Language of the Inuit* is not only an anthropological and linguistic study of a language and the broad social and cultural contexts where it is spoken, but a history of the language's speakers.

Historical Aspects of Cataloging and Classification Martin D. Joachim, 2003

Encyclopedia of the Arctic Mark Nuttall, 2005-09-23 With detailed essays on the Arctic's environment, wildlife, climate, history, exploration, resources, economics, politics, indigenous cultures, and languages, conservation initiatives, and more, this Encyclopedia is the only major work and comprehensive reference on this vast, complex, changing, and increasingly important part of the globe. Including 305 maps, this Encyclopedia is not only an interdisciplinary work of reference for all those involved in teaching or researching Arctic issues, but a fascinating and comprehensive resource for residents of the Arctic and all those concerned with global environmental issues, sustainability, science, and human interactions with the environment.

Voices from Four Directions Brian Swann, 2004-01-01 Gathers stories and songs from thirty-one native groups in North America, including the Inupiaqs, the Lushoots, the Catawbas, and the Maliseets.

Athabaskan Languages and the Schools Chad Thompson, 1984 Handbook designed to assist school districts in providing effective educational services to students from the group of Athabaskan languages. Includes an overview of Athabaskan languages, linguistic characteristics of Athabaskan and English, recommended instructional strategies for language in the classroom, and Athabaskan sound systems.

The Semantics of Time Melissa Axelrod, 1993-01-01 Koyukon is

an Athabaskan language spoken along the Yukon and Koyukuk rivers in Alaska Even among the Athabaskan languages which are noted for the richness of their aspectual inventories and the diversity of expression possible from these inventories Koyukon has the most elaborate and richly varied possibilities of morphologically marked derivational aspect Aspect is the nature of the action of a verb as to its beginning duration completion or repetition and without referenced to its position in time and the set of inflected verb forms that indicate aspect The work consists of three parts an examination of the aspectual system which involved sorting out a complex network of four modes fifteen aspects four superaspects and some 300 aspect dependent derivational prefix strings an analysis of the organization of verb theme categories which are directly linked to aspectual categories and an assessment of the function of the aspectual system as a whole **In, Out and Beyond** Antonio Medina-Rivera, Lee Wilberschied, 2011-05-25 The essays presented in this volume are a peer reviewed selection of some of the best papers presented during the 3rd Crossing Over Symposium at Cleveland State University from October 9 11 2009 Scholars from the United States Canada Belgium France Spain Italy India Israel and the United Kingdom came together to examine border experiences from different points of view Originally the organizers called upon a diversity of borderland possibilities for this conference cultural political educational religious international intranational linguistic gender ideological age tribal social class caste identity and neighborhoods The definition of borderland was not limited to territorial spaces but rather was open to any kind of confrontation encounter affecting different situations of our lives The call for this conference was interdisciplinary in nature and its intent was to open a discussion between the humanities and the social sciences on the dynamic issue of borders **The Cambridge Handbook of Endangered Languages** Peter K. Austin, Julia

Sallabank, 2011-03-24 It is generally agreed that about 7 000 languages are spoken across the world today and at least half may no longer be spoken by the end of this century This state of the art Handbook examines the reasons behind this dramatic loss of linguistic diversity why it matters and what can be done to document and support endangered languages The volume is relevant not only to researchers in language endangerment language shift and language death but to anyone interested in the languages and cultures of the world It is accessible both to specialists and non specialists researchers will find cutting edge contributions from acknowledged experts in their fields while students activists and other interested readers will find a wealth of readable yet thorough and up to date information **Challenge of Plato:Atlantida Incognita (in English) ,**

Indigenous Literacies in the Americas Nancy H. Hornberger, 2012-10-25 CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students researchers and practitioners in all of the social and language related sciences carefully selected book length publications dealing with sociolinguistic theory methods findings and applications It approaches the study of language in society in its broadest sense as a truly international and interdisciplinary field in which various approaches theoretical and empirical supplement and complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the

sociology of language **Alaska at 50** Gregory W. Kimura, 2010-03-15 In 2009 Alaska celebrates its fiftieth anniversary of U S statehood To commemorate that milestone Alaska at 50 brings together some of today s most noteworthy and recognizable writers and researchers to address the past present and future of Alaska Divided into three overarching sections art culture and humanities law economy and politics and environment people and place Alaska at 50 is written in highly accessible prose Illustrations and photographs of significant artefacts of Alaska history enliven the text Each contributor brings a strong voice and prescription for the next fifty years and the resulting work presents Alaskans and the nation with an overview of Alaska statehood and ideas for future development Earth Habitat Dieter T. Hessel, Larry L. Rasmussen, This signal volume gathers theologians from around the world to address three pressing questions How can Christianity and Christian churches rethink themselves and their roles in light of the endangered earth What earth honoring elements does justice oriented Christianity have to contribute to the common good And how can local communities and churches respond creatively and constructively on a level to these vast global forces This volume captures the chief themes and presentations from the October 1998 conference on social justice ecology and church entitled Ecumenical Earth and held at Union Theological Seminary Among the 18 contributors to this trailblazing conference are Rasmussen and Hessel James Cone Kusumita Pedersen Brigitte Kahl Ibrahim M Abu Rabi Steven Rockefeller Havid Hallman Ernst Conradie Peggy Shepard and Troy Messenger *Alaska Native Languages* Michael E. Krauss, 1980 Surveys the distribution relationships history and present status of 20 Eskimo Indian and Aleut languages in Alaska "It is a Hard Country, Though" George F. Williss, 1986

Canadian Inuit literature Robin McGrath, 1984-01-01 A study of the development of contemporary Inuit literature in both Inuktitut and English including a discussion of its themes structures and roots in oral tradition The author concludes that a strong continuity persists between the two narrative forms despite apparent differences in subject matter and language Published in English *The Russian Orthodox Church of Alaska and the Aleutian Islands and Its Relation to Native American Traditions - An Attempt at a Multicultural Society, 1794-1912* Viacheslav Vsevolodovich Ivanov, 1998-12 In connection with the 200th anniversary of the Russian Orthodox Church in Alaska an exhibition entitled In The Beginning Was the Word The Russian Church and Native Alaskan Cultures including some of the most important and interesting documents from the large archives of the Church This volume summarizes the results of the study of the archives stressing their relevance for the problem of semiotic nets of communication in a multilingual and multicultural society The translation of Biblical and Church related documents into native languages is discussed and the social and religious aspects of communication and semiotic contact are examined **A Grammar of Eyak** Michael E. Krauss, 2024-12-16 Eyak dAXunhyuga is the traditional language of the Copper River Delta region of the Gulf of Alaska This posthumous publication reflects Michael Krauss s systematic effort to document every aspect of the language working closely with the last remaining fluent speakers Adopting a theory neutral approach Krauss focuses on detailed description providing exhaustive

exemplification as well as ample discussion of comparative and conflicting data from the related Tlingit and Dene Athabaskan languages making the work particularly useful for Dene scholars Non specialists will find a window into the structure of a highly synthetic and typologically unusual language This comprehensive work will also serve as a useful reference for the growing dAXunhyuuga reclamation effort **Resources in Education** ,1998

Alaska Native Languages Past Present And Future Introduction

In today's digital age, the availability of Alaska Native Languages Past Present And Future books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Alaska Native Languages Past Present And Future books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Alaska Native Languages Past Present And Future books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Alaska Native Languages Past Present And Future versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Alaska Native Languages Past Present And Future books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Alaska Native Languages Past Present And Future books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Alaska Native Languages Past Present And Future books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Alaska Native Languages Past Present And Future books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Alaska Native Languages Past Present And Future books and manuals for download and embark on your journey of knowledge?

FAQs About Alaska Native Languages Past Present And Future Books

1. Where can I buy Alaska Native Languages Past Present And Future books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
