Alaska-Yukon Adventures Fraser Bridges, 1992 **The Unofficial Guide to Adventure Travel in Alaska** Melissa DeVaughn, 2008-03-04 From the publishers of The Unofficial Guide to Walt Disney World A Tourist's Best Friend Chicago Sun Times Indispensable The New York Times Four Great Features and Benefits offered ONLY by The Unofficial Guide Lodging and dining rated for quality and value Great ideas for family travel An insider's guide to the top outfitters for every activity Complete planning information for escorted tours or travel on your own *Running North* Ann Mariah Cook, 1999-01-11 What happens when a woman and her husband move their family from New Hampshire to Alaska to train a team of purebred Siberian Huskies for the world's toughest dogsled race the Yukon Quest They endure thousands of miles of lonely training in the Yukon trying to avoid thin ice wolves and rogue moose they put up with the amused skepticism of Alaskan locals and they pit themselves against the ultimate fickle adversary nature RUNNING NORTH is the true story of how Ann Cook her husband George and their young daughter Kathleen moved to Alaska and how their Siberians became the first team from the lower forty eight states to finish the Yukon Quest It tracks George on his horrific journey through the Yukon recording the frostbite the hallucinations that come with exhaustion the wolves and the nights out on the ice at minus ninety degrees Fahrenheit This is the great story of man struggling against nature and surviving But unlike most accounts of high adventure that center solely on the adventurer and the quest RUNNING NORTH is also the story of Ann Cook who drove the truck and carried the gear and kept the family together In the tradition of MY OLD MAN AND THE SEA she tells both stories in simple elegant prose that reveals the tragedy joy and folly that lie on either side of the curtain separating the adventurer from the world left behind They run up against crazy landlords win over gruff neighbors drive a broken down truck that sucks oil like Alaskans suck coffee listen to a radio show that keeps trappers in contact with the world meet mysterious fishermen who appear without notice and disappear without a sign fight with a young cousin who will betray them in the end protect their young daughter from the dangers of their new wild world and stare awestruck at the wide sweep of Alaskan landscape RUNNING NORTH is the story of two very different adventures on the edge one among the racers braving the Yukon and the other among the people they leave behind **An Alaskan Adventure** Alan R. Adaschik, 2014-02 Alan Adaschik's dream was to visit Alaska America's last frontier and a place which abounds with wildlife and unspoiled wilderness Upon retirement Al and his wife Gayle sold everything and bought a thirty seven foot Damon Intruder motor home to make his dream a reality An Alaskan Adventure is a narrative about Al and Gayle's trip which highlights the places they visited and the wonderful things they experienced along the way An Alaskan Adventure commences in Indiana following a visit with Al's relatives who live there After negotiating the traffic jams of Chicago Al and Gayle traveled I 94 across the northern Great Plains visiting Minnesota North Dakota and Montana along the way Heading north they visited Glacier National Park and continued on to tour Yoho Banff and Jasper national parks in Canada Afterwards Al Gayle picked up the Alaskan Highway which took them to

a realization of Al's dream. The remainder of the book is about Al Gayle's travels around the Great Alaskan Triangle, a circuit of 900 miles defined by the cities of Tok, Fairbanks, and Anchorage. While negotiating this triangle, Al and Gayle's primary goals were to find gold in one of the many streams they crossed and to also find a Woolly Mammoth frozen in a glacier. Toward this end, they took side trips to the White Mountains National Recreation Area, Denali National Park, The Top of the World Highway, and the towns of Homer and Chicken. **An Alaskan Adventure** is not just a book about touring Alaska; Al is an environmentalist, and a theme evident throughout the book is that the beauty we find around us is fleeting and that if we as a species continue to overpopulate our world, what we see and value so highly is sure to go away.

An Alaskan Adventure
Frederick James Currier, 2018-08-01

As the descendant of early miners, a grandfather who prospected for gold in the Fairbanks area in 1908 and a father who mined from the 1920s through the early 1940s, my interest and fascination with Frederick Currier's manuscript was easily spiked. Currier's quest for gold from 1893 into the 1900s was an admirable pursuit. His account of prospecting ventures in 1898 on the Chena River near Fairbanks is spellbinding, especially in his use of a sternwheeler and his building of cabins as he prospected toward the headwaters. I have great admiration for the early gold prospectors like Frederick Currier since I have sunk a couple of shafts to bedrock with a windlass and know the effort and determination required. The power of a few nuggets can change a person's direction in life. Currier's **An Alaskan Adventure** is well worth reading more than once.

Alaska Adventure Guide
Melissa DeVaughn, 2011-01-15

The author has worked to answer all your questions about travel and recreation in a state so remote. This guide attempts to target your interests and save you time, money, and effort so that nothing is wasted during your trip. Because Alaska is so big and your options so varied, the guide is organized so you can zero in on the activity or activities that appeal to you most. Thirteen chapters focus solely on adventure travel, each devoted to a single activity. The five regional chapters that follow focus primarily on the basics in a given area of the state: getting around, shopping, lodging, dining, and entertainment. Once you've chosen the adventure of your dreams, you can go to the appropriate regional chapter to get the scoop on the best places in the vicinity to stay, eat, buy gear, rent a car, and learn about local culture and history. Outdoor travelers also are likely independent travelers. A multitude of companies offer exciting, sounding jaunts to scenic places all over the state, but many of these outfits work only with tour providers such as cruise ship operators to obtain large numbers of clients per trip, thus excluding people who wish to travel on their own. In this guide, all our listings are available to independent travelers as well as those in tour groups. The objective is not to provide the most information about destinations or attractions but rather the most useful information. The guide is opinionated, and for good reason. Any destination or outfitter listed here has made the cut by proving itself a wonderful place to visit or a reliable company with which to do business. If, for example, you want to learn more about sea kayaking in Alaska, you will not be supplied with every operation in the business, and believe us, there are many of them competing for your dollars. What you will get is a select assortment of those we consider best, and why. After all, isn't the point of a guidebook to
