## **Albayati Recent Works:**

*Basil Al-Bayati* Basil Al-Bayati, 1993 Basil Al Bayati's individual and distinctive architectural style is admired throughout the Middle East and Europe for its fusion of function and symbolism. His skilful weaving together of eastern and western architectural language aiming to reconcile two incompatible worlds has made him one of London's most admired architects practising today. The metaphorical use of the plant and animal kingdoms creates a coherent structure in his work yet allows for inner rhythms, patterns and complexities. Demonstrated here in the Oriental Village by the Sea, Dominican Republic, the ecoskeleton of the animal provides the nucleus of the plan while its network of roads and causeways take their inspiration from the branching form of a tree. This richly illustrated volume which covers Al Bayati's work over the last four years includes two of his recent projects in the Middle East: the Qair Ghumdan Hotel in Yemen and the Sinmar Palaces. These demonstrate his clever use of historic analogy as they take their inspiration from ancient stories celebrating mythological buildings. ‘Abd al-Wahhāb Bayātī, 2004 eTextbooks are now available through VitalSource.com. Called a major innovator in his art form by The New York Times, Baghdad-born poet Abdul Wahab Al Bayati broke with over fifteen centuries of Arabic poetic tradition to write in free verse and became world famous in the process. *Love, Death and Exile: Poems Translated from Arabic* is a rare bilingual facing page edition in both the original Arabic text and a highly praised English translation by Bassam K. Frangieh, containing selections from eight of Al Bayati's books of poetry. Forced to spend much of his life in exile from his native Iraq, Al Bayati created poetry that is not only revolutionary and political but also steeped in mysticism and allusion, moving and full of longing. This collection is a superb introduction to Al Bayati, Arabic language and Arabic literature and culture as well. On Al Bayati's death in 1999, The New York Times obituary quoted him as saying once that his many years of absence from his homeland had been a tormenting experience that had great impact on his poetry. I always dream at night that I am in Iraq and hear its heart beating and smell its fragrance carried by the wind, especially after midnight when it is quiet.
