ESSAYS ON THE OCCUPATION OF ALCATRAZ ISLAND IN 1969 70      **Prohibition and Bootlegging in the American West** Jeremy Agnew,2022-10-25 Prohibition was imposed by eager temperance movements organizers who sought to shape public behavior through alcoholic beverage control in the 19th and early 20th centuries The success of reformers efforts resulted in National Prohibition in America from 1920 to 1933 but it also resulted in a thriving illegal business in the manufacture and distribution of illegal liquor The history of Prohibition and the resulting illegal drinking is frequently told through the lens of crime and violence in Chicago and other major East Coast cities Often neglected are the effects of Prohibition on the Western part of the United States and how Westerners rose to the challenge of avoiding the consequences of illegal drinking Illegal liquor was imported from abroad made in stills using strange ingredients that were sometimes poisonous to the unlucky drinker This history includes stories ranging from serious to quirky and provides an entertaining account of how misguided efforts resulted in numerous unintended consequences      *Pacifists in Chains* Duane C. S. Stoltzfus,2013-12-15 Documents the disturbing history of four pacifists imprisoned for their refusal to serve during World War I To Hutterites and members of other pacifist sects serving the military in any way goes against the biblical commandment thou shalt not kill and Jesus s admonition to turn the other cheek when confronted with violence *Pacifists in Chains* tells the story of four young men Joseph Hofer Michael Hofer David Hofer and Jacob Wipf who followed these beliefs and refused to perform military service in World War I The men paid a steep price for their resistance imprisoned in Alcatraz and Fort Leavenworth where the two youngest died The Hutterites buried the men as martyrs citing mistreatment Using archival material letters from the four men and others imprisoned during the war and interviews with their descendants Duane C S Stoltzfus explores the tension between a country preparing to enter into a world war and a people whose history of martyrdom for their pacifist beliefs goes back to their sixteenth century Reformation beginnings      **Forging the Star** David S. Turk,2016-08-15 What do diverse events such as the integration of the University of Mississippi the federal trials of Teamsters President Jimmy Hoffa the confrontation at Ruby Ridge and the aftermath of Hurricane Katrina have in common The U S Marshals were instrumental in all of them Whether pursuing dangerous felons in each of the 94 judicial districts or extraditing them from other countries protecting federal judges prosecutors and witnesses from threats transporting and maintaining prisoners and detainees or administering the sale of assets obtained from criminal activity the U S Marshals Service has adapted and overcome a mountain of barriers since their founding on September 24 1789 as the oldest federal law enforcement organization In *Forging the Star* historian David S Turk lifts the fog around the agency s complex modern period From the inside he allows a look within the storied organization The research and writing of this singular account took over a decade drawn from fresh primary source material with interviews from active or retired management deputy U S
