Aldair Master Of Ships Aldair:

Aldair, Master of Ships Neal Barrett, Jr.,2016-02-11 I have done more than my share of wandering In a few short years I have been slave scholar and master of ships I have played no small part in the death of two great empires I have nearly been eaten whole by the shapeless thing that guards the Great River I have even soared above the earth like a large ungainly bird Finally I have come to know the handiwork of Man in the sad and fearful land of Merrkia across the Misty Sea The terrible secret of that race has come to light at last though it is a thing I can scarcely fathom even now And if I have learned nothing more in my travels I can say in all truth that I am proud to be the beast I am Aldair late of the Venicii The Earth was still green and fully populated its men were the products of a science that might have begun with the Dr Moreau of Wellsian legend Fate had chosen Aldair to seek the truth about Man Why had Man created these new beast races and above all where had man gone Truly an astonishing adventure in future projection [Aldair, Master of Ships \[eBook - Biblioboard\]](#) Neal Barrett,2016 I have done more than my share of wandering In a few short years I have been slave scholar and master of ships I have played no small part in the death of two great empires I have nearly been eaten whole by the shapeless thing that guards the Great River I have even soared above the earth like a large ungainly bird Finally I have come to know the handiwork of Man in the sad and fearful land of Merrkia across the Misty Sea The terrible secret of that race has come to light at last though it is a thing I can scarcely fathom even now And if I have learned nothing more in my travels I can say in all truth that I am proud to be the beast I am Aldair late of the Venicii The Earth was still green and fully populated its men were the products of a science that might have begun with the Dr Moreau of Wellsian legend Fate had chosen Aldair to seek the truth about Man Why had Man created these new beast races and above all where had man gone Truly an astonishing adventure in future projection *The Treachery of Kings* Neal Barrett, Jr.,2016-10-16 In a magical world where animals have been given human form and chaos can often be the nature of the day some universal truths remain Like the futility of war and the foolishness of leaders And of course the lingering prejudice against the Newlies the humanized animals But Master Lizard Maker Finn has no quarrel with creatures of any sort Just returned from a highly traumatic vacation he wants nothing more than a period of prolonged peace with his fetching Newlie lover Letitia and his greatest creation a sassy mechanical lizard named Julia Jessica Slagg But the Fates in the form of the capricious Prince of Fyxedia have other plans in store for Finn Fyxedia s leader has commissioned Finn to build a fantastical lizard timepiece for his archrival the mysterious King of Heldessia an odd enough request since Fyxedia and Heldessia have been at war for 700 years Worse Finn has been ordered to deliver the clock himself a mission that involves flying over the war zone in a rickety and badly patched balloon Finn can hardly refuse the commission but the journey is the least of his problems For Heldessia is a land as odd as any he s encountered and he can t help but wonder what foul plot these monarchs have in store for each other How can one lone lizard maker his lover and his mechanical creation foil a plot they don t even understand and still manage to come out of it
