Airwaves Over Alaska Story Of Pioneer Broadcaster Augie Hiebert:

Airwaves Over Alaska Robin Ann Chlupach,1992 **Connecting Alaskans** Heather E. Hudson,2015-09-15 Introduction
Alaska's first information highway Expansion after World War II and the talking lady of the North Early broadcasting
Privatizing the Alaska communications system The beginning of the satellite era The NASA experiments From satellite
experiments to commercial service Telephone service for every village Broadcasting and teleconferencing for rural Alaska
Rural television from RATNET to ARCS Deregulation and disruption State planning and policy Alaska's local telephone
companies The phone wars Distance learning from satellites to the internet Telemedicine in Alaska A new century the growth
of mobile and broadband Past and future connections **Historic Anchorage** John Strohmeier,2001 An illustrated history
of Anchorage Alaska paired with histories of the local companies **Alaska History** Marvin W. Falk,2006-03-30 Marvin W
Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th
century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in
Russian German French Spanish and English Many of these foreign language accounts have been published in translation
and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature
from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil
boom **Alaska History** ,1994 *Television in America* Michael D. Murray,Donald G. Godfrey,1997 Television in America
examines the history of the industry from a local station perspective Some interesting ramifications are What would have
happened to the ABC network without the support of its key station WABC What effect did KSL television have on the
Mormon Church communication empire Can stations in Atlanta and Orlando be credited with promoting a civil rights agenda
before it was politically correct Would the Kefauver hearings have taken on as much national significance had it not been for
the local coverage of WMAL TV Without the efforts of WEW's Dorothy Fieldheim and Nancy Craig at WABC would women
have been welcomed in the nation's newsrooms The histories of the 20 television stations in this unique collection help
answer these questions and set the stage for further inquiry **PNLA Quarterly** Pacific Northwest Library
Association,1993 **Forthcoming Books** Rose Arny,1993 **Subject Guide to Books in Print** ,1993 **Books in Print**
,1994 **Congressional Record** United States. Congress,2007 [Connecting Alaskans](#) Heather E. Hudson,2015-09-15
Alaska is now open to civilization With those six words in 1900 the northernmost territory finally had a connection with the
rest of the country The telegraph system put in place by the US Army Signal Corps heralded the start of Alaska's
communication network Yet as hopeful as that message was Alaska faced decades of infrastructure challenges as remote
locations extreme weather and massive distances all contributed to less than ideal conditions for establishing reliable
telecommunications Connecting Alaskans tells the unique history of providing radio television phone and Internet services to
more than six hundred thousand square miles It is a history of a place where military needs often trumped civilian ones

where ham radios offered better connections than telephone lines and where television shows aired an entire day later than in the rest of the country Heather E Hudson covers more than a century of successes while clearly explaining the connection problems still faced by remote communities today Her comprehensive history is perfect for anyone interested in telecommunications technology and history and she provides an important template for policy makers rural communities and developing countries struggling to develop their own twenty first century infrastructure
