were speaking of the Wise Man the Magician who lived in the dark cave on the side of the hill and could do the most wonderful things In fact they said there was hardly anything he couldn t do you had only to tell him what you wanted most and he could manage it for you Perhaps he could turn me into a nightingale thought Agatha I ll go and ask him anyway So while the maids were still talking she slipped out of the castle and through the wood and down the hill till she came to the dark cave Her long frock caught on the brambles as she went and her hands were a good deal scratched and once she tripped and fell But of course she did not mind anything of that kind because she was thinking all the time about the nightingale Agatha walked into the cave without knocking and found the Magician at home I dare say you know that all good Magicians have kind faces and long white beards This one was a good Magician so he had a kind face and a long white beard Agatha was not in the least afraid of him She told him at once why she had come Airy fairy Lilian Miss M.
