**K. S. B. Keats-Rohan**

### **Aitolian Prosopographical Studies:**

*Aitolian Prosopographical Studies* John D. Grainger, 2018-07-17 This aim of this work is to provide part of the basis for the study of a widely misunderstood people of Ancient Greece the Aitolians It is the people of any society who are its constituents and only when we know who they were and what they did can that society be properly investigated By accumulating a list of all known Aitolians their origins parentage their place in the society and any other details discoverable it is possible to reconstitute Aitolian families and to study various sections and aspects of their society The prosopography and the studies based on it form part of the essential background for the author's history of The League of the Aitolians published by Brill earlier in 1999 and they also form a contribution to the study of the society which was Ancient Greece

**The League of the Aitolians** John D. Grainger, 2018-07-17 The Aitolians have had a bad press regarded as pirates and brigands and their state as a pirate state built on terrorist tactics This book treats them as what they really were a normal Hellenistic state They constructed an original and successful polity which provided peace and prosperity for its inhabitants and played a major part in Greek history for a century and a half The approach is chronological beginning with the origin and formation of the league and its early expansion and then dealing with its long duel with Macedon and concluding with its destruction by Rome This is the first full account of the history of the league which approaches it as an independent state rather than as the enemy of other states and peoples It complements the standard histories of the other Hellenistic states

Prosopography Approaches and Applications K. S. B. Keats-Rohan, 2007 This collection of 29 essays ranging from ancient to modern history and including Arabic Islamic prosopography covers all aspects of prosopography as currently practised

**A Companion to the Hellenistic World** Andrew Erskine, 2009-02-09 Covering the period from the death of Alexander the Great to the celebrated defeat of Antony and Cleopatra at the hands of Augustus this authoritative Companion explores the world that Alexander created but did not live to see Comprises 29 original essays by leading international scholars Essential reading for courses on Hellenistic history Combines narrative and thematic approaches to the period Draws on the very latest research Covers a broad range of topics spanning political religious social economic and cultural history

**Collected Papers on Greek Colonization** A.J. Graham, 2017-09-18 For the first time together in one volume all the papers on Greek colonization published by A J Graham over the last forty years Some of these appeared in publications difficult of access They will all now be widely available and thus complement the author's *Colony and Mother City in Ancient Greece* and his two chapters on the subject in *Cambridge Ancient History III* 3 second edition In addition the volume contains one new paper not previously published entitled *Thasian Controversies* The published papers are reproduced unchanged except for the correction of misprints and the original page numbering is indicated All the original figures and illustrations are included There is a comprehensive analytical index

Cult and Koinon in Hellenistic Thessaly Denver Graninger, 2011-07-27 This book explores the territorial expansion of the Thessalian League ca 196-27 BCE the development

of the state religion of the League and the tension between regional political identity and local cult tradition      **Xerxes' Greek Adventure** H.T. Wallinga, 2017-07-31 This volume deals with Xerxes' invasion of Greece 480 B.C. particularly as a naval operation. It examines the traditions preserved by Aeschylus, Herodotus and others against the background of the revolutionary naval developments in the period preceding Xerxes' decision to attack. Among the subjects discussed are the naval pressure on Persian foreign policy, the strength in numbers of the Persian navy in 480, its deployment in the waters of Salamis related to the physical features of the battlefield and the position of the Greeks, Themistokles' legendary message as a key to the Persian plan of attack, the quality of the opposing ships and their tactical capabilities, the battle of Salamis itself and its outcome. The book includes maps and a photograph of the area discussed.      *Annaeana Tragica* John Fitch, 2017-08-28 This volume is a companion to the author's new Loeb edition of Seneca's tragedies vol. 1 2002 vol. 2 2004. It offers reasons for his editorial choices and explains his interpretations of the text as reflected in his translation. Hercules Oetanus and Octavia, now generally regarded as imitations of Senecan drama, are both included. The volume is intended to be read alongside Otto Zwierlein's *Kritische Kommentar* published in 1986. In the intervening years there has been much new work pertaining to Seneca's text, including full-scale editions with commentary on individual plays such as Keulen's *Troades*, Tchterle's *Oedipus* and Ferri's *Octavia*. *Annaeana Tragica* seeks to supplement and advance Zwierlein's work in the light of this new material. An appendix reviews the scholarly controversy concerning the anapaestic odes of these plays and offers fresh evidence relevant to the issue.      **Sophrosyne and the Rhetoric of Self-Restraint** Adriaan Rademaker, 2017-07-31 While of paramount importance to Ancient Greek society, *sophrosyne*, the value of self-restraint, constitutes a notoriously complex concept and provides the speaker of Ancient Greek with a subtle instrument for verbal persuasion. This study provides a new description of the semantics of *sophrosyne* in Archaic and Classical Greek based on a model from the field of cognitive linguistics. Besides, the volume shows how such a semantic description can contribute to the analysis and study of our sources; it investigates how speakers in our texts abuse the term to achieve their ends, covering most of the main texts and culminating in a chapter on the dialogues of Plato.      **Noch einmal zu...** Annette Harder, Remco Regtuit, Peter Stork, Gerry Wakker, 2017-09-18 This volume contains the collected articles of the Groningen Professor of Ancient Greek Stefan Radt and a survey of his publications. These articles, which show great philological acumen, are of considerable importance for the study of ancient Greek literature and linguistics. This collection of distinguished papers will prove a valuable and useful acquisition for libraries and students of ancient Greek.      **The Challenge of Epic** Robert Shorrock, 2017-09-18 Nonnus once vied with Homer for popularity; today his *Dionysiaca* languishes in obscurity. *The Challenge of Epic* offers a literary critical rehabilitation of Nonnus' fifth-century AD poem. It argues that modern neglect stems from a failure to appreciate the central position of allusion in late antique poetry. Attention first focuses on intertextual allusion. It is argued that the poet draws on a plethora of allusions to the cycle of Greek mythology in order to imbue his specific narrative with a universal significance.

Focus then shifts to metapoetic allusion the way in which Nonnus alludes self consciously to the process of writing and develops parallels between himself and his subject Dionysus Through an appreciation of Nonnus allusive strategies the modern reader can again engage with the mind bending challenge of the Dionysiaca **The Role of the Physical**

**Environment in Ancient Greek Seafaring** Jamie Morton,2017-09-18 In this study of the world of ancient Greek mariners the relationship between the natural environment and the techniques and technology of seafaring is focused upon An initial description of the geology oceanography and meteorology of Greece and the Mediterranean is followed by discussion of the resulting sailing conditions such as physical hazards sea conditions winds and availability of shelter and environmental factors in sailing routes sailing directions and navigational techniques Appendices discuss winter and night sailing ship design weather prediction and related areas of socio maritime life such as settlement religion and warfare Wide ranging sources and illustrations are used to demonstrate both how the environment shaped many of the problems and constraints of seafaring and also that Greek mariners understanding of the environment was instrumental in their development of a highly successful seafaring tradition **A Commentary on Quintus of Smyrna, Posthomerica V** Alan James,Kevin

Lee,2017-09-18 The Posthomerica of Quintus of Smyrna is the only surviving Greek epic that gives a full narrative of the Trojan War between the Iliad and the Odyssey Book V covers the contest between Ajax and Odysseus over the armour of Achilles leading to Ajax madness suicide and funeral The book gives balanced treatment to matters of text language literary qualities and sources An introduction discusses the poem s main features The commentary is punctuated by introductions to sections There are indexes of subjects ancient and mediaeval literature and Greek words The work s major areas of interest are influence of the Homeric epics Quintus use of later sources the Trojan War in Greek and Latin literature and Greek cultural history under the Roman Empire This is the first full length commentary on the book *Experiencing Dodona* Diego Chapinal-Heras,2021-03-08 A monograph concerning the sanctuary of Dodona and its role in the political context of Epirus might be a remarkable input Located in a region that has received more interest in the last years this book attempts to analyze the way the shrine evolved in connection with the political developments of its surrounding region The study employs a diachronic perspective and emphasizes throughout that religion was a dynamic not a static phenomenon The chronology of this research extends from the Archaic to Hellenistic periods Its key novelty is that it offers an entirely new holistic approach to an ancient religious site by considering its polyfunctionality At the same time that it presents a state of the art analysis of the shrine of Dodona and contributes with a new theory concerning the function of some structures located in the sacred area it also highlights the close connection between a settlement and its region For this reason the aim is to become a reference work that allows continuing the current trend of studies focused on Epirus a territory traditionally considered as secondary Oral Performance and Its Context Chris Mackie,2017-07-31 This volume is concerned with aspects of orality and literacy in the ancient world It arises from the tremendous contemporary interest among scholars in questions of how

literacy and orality co exist and interact in the ancient world The contents of the book are refereed papers originally presented at the fifth biennial Orality and Literacy in ancient Greece held at The University of Melbourne in 2002 Papers are offered by scholars from Britain the USA Canada and Australia which deal with a range of periods and genres in antiquity from Homer through to Roman literature The book will be of great interest to students and scholars of the ancient world

**Valerius Flaccus, Argonautica, Book I** Aad Kleywegt, 2017-07-31 This work provides a full commentary on the first book of Valerius Flaccus Argonautica an epic which has received increased attention in the last few decades as may be seen from two recent editions 1997 and 2003 Its first aim is to clarify the text which is sometimes rather difficult and in places still not established with certainty Apart from this philological aspect the literary merits of the poem have also been taken into account

**Stesichorus** Schade, 2017-09-18 The work of Stesichoros an ancient Greek poet of the early sixth century B C is transmitted in fragments only This volume contains a new edition of some of the most interesting Stesichoros papyri from the Oxyrhynchus collection The papyri are analysed under various aspects survey of relevant secondary literature introduction about identification and contents of each papyrus including archaeological evidence papyrological description metrics the edition is complete with a Latin critical apparatus translation and detailed commentary A brief general introduction illustrates notorious problems concerning the author the genre etc A bibliography and indices are provided at the end of the volume The book will be welcomed by classicists and papyrologists alike

**Virgil, Aeneid 11** Nicholas Horsfall, 2017-09-18 This is the first comprehensive commentary on Aeneid 11 The commentary treats fully matters of linguistic and textual interpretation metre and prosody grammar lexicon and idiom of Roman behaviour social and ritual as well as Virgil's sources and the literary tradition New critical approaches and developments in Virgilian studies have been taken into account with economy and fairness The Latin text is presented with a facing English translation The commentary is followed by an appendix on Penthesilea and the Epic Cycle and a second appendix which discusses the weaknesses of Aeneid 11 The book concludes with English and Latin indices In approach and learning this commentary continues Nicholas Horsfall's impressive work as a commentator and will advance our understanding of the Aeneid and the poet Virgil

**Ovid Heroides 11, 13 and 14** James Reeson, 2017-09-18 The volume provides a full literary and textual commentary on three of the verse epistles Heroides by the Roman poet Ovid 43 BC AD 17 the letter of Canace to her brother lover Macareus of Laodamia to the war hero Protesilaus and of Hypermetra to Lynceus the cousin whose life she recently spared These three poems together with the letters of Medea recently the subject of a commentary in the same series and Sappho formed the last of Ovid's three books of heroine letters The introduction discusses Ovid's innovative use both of his sources and of the epistolary form A text with selective apparatus is provided for each of the three poems and the detailed commentary is fully indexed

**Apollonius of Perga's Conica** Michael Fried, Sabetai Unguru, 2017-09-18 This volume takes a new look at one of the greatest works of Hellenistic mathematics Apollonius of Perga's Conica It provides a long overdue alternative to H G Zeuthen

s Die Lehre von den Kegelschnitten im Altertum The central part of the volume contains a historically sensitive analysis and interpretation of the entire Conica both from the standpoint of its individual books and of the text as a whole Particular attention is given to Books V VII which have had scant treatment until now Two chapters in the volume concern historiographic issues connected with the Conica in particular and Greek mathematics in general Although the volume is intended primarily for historians of ancient mathematics its approach is fresh and engaging enough to be of interest also to historians philosophers linguists and open minded mathematicians

## **Aitolian Prosopographical Studies Introduction**

In today's digital age, the availability of Aitolian Prosopographical Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Aitolian Prosopographical Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Aitolian Prosopographical Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Aitolian Prosopographical Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Aitolian Prosopographical Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Aitolian Prosopographical Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Aitolian Prosopographical Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free

access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Aitolian Prosopographical Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Aitolian Prosopographical Studies books and manuals for download and embark on your journey of knowledge?

### **FAQs About Aitolian Prosopographical Studies Books**

**What is a Aitolian Prosopographical Studies PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Aitolian Prosopographical Studies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Aitolian Prosopographical Studies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Aitolian Prosopographical Studies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Aitolian Prosopographical Studies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF

viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
