Resources in Education ,1987-10 Like Clouds or Mists Elizabeth A. Oyler,Michael Watson,2014-01-31 This volume is organized to roughly follow the order of events presented in the Kakuichi bon variant of the Heike Essays and translations focus on a series of major events from the Heike Kiyomori s rise the Gi cycle of plays Yoshinaka s push to the capital the flight of the Heike and the battle of Ichi no tani and the aftermath of the war Each event features a series of one to three plays preceded by essays Anatomy and Physiology Textbook Equity College Edition,2014-01-24 Designed for the two semester anatomy and physiology course taken by life science and allied health students **"I'm Just a Comic Book Boy"** Christopher B. Field,Keegan Lannon,Michael David MacBride,2019-02-14 Comics and the punk movement are inextricably linked each has a foundational do it yourself ethos and a nonconformist spirit defiant of authority This collection of new essays provides for the first time a thorough analysis of the intersections between comics and punk The contributors expand the discussion beyond the familiar U S and UK scenes to include the influence punk has had on comics produced in other countries such as Spain and Turkey *National Library of Medicine Current Catalog* National Library of Medicine (U.S.),1965 *Current Catalog* National Library of Medicine (U.S.),1979 First multi year cumulation covers six years 1965 70 Scenario Designer's Handbook (2nd Ed.) Michael Dorosh,2015 Scenario Designer s Handbook ISBN 978 0 9782646 8 0 is intended as a reference for those interested in designing historical scenarios for the Advanced Squad Leader game system The book features 240 full colour pages with a variety of information to assist in force and terrain selection including company battalion and divisional break downs of the major armies that participated in the Second World War Additional chapters deal with scenario lay out publishing researching walk throughs of the design process and discussion regarding the various components of ASL scenarios The 2nd Edition includes an improved layout additional information on various forces Chinese Finns etc and revised appendices with updated map and overlay listing Note the discount price on Lulu is the actual list price this will not change *Indonesian Women and Local Politics* Kurniawati Hastuti Dewi,2015-03-09 In an important social change female Muslim political leaders in Java have enjoyed considerable success in direct local elections following the fall of Suharto in Indonesia Indonesian Women and Local Politics shows that Islam gender and social networks have been decisive in their political victories Islamic ideas concerning female leadership provide a strong religious foundation for their political campaigns However their approach to women s issues shows that female leaders do not necessarily adopt a woman s perspectives when formulating policies This new trend of Muslim women in politics will continue to shape the growth and direction of democratization in local politics in post Suharto Indonesia and will color future discourse on gender politics and Islam in contemporary Southeast Asia *Japanese Film and the Floating Mind* Justin Vicari,2016-06-14 Japanese film is enduringly fascinating challenging and rewarding This book provides a cultural historical and philosophical study of Japanese film from the silent era to the present day focusing on its expansive consciousness The author examines masterpieces by Ozu

Mizoguchi Oshima and many other directors discussing their influence on the Japanese culture of esoteric Zen Buddhism and relating them to recent neuroscientific theories of brain trauma Japan's Administrative Elite B. C. Koh, 2023-11-10 A major player in Japanese society is its government bureaucracy Neither Japan's phenomenal track record in the world marketplace nor its remarkable success in managing its domestic affairs can be understood without insight into how its government bureaucracy works how its elite administrators are recruited socialized and promoted how they interact among themselves and with other principal players in Japan notably politicians how they are rewarded and what happens to them when they retire at a relatively young age Yet despite its pivotal importance there is no comprehensive and up to date study of Japan's administrative elite in the English language This book seeks to fill that gap Koh examines patterns of continuity and change identifies similarities and differences between Japan and four other industrialized democracies the United States Britain France and Germany and assesses the implications of the Japanese model of public management Though many features of Japanese bureaucracy are found in the Western democracies the degree to which they manifest themselves in Japan appears to be unsurpassed Koh shows that the Japanese model of public management contains both strengths and weaknesses For example the price Japan pays for the high caliber of its administrative elite is the stifling rigidity of a multiple track system a system with second class citizens and demoralized non career civil servants who actually bear a lion's share of administrative burden The Japanese experience demonstrates not only how steep the price of success can be but also the enduring effects of culture over structure This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 **The Urban Planetary and Tokyo Modernity** Christophe Thouny, 2023-12-15 The Urban Planetary and Tokyo Modernity Dwelling in Passing analyzes everyday experiences in Tokyo during the 1910s and 1920s showing how urban literature and urban ethnography both tried to come to terms with an emerging planetary situation defined by both ongoing movement and an intensification of local experiences This book argues that modern urban experiences are not primarily a question of alienation consumerism or national life but first one of dwelling and in particular a dwelling in passing Looking at the work of the Japanese urban ethnographer Kon Wajiro in relation to early 20th century literary mappings of Tokyo in Japanese literature such as Mori Ogai's 1912 novel Youth to Tayama Katai's 1916 The Tokyo Near Suburb Christophe Thouny argues for the need to reconsider these texts in terms of a speculative genealogy of local answers to an insistent planetary situation **The Japanese Cinema Book** Hideaki Fujiki, Alastair Phillips, 2020-05-28 The Japanese Cinema Book provides a new and comprehensive survey of one of the world's most fascinating and widely admired filmmaking regions In terms of its historical coverage broad thematic approach and the significant international range of its authors it is the largest and most wide

ranging publication of its kind to date Ranging from renowned directors such as Akira Kurosawa to neglected popular genres such as the film musical and encompassing topics such as ecology spectatorship home movies colonial history and relations with Hollywood and Europe The Japanese Cinema Book presents a set of new and often surprising perspectives on Japanese film With its plural range of interdisciplinary perspectives based on the expertise of established and emerging scholars and critics The Japanese Cinema Book provides a groundbreaking picture of the different ways in which Japanese cinema may be understood as a local regional national transnational and global phenomenon The book s innovative structure combines general surveys of a particular historical topic or critical approach with various micro level case studies It argues there is no single fixed Japanese cinema but instead a fluid and varied field of Japanese filmmaking cultures that continue to exist in a dynamic relationship with other cinemas media and regions The Japanese Cinema Book is divided into seven inter related sections Theories and Approaches Institutions and Industry Film Style Genre Times and Spaces of Representation Social Contexts Flows and Interactions

Innovation in Real Places Dan Breznitz, 2021 All cities and regions prioritize economic growth for a simple reason it is essential to wellbeing and progress But what are the sources of growth The eminent scholar of innovation Dan Breznitz contends that the answer lies in global supply networks In Innovation in Real Places he examines the four stages of production and argues that struggling regions cannot improve their circumstances by imitating tech centric economies Rather they need to develop their own strengths and they can do this by focusing on where they best fit in a globalized production system All cities and localities have certain strengths and the trick is in recognizing it

Buddhist studies archaeology and art history Authentic Replicas vividly conveys how replication lay at the heart of Buddhist worship in medieval China offering a new understanding of how religious belief guided the artistic output of an entire age

An Imperial Concubine's Tale G. G. Rowley, 2013 Japan in the early seventeenth century was a wild place Serial killers stalked the streets of Kyoto at night while noblemen and women mingled freely at the imperial palace drinking sak and watching kabuki dancing in the presence of the emperor's principal consort Among these noblewomen was an imperial concubine named Nakanoin Nakako who in 1609 became embroiled in a sex scandal involving both courtiers and young women in the emperor's service As punishment Nakako was banished to an island in the Pacific Ocean but she never reached her destination Instead she was shipwrecked and spent fourteen years in a remote village on the Izu Peninsula before she was finally allowed to return to Kyoto In 1641 Nakako began a new adventure she entered a convent and became a Buddhist nun Recounting the remarkable story of this resilient woman and her war torn world G G Rowley investigates aristocratic family archives village storehouses and the records of imperial convents She follows the banished concubine as she endures rural exile receives an unexpected reprieve and rediscovers herself as the abbess of a nunnery While unraveling Nakako's unusual tale Rowley also reveals the little known lives of samurai women who sacrificed themselves on the fringes of the great battles that brought an end to more than a century of civil war Written with keen insight and genuine affection An Imperial Concubine's Tale tells the true story of a woman's extraordinary life in seventeenth century Japan
