Jewish Antifascism and the False Promise of Settler Colonialism Max Kaiser, 2022-10-29 This book takes a timely look at histories of radical Jewish movements their modes of Holocaust memorialisation and their relationships with broader anti colonial and anti racist struggles Its primary focus is Australia where Jewish antifascism was a major political and cultural force in Jewish communities in the 1940s and early 1950s This cultural and intellectual history of Jewish antifascism utilises a transnational lens to provide an exploration of a Jewish antifascist ideology that took hold in the middle of the twentieth century across Jewish communities worldwide It argues that Jewish antifascism offered an alternate path for Jewish politics that was foreclosed by mutually reinforcing ideologies of settler colonialism both in Palestine and Australia *Dirty Secrets* Meredith Burgmann, 2014-05-01 In this moving funny and sometimes chilling book leading Australians open their ASIO files and read what the state s security apparatus said about them Writers from across the political spectrum including Mark Aarons Phillip Adams Nadia Wheatley Michael Kirby Peter Cundall Gary Foley and Anne Summers confront and in some cases reclaim their pasts Reflecting on the interpretations observations and proclamations that anonymous officials make about your personal life is not easy Yet we see outrage mixed with humour not least as ASIO officers got basic information wrong a lot of the time though many writers have to contend with personal betrayal Some reflect on the way their political views have or haven t changed Meredith Burgmann and all those who were spied on have produced an extraordinary book where those being watched look right back **Chinese in Australian Fiction, 1888-1988** , *Chasing the Light* Oliver Stone, 2020 In this powerful and evocative memoir Oscar winning director and screenwriter Oliver Stone takes us right to the heart of what it s like to make movies on the edge In *Chasing The Light* he writes about his rarefied New York childhood volunteering for combat and his struggles and triumphs making such films as *Platoon* *Midnight Express* and *Scarface* Before the international success of *Platoon* in 1986 Oliver Stone had been wounded as an infantryman in Vietnam and spent years writing unproduced scripts while taking miscellaneous jobs and driving taxis in New York finally venturing westward to Los Angeles and a new life Stone now 73 recounts those formative years with vivid details of the high and low moments we sit at the table in meetings with Al Pacino over Stone s scripts for *Scarface* *Platoon* and *Born on the Fourth of July* relive the harrowing demon of cocaine addiction following the failure of his first feature *The Hand* starring Michael Caine experience

his risky on the ground research of Miami drug cartels for Scarface and see his stormy relationship with The Deer Hunter director Michael Cimino We also learn of the breathless hustles to finance the acclaimed and divisive Salvador and witness tensions behind the scenes of his first Academy Award winning film Midnight Express The culmination of the book is the extraordinarily vivid recreation of filming Platoon in the depths of the Philippine jungle with Kevin Dillon Charlie Sheen Willem Dafoe Johnny Depp et al pushing himself the crew and the young cast almost beyond breaking point Written fearlessly with intense detail and colour Chasing the Light is a true insider's story of Hollywood's years of upheaval in the 1970s and 80s and Stone brings this period alive as only someone at the centre of the action truly can *I'm Talking* Kate Ceberano, Tom Gilling, 2014-03-25 For the first time Kate Ceberano one of Australia's best loved entertainers shares her story In her own unmistakeable voice Kate Ceberano takes us on a very personal journey from her suburban childhood her immersion in the Melbourne club scene of the eighties and her rise to stardom at the age of fourteen when she fronted the wildly popular funk band I m Talking to the life of a female performer and recording artist in London Los Angeles and New York With parallel careers as a pop and jazz singer and songwriter Kate has received the highest awards in the Australian music industry including the ARIA for Best Female Artist She has delighted audiences in Harry M Miller's hugely successful Jesus Christ Superstar won a legion of fans when she won Dancing with the Stars and made a triumphant debut for Opera Australia in South Pacific Now she reveals for the first time just what that was like People have been talking about Kate Ceberano since she was a teenager Hugh Jackman described her as having truly one of the great voices this country has produced for Rolling Stone she is pure soulful and powerful Now Kate is talking for herself Accompanied by never before seen photos *Video Games between Postcolonialism and Postcommunism* Andrei Nae, 2025-12-14 Although in recent years there has been a growing interest in the racial politics of video games the wider context of colonialism is yet to benefit from the same level of academic consideration Moreover when colonialism is tackled directly the approach is limited to a Global North Global South or West East binary that does not do justice to the multiple forms of colonality that have existed around the world This volume sets out to fill the existing gap in scholarship on colonialism in video games by featuring a collection of essays that together provide insight into the complex ramifications of colonality and its multiple intersecting power structures not only in video games of the Global North Global South or West East divides but also in regions traditionally overlooked by postcolonial theory One such region that this volume focuses on is Eastern Europe and its postcommunist contexts that intersect with colonality in video games produced inside or outside the region Through its methodological diversity and non provincial understanding of colonial power relations the present volume will offer scholars and students of game studies and area studies a rich perspective on video games entanglement with colonial legacies *APAIS, Australian Public Affairs Information Service*, 1979 Vol for 1963 includes section Current Australian serials a subject list *The Two Little Birds* Bruce Merewether, 2024-12-06 Immerse yourself in a gripping novel set against the stunning backdrop of rural
