Transform Your Life with Meditation David Filaber,2013-05 Throughout the ages on every continent on earth there have been people who seek the truth and many were able to devote their lives to finding the truth about the meaning of life These people were aware that there is something more than meets the eye Their courage and dedication enabled them to awaken from the illusion of the world around them Using meditation to release the mind from the external world of illusions they are able to wake up from the illusion of the outside world How does one find the truth about the nature of one's own existence How does one see what cannot be seen with the naked eye How does one wake up from the illusions surrounding us This book is a great choice both for those who are looking for comprehensive knowledge of the benefits of meditation and those who are simply curious about what meditation is This book is designed for people who are reflecting on their own life Open it and you will attract yourself to internal reflection This book shows the benefits of meditation and how it can improve the quality of your mental health and ultimately your life This book illustrates what meditation truly is and is based on the combined years of experience of the famous masters of meditation Hopefully you will find it a source of inspiration [Alan Watts](#) [Here and Now](#) Peter J.
