Albertanus of Brescia

The Pursuit of Happiness in the Early Thirteenth Century

James M. Powell

Albertanus Of Brescia

Richard K. Emmerson

Albertanus Of Brescia:

Albertanus of Brescia James M. Powell, 2016-11-11 Albertanus of Brescia is an important figure in the cultural history of late medieval and Renaissance Italy. He is best known among literary scholars for the influence of his writings on Brunetto Latini, John Gower, and Geoffrey Chaucer. In addition, his sermons have received attention as part of the history of lay confraternities and lay preaching in the twelfth and thirteenth centuries. James M. Powell shows that Albertanus's contributions considerably surpass even these notable attainments. Powell contends that Albertanus was an original social theorist who drew on his experience with religious confraternities and with the law to develop a theory of consent. Albertanus developed the idea that society rested on voluntary acceptance of a rule much as did religious life. This acceptance laid the foundation for social cohesion and legal enforcement. Albertanus's ideas were to find great prominence in the later Middle Ages. Powell's purpose in writing *Albertanus of Brescia* goes beyond the study of his eponymous subject. Through Albertanus, Powell examines how major developments of the twelfth century began to find expression in the mind of an early thirteenth-century secular thinker. In Albertanus, Powell perceives an individual bringing received bookish authority into confrontation with lived experience. To Powell, the example of Albertanus suggests a much more complex picture of medieval approaches to social theory than that previously evident in the literature. This is the first book-length study of Albertanus and his works. It will be of particular interest to students and scholars of medieval Italian intellectual and literary history and political theory.

The De Arte Loquendi Et Tacendi of Albertanus of Brescia Albertano (da Brescia), William Raymond Johnson, 1974

Key Figures in Medieval Europe Richard K. Emmerson, 2013-10-18 From emperors and queens to artists and world travelers, from popes and scholars to saints and heretics, *Key Figures in Medieval Europe* brings together in one volume the most important people who lived in medieval Europe between 500 and 1500. Gathered from the biographical entries from the ongoing series *The Routledge Encyclopedias of the Middle Ages*, these A-Z biographical entries discuss the lives of over 575 individuals who have had a historical impact in such areas as politics, religion, or the arts. Individuals from places such as medieval England, France, Germany, Iberia, Italy, and Scandinavia are included, as well as those from the Jewish and Islamic worlds. A thematic outline is included that lists people not only by categories but also by regions. For a full list of entries, contributors, and more, visit the *Routledge Encyclopedias of the Middle Ages* website. *The Oxford Chaucer* Christopher Cannon, James Simpson, 2025-10-02 This authoritative edition of the complete works of Geoffrey Chaucer presents Chaucer's works for a new generation of students and for a wide range of general readers. It provides all that undergraduates and graduate students will need to understand and appreciate Chaucer in his original Middle English, as well as an extensive scholarly apparatus. A detailed introduction situates Chaucer's works in his life and culture and offers a guide on how to read and enjoy his language and verse forms. The edition contains all of Chaucer's surviving poetry and prose, edited using a coherent editorial practice that is explained to the reader. Detailed glosses on each line to aid reading, literary introductions to

each text extensive explanatory notes designed both to help the beginner with the text and to guide the scholar and textual introductions and notes to every text providing a detailed rationale and all of the empirical evidence for the editing practice by which the texts have been presented **The Case for Women in Medieval Culture** Alcuin Blamires,1998-08-27

Misogyny is of course not the whole story of medieval discourse on women medieval culture also envisaged a case for women But hitherto studies of profeminine attitudes in that periods culture have tended to concentrate on courtly literature or on female visionary writings or on attempts to transcend misogyny by major authors such as Christine de Pizan and Chaucer This book sets out to demonstrate something different that there existed from early in the Middle Ages a corpus of substantial traditions in defence of women on which the more familiar authors drew and that this corpus itself consolidated strands of profeminine thought that had been present as far back as the patristic literature of the fourth century The Case for Women surveys extant writings formally defending women in the Middle Ages breaks new ground by identifying a source for profeminine argument in biblical apocrypha offers a series of explorations of the background and circulation of central arguments on behalf of women and seeks to situate relevant texts by Christine de Pizan Chaucer Abelard and Hrotsvitha in relation to these arguments Topics covered range from the privileges of women and pro Eve polemic to the social and moral strengths attributed to women and to the powerful models frequently disruptive of patriarchal complacency presented by Old and New Testament women The contribution made by these emphases which are not to be confused with feminism in a modern sense to medieval constructions of gender is throughout critically assessed and the book concludes by asking how far defenders were controlled by or able to query assumptions about what was natural and therefore imagined inflexible in gender theory **The Unruly Tongue** Melissa Vise,2025-01-21

A cultural history of speech in medieval Italy The Unruly Tongue a cultural history of speech in medieval Italy offers a new account of how the power of words changed in Western thought Despite the association of freedom of speech with the political revolutions of the eighteenth century that ushered in the era of modern democracies historian Melissa Vise locates the history of the repression of speech not in Europe s monarchies but rather in Italy s republics Exploring the cultural process through which science and medicine politics law literature and theology together informed a new political ethics of speech Vise uncovers the formation of a moral code where the regulation of the tongue became an integral component of republican values in medieval Europe The medieval citizens of Italy s republics understood themselves to be wholly subject to the power of words not because they lived in an age of persecution or doctrinal rigidity but because words had furnished the grounds for their political freedom Speech making was the means for speaking the republic itself into existence against the opposition of aristocracy empire and papacy But because words had power they could also be deployed as weapons Speech contained the potential for violence and presented a threat to political and social order and thus needed to be controlled Vise shows how the laws that governed and curtailed speech in medieval Italy represented broader cultural understandings of human susceptibility to speech Tracing anthropologies of

speech from religious to political discourse from civic courts to ecclesiastical courts from medical texts to the works of Dante and Boccaccio *The Unruly Tongue* demonstrates that the thirteenth century marked a major shift in how people perceived the power and the threat of speech a change in thinking about what words do **The Papacy, Frederick II and Communal Devotion in Medieval Italy** James M. Powell, edited by Edward Peters, 2024-10-28 Of the twenty five essays in this volume most were published between 1961 and 2013 but four are printed here for the first time They represent the work of a great and original scholar in Mediterranean history whose unflagging interest in Frederick II and his world consistently led him out into broader fields which he always viewed in original ways In an age often called that of papal monarchy and secular minded rulers Powell found popes with complex agendas and extensive pastoral concerns a rather more Christian Frederick II the human personnel and mechanics of the Fifth Crusade the sermons of the devout urban layman Albertanus of Brescia and Muslims under Christian rule His studies here assert a continuity between the pontificates of Innocent III and Honorius III as well as the pragmatic necessity that only secular rulers could launch and direct crusading expeditions His interest in the northern Italian communes relates their devotional culture to the ideals of virtuous government and communal identity The devotional culture of the communes was to be the subject of his next book now unfinished several parts of it could be rescued and are now included here Die Kartause als Text-Raum mittelalterlicher Mystik-Rezeption Gilbert Fournier, Balázs J. Nemes, 2023 Die Frage nach dem Verhältnis von Kartusern und Mystik wird im vorliegenden Band auf der Basis der Überlieferung jener mystischen Bücher behandelt die in einzelnen Kartausen faktisch vorhanden waren Was dabei interessiert ist der Umgang mit diesen Büchern im Kontext der für den Orden bzw für einzelne Kartausen spezifischen Wissensdiskurse Schreibpraktiken und Überlieferungskonstellationen Die Beiträge decken mit *theologia mystica revelationes* und *meditationes* gerade jene Bereiche ab die auch für die moderne Diskussion um die Definition eines mystischen Textcorpus relevant sind Medieval Italy Katherine L. Jansen, Joanna Drell, Frances Andrews, 2011-09-21 *Medieval Italy* gathers together an unparalleled selection of newly translated primary sources from the central and later Middle Ages a period during which Italy was famous for its diverse cultural landscape of urban towers and fortified castles the spirituality of Saints Francis and Clare and the vernacular poetry of Dante Petrarch and Boccaccio The texts highlight the continuities with the medieval Latin West while simultaneously emphasizing the ways in which Italy was exceptional particularly for its cities that drove Mediterranean trade its new communal forms of government the impact of the papacy's temporal claims on the central peninsula and the richly textured religious life of the mainland and its islands A unique feature of this volume is its incorporation of the southern part of the peninsula and Sicily the glittering Norman court at Palermo the multicultural emporium of the south and the kingdoms of Frederick II into a larger narrative of Italian history Including Hebrew Arabic Greek and Lombard sources the documents speak in ethnically and religiously differentiated voices while providing wider chronological and geographical coverage than previously available Rich in interdisciplinary texts and organized to enable the

reader to focus by specific region topic or period this is a volume that will be an essential resource for anyone with a professional or private interest in the history religion literature politics and built environment of Italy from ca 1000 to 1400

The Palgrave Literary Dictionary of Chaucer M. Andrew,2016-01-18 This study aims to provide readers with a convenient source of reliable scholarly and accessible information on Chaucer s work life and times Topics include Chaucer s works major fictional characters social and political contexts writers who influenced Chaucer or influenced by him people and places of significance in Chaucer s life **The CANTERBURY TALES and the Good Society** Paul A. Olson,2014-07-14

Paul Olson argues that Chaucer s narratives emerge from his deep concern about the crises of late fourteenth century England and his vision of the renewal of that troubled society through the ideal of parlement the various orders of society speaking together and through a perfective religious discipline Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Andreas Capellanus, Scholasticism, and the Courtly Tradition Don A. Monson,2005-11 This book the first study in English devoted entirely to Andreas Capellanus s *De Amore* presents a comprehensive inquiry into the influence of scholasticism on the structure and organization of the work applying methods of medieval philosophy and intellectual history to an important problem in medieval literary studies **Hoccleve's Regiment of Princes** Nicholas Perkins,2001 In this study of Hoccleve s

Regiment of Princes Perkins argues that despite the view of Hoccleve s politics and poetics as conventional servile and naive it is in fact deeply engaged in the political and literary currents of the early 15th century Rival Wisdoms Nancy Mason Bradbury,2024-02-20 In this elegantly written study Nancy Mason Bradbury situates Chaucer s last and most ambitious work in the context of a zeal for proverbs that was still rising in his day *Rival Wisdoms* demonstrates that for Chaucer s contemporaries these tiny embedded microgenres could be potent disruptive and sometimes even incendiary In order to understand Chaucer s use of proverbs and their reception by premodern readers we must set aside post Romantic prejudices against such sayings as prosaic and unoriginal The premodern focus on proverbs conditioned the literary culture that produced the *Canterbury Tales* and helped shape its audience s reading practices Aided by Thomas Speght s notations in his 1602 edition Bradbury shows that Chaucer acknowledges the power of the proverb reflecting on its capacity for harm as well as for good and on its potential to expand and deepen but also to regulate and constrict the meanings of stories Far from banishing proverbs as incompatible with the highest reaches of poetry Chaucer places them at the center of the liberating interpretive possibilities the *Canterbury Tales* extends to its readers Revelatory and persuasive this book will appeal to scholars and students of medieval and early modern English literature as well as those interested in proverbs and the

Canterbury Tales **"der schlecht weg zuo dem himelrich"** Arnold Otto,2005 *Pope, church, and city [electronic resource]* Frances Andrews,Brenda M. Bolton,Christoph Egger,Constance M. Rousseau,2004-01-01 This volume of essays covers themes which are central to the work of Brenda Bolton as a scholar and teacher Innocent III the city of Rome the medieval Church and the urban context of the Italian peninsula in the late Middle Ages *Uncollected Essays* D. W. Robertson,2017-07-13 Foreword by Paul A Olson Buzones Etymology The Manuel des P ch s Classical Origin of Circumstances in the Medieval Confessional The Cultural Tradition of Handlyng Synne Marie de France Lais Cumhthach Labhras an Lonsa Chaucerian Tragedy St Foy among the Thorns Amors de terra lonhdana De Amore of Andreas Capellanus Why the Devil Wears Green On Conjointure The Book of the Duchess Chaucer Criticism And for my land thus hastow mordred me Chaucer and the Commune Profit The Manor The Intellectual Artistic and Historical Context Religion and Stylistic History Simple Signs from Everyday Life Chaucer and Christian Tradition The Wife of Bath and Midas Date and Purpose of Troilus Who Were The People Economic and Social Consequences of the Plague Probable Date and Purpose of Knight s Tale The Physician s Comic Tale Wisdom and The Manciple s Tale Language, Linguistics and Middle English Literature Elizabeth Allen,Catherine Sanok,2025-03-18 Explores the intersections between two fundamental approaches to medieval literature shedding new light on texts ranging from The Canterbury Tales to Le Morte Darthur This volume identifies new methods and questions for language based approaches to medieval English literature and literature based approaches to Middle English by identifying philology as a cross disciplinary practice shared by literary scholarship and linguistics How can late medieval cultural perception and social participation be illuminated by literary language What can language forms tell us about the experience of England s multilingual landscape Contributors trace the relay between imaginative literature and an expanding Middle English lexicon the literary affordances of phonological and morphological features of Middle English and the way that medieval literature engaged with its multilingual sources Essays also consider how social authority is negotiated in language with a particular focus on highly charged words such as corruption instability and treason and highly charged phenomena such as language contact allusion and genre experiments Together they show that literary and linguistic approaches may inform each other to open new avenues of research on a wide variety of texts including Chaucer s The Canterbury Tales and Troilus and Criseyde Malory s Le Morte Darthur Gower s Confessio Amantis Lydgate s Reson and sensuallyte and Hoccleve s Regement of Princes The volume thus pays tribute to the influence on both fields of distinguished medievalist Karla Taylor **Sonic Bodies** Tekla Bude,2022-03-22 What is the body when it performs music And what conversely is music as it reverberates through or pours out of a performing body Tekla Bude starts from a simple premise that music requires a body to perform it to rethink the relationship between music matter and the body in the late medieval period Progressing by way of a series of case studies of texts by Richard Rolle Walter Hilton Margery Kempe Geoffrey Chaucer William Langland and others Bude argues that writers thought of music and the body not as separate

objects or ontologically prior categories but as mutually dependent and historically determined processes that called each other into being in complex and shifting ways For Bude these sonic bodies are often unexpected peculiar even bizarre and challenge our understanding of their constitutive parts Building on recent conversations about embodiment and the voice in literary criticism and music theory *Sonic Bodies* makes two major interventions across these fields first it broadens the definitional ambits and functions of both music and the body in the medieval period and second it demonstrates how embodiment and musicality are deeply and multiply intertwined in medieval writing Compelling literary subjects Bude argues are literally built out of musical situations *The Yale Companion to Chaucer* Seth Lerer, 2006-01-01 A collection of essays on Chaucer's poetry this guide provides up to date information on the history and textual contexts of Chaucer's work on the ranges of critical interpretation and on the poet's place in English and European literary history

Albertanus Of Brescia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Albertanus Of Brescia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Albertanus Of Brescia has opened up a world of possibilities. Downloading Albertanus Of Brescia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Albertanus Of Brescia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Albertanus Of Brescia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Albertanus Of Brescia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Albertanus Of Brescia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Albertanus Of Brescia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Albertanus Of Brescia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Albertanus Of Brescia is one of the best book in our library for free trial. We provide copy of Albertanus Of Brescia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Albertanus Of Brescia. Where to download Albertanus Of Brescia online for free? Are you looking for Albertanus Of Brescia PDF? This is definitely going to save you time and cash in something you should think about.
