The artist and entrepreneur Albrecht Durer lived in Germany in the early 1500s when two storms were threatening the Holy Roman Empire First Suleiman the Magnificent and his army of Ottoman Turks were expanding from Constantinople to Vienna the doorstep of Europe Second Martin Luther a German monk and professor wrote his Ninety Five Theses identifying corruption within the Roman Catholic Church This challenged the authority of both Emperor Charles V and Pope Leo X who responded by accusing Luther of heresy Albrecht Durer influenced art and media throughout Europe as strongly as Martin Luther influenced people's views of life death and their relationship with God Durer's art and writing reveal how this creative and thoughtful man responded to the changes offered by Luther Why was Durer so attracted to Luther's writings Why would he risk being accused of being a heretic Both of these men inspired changes in art religion and politics that still underlie the foundation of today's social structures and Western culture **Albrecht Dürer** David Ekserdjian, 2023-07-25 An exploration of the life and works of German artist Albrecht Durer and his self obsession The Italian Renaissance birthed the modern sense of self and no artist from the period compares with Albrecht Durer 1471-1528 in terms of the almost obsessive interest he displayed in his own life Durer's works are filled with personal details from his day to day his dreams and his escapades In this brief biography David Ekserdjian explores Durer's life and times his studies travels and influences as well as his paintings drawings and prints This book is essential reading for anyone interested in Renaissance or Northern European art

Realism and Invention in the Prints of Albrecht Dürer David R. Smith, 1995 Albrecht Dürer John Berger, Albrecht Dürer, 1994 Documents the works of this Medieval artist *Albrecht Dürer and artworks* Victoria Charles, 2022-12-06 Durer is the greatest of German artists and most representative of the German mind He like Leonardo was a man of striking physical attractiveness great charm of manner and conversation and mental accomplishment being well grounded in the sciences and mathematics of the day His skill in draughtsmanship was extraordinary Durer is even more celebrated for his engravings on wood and copper than for his paintings With both the skill of his hand was at the service of the most minute observation and analytical research into the character and structure of form Durer however had not the feeling for abstract beauty and ideal grace that Leonardo possessed but instead a profound earnestness a closer interest in humanity and a more dramatic invention Durer was a great admirer of Luther and in his own work is the equivalent of what was mighty in the Reformer It is very serious and sincere very human and addressed the hearts and understanding of the masses Nuremberg his hometown had become a great centre of printing and the chief distributor of books throughout Europe Consequently the art of engraving upon wood and copper which may be called the pictorial branch of printing was much encouraged Of this opportunity Durer took full advantage The Renaissance in Germany was more a moral and

intellectual than an artistic movement partly due to northern conditions The feeling for ideal grace and beauty is fostered by the study of the human form and this had been flourishing predominantly in southern Europe But Albrecht Dürer had a genius too powerful to be conquered He remained profoundly Germanic in his stormy penchant for drama as was his contemporary Mathias Gr newald a fantastic visionary and rebel against all Italian seductions Dürer in spite of all his tense energy dominated conflicting passions by a sovereign and speculative intelligence comparable with that of Leonardo He too was on the border of two worlds that of the Gothic age and that of the modern age and on the border of two arts being an engraver and draughtsman rather than a painter

The Engravings of Albrecht Dürer Lionel Cust, 1897 **The Art of Albrecht Dürer** Heinrich Wölfflin, **Great Woodcuts of Albrecht Dürer** Albrecht Dürer, Carol Belanger Grafton, 2004-05-25 This modestly priced edition offers an ideal introduction to Dürer's work comprising images both sacred and secular Scenes from the lives of Jesus and the saints and episodes from the Old Testament appear alongside a variety of subjects The 85 black and white illustrations feature brief captions with basic information regarding titles and dates
