Alcoholism Kathleen Whalen FitzGerald,1993 **Narratives of Addiction** Kevin McCarron,2022-01-03 Narratives of Addiction Savage Usury is the first book to argue in the face of more than a century's received wisdom that drug addiction and alcoholism are undoubtedly evidence of individual moral flaws However the sense of morality that underlies this book is completely severed from Christianity Instead it is influenced in particular by the writings of the nineteenth century German philosophers Arthur Schopenhauer and Frederick Nietzsche both of whom insisted that a genuine morality was actually incompatible with Christianity The sequence of chapters moves from addictions on the streets into rehab clinics and finally into the meetings of Alcoholics Anonymous and Narcotics Anonymous This is the first book to argue that the search for pleasure drives alcoholism and drug addiction and not the numbing of pain Throughout the book I reject the claims of the medical profession as embodied by the American Medical Association that drug addiction and alcoholism are diseases and further argue that they do not have the authority to tell hundreds of millions of Americans that addiction is not a moral failing I also query throughout the book the claims of neuroscience psychology and the social sciences that addictions to alcohol and drugs are attributable to causes that their specific disciplines are best suited to understand I argue that there is nothing complex about addiction it is a simple behavioural disorder The language routinely employed to discuss addiction is similarly not complex just confused and so it is also the rhetoric of addiction discourse especially its use of simile metaphor and euphemism that this book evaluates Avoiding Mr. Wrong Stephen Arterburn,Margaret Rinck,2001-09-02 You know the man He's the one who looks good at a glance but not so good once you get to know him What kind of women fall for him and why What are the chances he will change And what if you've already married him More than just a checklist of men to steer clear of Avoiding Mr Wrong is a powerful tool to help women learn more about themselves and the Mr Wrongs to whom they often feel drawn Those men include The Control Freak The Mama's Boy The Cowardly Lion The Ungodly Man and Mr Wonderful Complete with a diagnostic quiz and quick reference lists Avoiding Mr Wrong is ideal for women whose hopes have been dashed again and again by a seemingly promising relationship The book helps them to see more clearly think more rationally and act more wisely in the pursuit of Mr Right Class 10 Biology Questions and Answers PDF Arshad Iqbal, The Class 10 Biology Quiz Questions and Answers PDF Grade 10 Biology Competitive Exam Questions Chapter 1 10 Practice Tests Class 10 Biology Textbook Questions for Beginners includes revision guide for problem solving with hundreds of solved questions Class 10 Biology Questions and Answers PDF book covers basic concepts analytical and practical assessment tests Class 10 Biology Quiz PDF book helps to practice test questions from exam prep notes The Grade 10 Biology Quiz Questions and Answers PDF eBook includes revision guide with verbal quantitative and analytical past papers solved tests Class 10 Biology Questions and Answers PDF Free download chapter 1 a book covers solved common questions and answers on chapters Biotechnology coordination and control gaseous exchange homeostasis inheritance internal environment
