Aldair The Legion Of Beasts:

Aldair, the Legion of Beasts Neal Barrett, Jr., 2016-02-11 One of the strangest adventurers in the history of science fiction It is millennia from now and mankind has vanished from the Earth under mysterious circumstances But he has left a legacy behind him a host of intelligent species artificially enhanced by means of humanity's genetic science Aldair is one such product an intelligent upright pig **Aldair, the Legion of Beasts [eBook - Biblioboard]** Neal Barrett, 2016 One of the strangest adventurers in the history of science fiction It is millennia from now and mankind has vanished from the Earth under mysterious circumstances But he has left a legacy behind him a host of intelligent species artificially enhanced by means of humanity's genetic science Aldair is one such product an intelligent upright pig *Aldair, Across the Misty Sea* Neal Barrett, Jr., 2016-02-11 For his world and ours are the same but his lies in the future and seems destined to parallel the history of our own Where is humanity What legacy has true mankind left to its manlike descendants that they must relive our past For Aldair has been forced into the role of a future Magellan who must travel down the coasts of unmapped continents facing monsters winged wizards and great dangers to find a knowledge older than the history of his entire race

Encyclopedia of Science Fiction Don D'Amassa, 2015-04-22 Presents articles on the science fiction genre of literature including authors themes significant works and awards **Future and Fantastic Worlds** Sheldon Jaffery, 1987-01-01 Future and Fantastic Worlds embodies an unusual approach to the field of bibliographic research including over 700 annotations of every DAW book published through mid 1987 with indexes by author artist and title providing a massive guide to modern SF writers and their works with much background data Interspersed throughout the book are numerous wry irreverent and amusing observations offered by the late and highly respected researcher in this extremely valuable genre tool *Other Seasons* Neal Barrett, Jr., 2021-03-20 Reading one of his stories is a trip through different seasons different doors Neal Barrett Jr answers sometimes to a number of names Odd Weird Gonzo and as a former collection points out Slightly Off Center Barrett is all of the above and more From readers who have followed his career come accolades such as brilliant unique sheer genius Other writers respect his status as a master of words his ability to weave rhythm and poetry into his tales Barrett jumps in and out of genres at will or simply invents one of his own He likes to bring his favorite characters together and see what they'll do Neal Barrett Jr has made a special effort to give us a number of dark funny and hopefully impossible views of the future Clearly Nostrodamus missed the boat Read and enjoy Stories included in this collection Grandfather Pelts Tony Red Dog The Last Cardinal Bird in Tennessee Hit Rhido Wars Slidin Radio Station St Jack Tourists Getting Dark The Heart Limo *Skinny Annie Blues* Neal Barrett, Jr., 2021-03-21 Feckless reckless freelance artist Wiley Moss returns in a new mystery by the author of Pink Vodka Blues Wiley is summoned to Galveston when the father he hasn't seen in 19 years turns up dead and soon finds himself on a roller coaster ride that starts off with simple armed robbery escalates to murder and could if he's not very very lucky cost him his life *Daniel Boone: Westward Trail* Neal Barrett,

Jr.,2016-05-22 The wilderness It was a brutal force a powerful magnet drawing Boone away from the woman he loved and the children he fathered into the savage unknown Rebecca Boone watched him go and waited for his return her heart aching and filled with passion not knowing that another man waited nearby ready to take her into his arms and all the while the dream of a promised land turned into a nightmare of personal torment as the lone frontiersman blazed his way along the WESTWARD TRAIL

The Treachery of Kings Neal Barrett, Jr.,2016-10-16 In a magical world where animals have been given human form and chaos can often be the nature of the day some universal truths remain Like the futility of war and the foolishness of leaders And of course the lingering prejudice against the Newlies the humanized animals But Master Lizard Maker Finn has no quarrel with creatures of any sort Just returned from a highly traumatic vacation he wants nothing more than a period of prolonged peace with his fetching Newlie lover Letitia and his greatest creation a sassy mechanical lizard named Julia Jessica Slagg But the Fates in the form of the capricious Prince of Fyxedia have other plans in store for Finn Fyxedia s leader has commissioned Finn to build a fantastical lizard timepiece for his archrival the mysterious King of Heldessia an odd enough request since Fyxedia and Heldessia have been at war for 700 years Worse Finn has been ordered to deliver the clock himself a mission that involves flying over the war zone in a rickety and badly patched balloon Finn can hardly refuse the commission but the journey is the least of his problems For Heldessia is a land as odd as any he s encountered and he can t help but wonder what foul plot these monarchs have in store for each other How can one lone lizard maker his lover and his mechanical creation foil a plot they don t even understand and still manage to come out of it alive *The Prophecy Machine*

Neal Barrett, Jr.,2016-06-11 Hooters Hatters and menacing evil Even in a mystical world where centuries ago animals were magically changed into humans the land of Makasar us considered strange Its two major religions are Hatters and Hooters During the day Hatters wearing hats of course wander about jabbing pointy sticks into bystanders The night is ruled by the Hooters who hoot and set fire to people and things Hospitality is considered a capital crime And Newlies the humanize animals are treated lower than scum So when Finn the Master Lizard Maker finds himself stranded in Makasar along with his lover an attractive Newlies named Letitia and the grandest most magical creation of his illustrious career a talking thinking rather cantankerous mechanical lizard named Julia Jessica Slagg his first thought is a quick exit But the Nuccis strongman son mad father and ever madder grandfather have other plans for Finn and his loyal companions There s an odd machine in their basement that needs fixing and who better to do it than a Master Lizard Maker There s more here than meets the eye however and Finn soon realizes that the future he faces could be very dark indeed *Kelwin* Neal Barrett, Jr.,2016-08-19

ARCHAIC From the Great Midsee to the two Calfrei s the year 2906 saw Nordland in upheaval There were rumors of war as the pseudo Sioux pushed south from the Indian confederation in a strange alliance with the yellow skinned wizards of Hunan far to the North and for the first time since the Disaster of a thousand years earlier all of Nordland seemed poised on the bring of annihilation Into the middle of the war stirrings came Kelwin the Broon finder and occasionally manufacturer of

archaics the tantalizing treasures that were all the remained of the world before Disaster Aided only by his apprentice Base and armed with his wits and his half knowledge of things better forgotten it was his task to stop the war before the visitation of another Disaster

The Leaves of Time Neal Barrett, Jr., 2016-05-21 The Gorgon came from some time line far across the multiple worlds It moved among men looking always as though it was one of them But it was not a man it was a destroyer This creature would willingly destroy the universe in all its alternate world lines It could not tolerate other forms of life could not permit them to exist The first a world knew of the beast in its midst was when its citizens began dying horribly and then it was already too late
