Airship Boys In Finance Or The Flight Of:

The Airship Boys in Finance, Or, The Flight of the Flying Cow Harry Lincoln Sayler, 1911 Series about new possibilities of aerial navigation

Boys' Books, Boys' Dreams, and the Mystique of Flight Fred Erisman, 2006 Setting the stage technology and the series book *Birdmen and boys* 1905 1915 Aces and combat World War I and after 1915 1935 Interlude Charles A Lindbergh and Atlantic flight 1927 1929 The golden age I the Lindbergh progeny 1927 1939 The golden age II the air minded society 1930 1939 World War II and modern aviation 1939 1945 Aftermath a bombs rockets and space flight 1945 1950

Flying Adventurers David K. Vaughan, 2023-05-24 Aviation books were a unique and prolific subgenre of American juvenile literature from the early to mid 20th century drawing upon the nation's intensifying interest The first books of this type Harry L Sayler's series *Airship Boys* appeared shortly after the Wright brothers first successful flight in 1909 Following Charles Lindbergh's solo flight across the Atlantic popular series like Ted Scott and Andy Lane established the golden age of juvenile aviation literature This work examines the 375 juvenile aviation series titles published between 1909 and 1964 It weaves together several thematic threads including the placement of aviation narratives within the context of major historical events the technical accuracy in depictions of flying machines and the ways in which characters reflected the culture of their eras Three appendices provide publication data for each series a list of referenced aircraft and an annotated bibliography there is a full index

Drew,2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer's real or pen name undisguised offshoots issued under the

new writer s name posthumous collaborations in which a deceased author s unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulps Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author s characters [Aunt Jane's Nieces Abroad](#) L. Frank Baum,2023-08-22 In Aunt Jane s Nieces Abroad L Frank Baum continues the enchanting journey of Aunt Jane and her resourceful nieces embarking on an exhilarating adventure in Europe Characterized by Baum s vivid prose and whimsical charm the narrative weaves elements of humor society and cultural exploration as the young women navigate the intricacies of their newfound independence The book a delightful blend of travel literature and coming of age story reflects the broader literary context of early 20th century American fiction showcasing the transformation of female roles and aspirations during this period L Frank Baum best known for his creation of the magical Land of Oz wrote this novel during a phase of his career that focused on family oriented stories His experiences and observations during his travels coupled with the cultural curiosity found in his earlier works undoubtedly informed his creation of diverse relatable characters who resonate with readers Baum s ability to merge fantasy with real world settings exemplifies his literary prowess and his dedication to captivating storytelling Readers seeking a spellbinding narrative filled with adventure charm and a touch of humor will find Aunt Jane s Nieces Abroad an irresistible gem Baum s rich characterizations and engaging plot make this book not only a delightful escape but also an invitation to reflect on the evolving roles of women in society This novel is a must read for both fans of Baum and those who appreciate classic children s literature infused with delightful escapism **Catalogue of Copyright Entries** ,1911-07

Kindergarten Review ,1911 *Young Adult Science Fiction* C. W. Sullivan III,1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great

Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein s works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies
