A HISTORY OF THE 49TH STATE

By Claus-M. Naske
and Herman E. Slotnick

Alaska A History Of The 49th State Second Edition

Mary F. Ehrlander

Alaska A History Of The 49th State Second Edition:

An Alaska Anthology Stephen W. Haycox, Mary Childers Mangusso, 2011-06-01 Alaska with its Indian Eskimo and Aleut heritage its century of Russian colonization its peoples formidable struggles to wrest a living or a fortune from the North's isolated and harsh environment and its relatively recent achievement of statehood has long captured the popular imagination In *An Alaska Anthology* twenty five contemporary scholars explore the region's pivotal events significant themes and major players Native Russian Canadian and American The essays chosen for this anthology represent the very best writing on Alaska giving great depth to our understanding and appreciation of its history from the days of Russian American Company domination to the more recent threat of nuclear testing by the Atomic Energy Commission and the influence of oil money on inexperienced politicians Readers may be familiar with an earlier anthology *Interpreting Alaska's History* from which the present volume evolved to accommodate an explosion of research in the past decade While a number of the original pieces were found to be irreplaceable more than half of the essays are new The result is a fresh perspective on the subject and an invaluable resource for students teachers and scholars

Alaska Claus M. Naske, Herman E. Slotnick, 2014-10-22 The largest by far of the fifty states Alaska is also the state of greatest mystery and diversity And as Claus M Naske and Herman E Slotnick show in this comprehensive survey the history of Alaska's peoples and the development of its economy have matched the diversity of its land and seascapes *Alaska A History* begins by examining the region's geography and the Native peoples who inhabited it for thousands of years before the first Europeans arrived The Russians claimed northern North America by right of discovery in 1741 During their occupation of Russian America the region was little more than an outpost for fur hunters and traders When the czar sold the territory to the United States in 1867 nobody knew what to do with Seward's Folly Mainland America paid little attention to the new acquisition until a rush of gold seekers flooded into the Yukon Territory In 1906 Congress granted Alaska Territory a voteless delegate and in 1912 gave it a territorial legislature Not until 1959 however was Alaska's long sought goal of statehood realized During World War II Alaska's place along the great circle route from the United States to Asia firmly established its military importance which was underscored during the Cold War The developing military garrison brought federal money and many new residents Then the discovery of huge oil and natural gas deposits gave a measure of economic security to the state *Alaska A History* provides a full chronological survey of the region's and state's history including the precedent setting Alaska Native Claims Settlement Act of 1971 which compensated Native Americans for their losses the effect of the oil industry and the trans Alaska pipeline on the economy the Exxon Valdez oil spill and Alaska politics through the early 2000s

Alaska History, 2005

Alaska Railroad Corporation Construction and Operation of a Rail Line Extension to Port MacKenzie, 2011

The Eskimos Ernest S. Burch, 1988 Describes the culture religion and daily life of the Eskimos explains their family and community relationships and looks at tools masks clothings and carvings

Alaska Roads Historic Overview, 2015

Alaska at War,

1941-1945 Fern Chandonnet,2007-09-15 Over the course of the past two hundred years only one United States territory has experienced foreign occupation Alaska Available for the first time in paperback Alaska at War brings readers face to face with the North Pacific front in World War II Wide ranging essays cover the war as seen by Alaskan eyes including the Japanese invasion of the Attu and Kiska islands the effects of the war on Aleutian Islanders and the American campaign to recover occupied territory Whether you re a historian or a novice student interested in this pivotal period of American history Alaska at War provides fascinating insight into the background history and cultural impact of war on the Alaskan homefront

On Thin Ice Barry Scott Zellen,2009-01-01 On Thin Ice explores the shifting relationship between the Inuit and the modern state in the North American Arctic and it pays tribute to pioneering IR theorist Ken Waltz s elucidation of the Three Images with the addition of a new Fourth Image to describe a tribal level of analysis that remains salient in not only the Arctic but in other conflict zones where tribal peoples retain many attributes of their indigenous sovereignty

Encyclopedia of the Arctic Mark Nuttall,2005-09-23 With detailed essays on the Arctic s environment wildlife climate history exploration resources economics politics indigenous cultures and languages conservation initiatives and more this Encyclopedia is the only major work and comprehensive reference on this vast complex changing and increasingly important part of the globe Including 305 maps This Encyclopedia is not only an interdisciplinary work of reference for all those involved in teaching or researching Arctic issues but a fascinating and comprehensive resource for residents of the Arctic and all those concerned with global environmental issues sustainability science and human interactions with the environment

Whales, They Give Themselves Karen Brewster,2025-02-03 The Whales They Give Themselves is an intimate life history of Harry Brower Sr 1924 1992 an Inupiaq whaling captain artisan and community leader from Barrow Alaska In a life that spanned the profound cultural and economic changes of the twentieth century Brower s vast knowledge of the natural world made him an essential contributor to the Native and scientific communities of the North His desire to share his insights with future generations resulted in a series of conversations with friend and oral historian Karen Brewster who weaves Harry s stories with cultural and historical background into this innovative and collaborative oral biography Brower was deeply committed to Native culture and his life history is a moving expression of the Inupiaq way of life He was also influential in traditionally non Native arenas in which Native and non Native values sometimes collided Acting as a mediator between Inupiaq whalers and non Native scientists Brower communicated a vast understanding of bowhead whales and whaling that became the basis for a scientific research program and helped protect Inupiaq subsistence whaling He was a central architect of the Arctic Slope Regional Corporation boundaries and served for over twenty years as a consultant to scientists at the Naval Arctic Research Laboratory Brower s role in this collaborative research serves as one of the earliest and best examples of how scientists and Native experts can work together to advance knowledge Such approaches are now promoted by researchers around the world The Whales They Give Themselves not only conveys Brower s life story but also is a cross

cultural journey of wisdom and friendship Whereas academic oral historians once strove to erase the presence of the interviewer in the name of objectivity Brewster recognizes the influence her specific relationship with Brower had on the way he narrated his life This volume is a major contribution to our understanding of northern peoples and a testament to the immense value of collaborative oral history **LASHIPA** Louwrens Hacquebord,2012 This book contains most of the papers presented at the final LASHIPA workshop in St Petersburg Russia 2 4 November 2009 The workshop was organized to finalize the bilateral LASHIPA Russia Netherlands project and to discuss possible future cooperation between the participants of the sub project of the Eurocore Boreas project and the participants of the International Polar Year project Large Scale Historical Exploitation of Polar Areas LASHIPA LASHIPA and CEE Boreas are linked together by different fields of expertise The common grounds of the two projects are the relation between industrial resource development and science in an international perspective Knowledge production and knowledge transfer from science to industry as well as between different national communities of resource users are very important in the Arctic as is transfer of legitimacy All these fields might give opportunities for future research The different contributions in this book try to answer some of these questions

City for Empire Preston Jones,2020-03-02 The story of the early years of Alaska s largest city its surprisingly diverse people and its role in twentieth century American history First settled in 1915 Anchorage in what was then known as the Territory of Alaska was founded with the American empire in mind During World War I it served as a conduit through which coal could be shipped to the Pacific where the US Navy was engaged with Japan Years later during World War II Anchorage became an equally important site for the defense of the mainland and the projection of American power *City for Empire* tells the story of Anchorage s development in that period focusing in particular on the international context of the city s early decades and its surprisingly diverse inhabitants A thorough yet accessible read *City for Empire* captures the history of this remarkable city **Polar Peoples** Hugh Beach,Ian Creery,Fae L. Korsmo,Mark Nutall,Nikolai Vakhtin,1994-01-01 The northern regions of the globe were populated by indigenous peoples long before explorers gold diggers missionaries bureaucrats and others discovered their land *Polar Peoples* describes the sometimes catastrophic effect these incomers and the changing world in general have had on native ways of life in this vast geographical area It also outlines the awakening of native political activism and some of the most important steps taken towards self determination by the indigenous peoples of the North Greenland Emergence of an Inuit Homeland by Mark Nuttall Unusual because of Home Rule from Denmark Native Peoples of the Russian Far North by Nikolai Vakhtin Little known outside Russia these minority groups face an uncertain future The Alaska Natives by Fae L Korsmo Highly significant because of the Alaska Native Claims Act The Inuit of Canada by Ian Creery Dene and Nunavut claims have been the subject of much political activity in recent months The Saami of Lapland by Hugh Beach Currently dealing with many different issues from the ongoing effects of Chernobyl on their reindeer herds to the disintegration of the Soviet Union With each section written by a recognized expert in his or her field *Polar*

Peoples gives a fascinating look at this politically and environmentally changing area on the roof of the world Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50 years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues

Land Change Science Garik Gutman,Anthony C. Janetos,Christopher O. Justice,Emilio F. Moran,John F. Mustard,Ronald R. Rindfuss,David Skole,Billy Lee Turner II,Mark A. Cochrane,2012-03-24 This volume is a synthesis of the NASA funded work under the Land Cover and Land Use Change Program Hundreds of scientists have worked for the past eight years to understand one of the most important forces that is changing our planet human impacts on land cover that is land use Its contributions span the natural and the social sciences and apply state of the art techniques for understanding the earth satellite remote sensing geographic information systems modeling and advanced computing It brings together detailed case studies regional analyses and globally scaled mapping efforts This is the most organized effort made to understand the dominant force that has been responsible for changing the Earth s biosphere Audience This publication will be of interest to students scientists and policy makers This volume includes a CD ROM containing full color images of a selection of illustrations which are printed in black and white in the book

The Statesman's Yearbook 2025 Palgrave Macmillan,2025-01-10 Now in its 161st edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions

Walter Harper, Alaska Native Son Mary F. Ehrlander,2017-10-01 2018 Alaskana Award from the Alaska Library Association 2018 Alaska Historical Society James H Drucker Alaska Historian of the Year Award Walter Harper Alaska Native Son illuminates the life of the remarkable Irish Athabascan man who was the first person to summit Mount Denali North America s tallest mountain Born in 1893 Walter Harper was the youngest child of Jenny Albert and the legendary gold prospector Arthur Harper His parents separated shortly after his birth and his mother raised Walter in the Athabascan tradition speaking her Koyukon Athabascan language When Walter was seventeen years old Episcopal archdeacon Hudson Stuck hired the skilled and charismatic youth as his riverboat pilot and winter trail guide During the following years as the two traveled among Interior Alaska s Episcopal missions they developed a father son like bond and summited Denali together in 1913 Walter s strong Athabascan identity allowed him to remain grounded in his birth culture as his Western education expanded and he became a leader and a bridge between Alaska Native peoples and Westerners in the Alaska territory He planned to become a medical missionary in Interior Alaska but his life was cut short at the age of twenty five in the Princess Sophia disaster of 1918 near Skagway Alaska Harper exemplified resilience during an era when rapid socioeconomic and cultural change was wreaking

havoc in Alaska Native villages Today he stands equally as an exemplar of Athabascan manhood and healthy acculturation to Western lifeways whose life will resonate with today's readers **Colorado Heritage**, 1987 **Multicultural Education in the U.S.** Bruce Mitchell, Robert E. Salsbury, 2000-05-30 Born during the turbulent years of the 1960s multicultural education has attempted to help students acquire a more sophisticated understanding of the pluralistic populations of the United States And as the United States becomes increasingly multicultural it is necessary for students to learn to live and work effectively with members of different racial and ethnic groups Each state's experiences with multicultural education vary and states have emphasized multicultural education to greater and lesser degrees This reference book is a guide to multicultural education initiatives in the 50 states After an introductory essay on the development of multicultural education programs the volume presents alphabetically arranged entries on the status of multicultural education in each state Because the programs in each state have developed in response to the particular characteristics and experiences of the state's population each entry begins with a brief history that places special emphasis on the state's cultural groups The second section discusses the state's educational system since the system provides a framework for the state's multicultural education initiatives The third section analyzes the state's creation and implementation of multicultural education policies and programs and draws on responses to a questionnaire Each entry closes with bibliographic references and the volume concludes with a selected general bibliography [The Statesman's Yearbook 2024](#) Palgrave Macmillan, 2024-01-03 Now in its 160th edition The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions *A Fragile Beauty* Theodore Catton, 2010
