Klantschnig, N. Carrier, C. Ambler, 2014-08-07 This cutting edge volume is the first to address the burgeoning interest in drugs and Africa among scholars policymakers and the general public It brings together an interdisciplinary group of leading academics and practitioners to explore the use trade production and control of mind altering substances on the continent **Beer, Sociability, and Masculinity in South Africa** Anne Kelk Mager, 2010 Beer connects commercial social and political history in this sobering look at the culture of drinking in South Africa Beginning where stories of colonial liquor control Mager looks at the current commerce of beer its valorizing of male sociability and sports and the corporate culture of South African Breweries **Beer in Africa** Steven van Wolputte, Mattia Fumanti, 2010 This volume on beer in Africa focuses on the making and unmaking of self in the inchoate dark exalted and sometimes upsetting context of bars shebeens and other formal and informal drinking occasions Beer in Africa takes the production and consumption of fermented drinks as its point of entry to investigate how local actors deal with the ambivalent and the hazy and how this ambiguity stands as the sine qua non of social life and daily practice **The Making of South African Legal Culture 1902-1936** Martin Chanock, 2001-03-05 Martin Chanock s illuminating and definitive perspective on that development examines all areas of the law including criminal law and criminology the Roman Dutch law the State s African law and land labour and rule of law questions *Ordinary Sudan, 1504-2019* Elena Vezzadini, Iris Seri-Hersch, Lucie Revilla, Anael Poussier, Mahassin Abdul Jalil, 2023-07-24 This book examines how ordinary people have induced the most important political shifts in the history of the Sudan including the last 2019 Revolution but also how they have participated to the construction of consensus that regimes needed to survive The two volumes of the book follow an organization according to discipline the first is mostly on social history and the second on politics from below **Alcohol: The Prevention Debate** Marcus Grant, Bruce Ritson, 2023-12-01 In the early 1980s emphasis had shifted from the treatment of alcohol problems to their prevention Yet no clear integrated

policy yet existed about how alcohol problems could best be prevented Many different strategies were put forward as solutions but some were in competition with each other while some were actually incompatible Originally published in 1983 what this book does is to draw together a cross section of these different and competing voices so as to give a sense of the quality and direction of the great alcohol debate at the time After setting into context some of the basic questions to do with the prevention of alcohol problems the authors knit together and juxtapose short contributions from a very wide variety of experts from around the world Clinicians educators sociologists advertisers marketing men economists philosophers geneticists and international civil servants present different points of view on health education the media advertising trade the law the environment and on the ethical basis of the debate itself The authors bravely attempt to pull some general sense out of this profusion of what the way ahead is likely to be It should be noted that this reissue very much reflects the context of the times in which it was written and that the contributors were participating in a debate where differences of opinion were actively encouraged

Alcohol Roderick Phillips, 2014 In this innovative book on the attitudes toward and consumption of alcohol Rod Phillips surveys a 9 000 year cultural and economic history uncovering the tensions between alcoholic drinks as healthy staples of daily diets and as objects of social political and religious anxiety In the urban centers of Europe and America where it was seen as healthier than untreated water alcohol gained a foothold as the drink of choice but it has been regulated by governmental and religious authorities more than any other commodity As a potential source of social disruption alcohol created volatile boundaries of acceptable and unacceptable consumption and broke through barriers of class race and gender Phillips follows the ever changing cultural meanings of these potent potables and makes the surprising argument that some societies have entered post alcohol phases Jacket

Alcohol and Pleasure Stanton Peele, Marcus Grant, 2013-05-13 There is no simple threshold between the experience of drinking and the pleasure it can bring on the one hand and the pain and suffering caused by alcohol abuse on the other But if we are to understand the role of alcohol in society then at the very least we need to acknowledge the pleasure as well as the pain Alcohol and Pleasure aims to bring together existing knowledge on the role of pleasure in drinking and determine whether the concept is useful for scientific understanding and policy consideration

Africana Anthony Appiah, Henry Louis Gates (Jr.), 2005 Ninety years after W E B Du Bois first articulated the need for the equivalent of a black Encyclopedia Britannica Kwame Anthony Appiah and Henry Louis Gates Jr realized his vision by publishing Africana The Encyclopedia of the African and African American Experience in 1999 This new greatly expanded edition of the original work broadens the foundation provided by Africana Including more than one million new words Africana has been completely updated and revised New entries on African kingdoms have been added bibliographies now accompany most articles and the encyclopedia's coverage of the African diaspora in Latin America and the Caribbean has been expanded transforming the set into the most authoritative research and scholarly reference set on the African experience ever created More than 4 000 articles cover prominent individuals events trends places political

movements art forms business and trade religion ethnic groups organizations and countries on both sides of the Atlantic African American history and culture in the present day United States receive a strong emphasis but African American history and culture throughout the rest of the Americas and their origins in African itself have an equally strong presence The articles that make up *Africana* cover subjects ranging from affirmative action to zydeco and span over four million years from the earliest known hominids to Sean Diddy Combs With entries ranging from the African ethnic groups to members of the Congressional Black Caucus *Africana* Second Edition conveys the history and scope of cultural expression of people of African descent with unprecedented depth

Drinking Patterns and Their Consequences Marcus Grant, Jorge Litvak, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory

Moonshine Markets Alan Haworth, Ronald Simpson, 2004-06-01 This text reports on patterns of consumption of non branded alcohol in seven countries Brazil India Mexico Russia Tanzania Zambia and Zimbabwe Using local consultants investigators interviewed families in each country in both rural and urban areas on the subject of their drinking habits over a thirty day period giving specific attention to their religious educational and socio economic status Experts in the fields of toxicology economics and anthropology as well as representatives of the beverage industry give commentary on the common themes emerging from the collected data

Breweries, Politics and Identity: The History Behind Namibian Beer Tycho van der Hoog, 2019-09-25 Namibian beer is celebrated as an inextricable part of Namibian nationalism both within its domestic borders and across global markets But for decades on end the same brew was not available to the black population as a consequence of colonial politics This book aims to explain how a European style beer has been transformed from an icon of white settlers into a symbol of the independent Namibian nation The unusual focus on beer offers valuable insight into the role companies play in identity formation and thus highlights an understudied aspect of Namibian history namely business state relations
