Promoting Self-Change from Problem Substance Use Harald Klingemann, Linda C. Sobell, J. Barker, J. Blomqvist, W. Cloud, T. Ellinstad, D. Finfgeld, R. Granfield, D. Hodgins, G. Hunt, C. Junker, F. Moggi, S. Peele, R. Smart, M. Sobell, J. Tucker, 2012-12-06 For many years what has been known about recovery from addictive behaviors has come solely from treatment studies. This book on the process of self change from addictive behaviors is the first of its kind as it presents more than research findings. Rather it presents the process of self change from several different perspectives: environmental, cross cultural, prevention and interventions at both societal and individual level. It provides strategies for how health care practitioners and government policy makers alike can aid and foster self change. Directions for future research priorities are also presented.
