Bones Of Berdichev The Life And Fate Of Vasily Grossman:

The Life and Fate of Vasily Grossman John Garrard, Carol Garrard, 2012-10-24 A definitive treatment of one of the Soviet Union's most significant writers. The Russian Review Vasily Grossman 1905-64 one of the greatest authors of the twentieth century served for over 1,000 days with the Red Army as a war correspondent on the Eastern front. He was present during the street fighting at Stalingrad and his 1944 report 'The Hell of Treblinka' was the first eyewitness account of a Nazi death camp. Though he finished the war as a decorated lieutenant colonel, his epic account of the battle of Stalingrad, *Life and Fate*, was suppressed by Soviet authorities and never published in his lifetime. Declared a non-person, Grossman died in obscurity. Only in 1980, with the posthumous publication in Switzerland of *Life and Fate*, was his remarkable novel to gain an international reputation. This meticulously researched biography by John and Carol Garrard uses archival and unpublished sources that only became available after the collapse of the Soviet Union. A gripping narrative, *Fascinating* gives the reader a very clear insight into the horrors of the War on the Eastern Front. For anyone interested either in WWII or Soviet Communism, this book is a must. R. J. Dick Lloyd, author of *Three Glorious Years*, Grossman is a sufficiently important Soviet cultural figure to deserve a biography, and through his, the Garrards say a good deal about cultural politics, internal repression, and antisemitism in the Soviet Union. Foreign Affairs.

The Modern Jewish Canon Ruth R. Wisse, 2001-01-19 What makes a great Jewish book? What makes a book Jewish in the first place? Ruth R. Wisse, one of the leading scholars in the field of Jewish literature, sets out to answer these questions in *The Modern Jewish Canon*. Wisse takes us on an exhilarating journey through language and culture, penetrating the complexities of Jewish life as they are expressed in the greatest Jewish novels of the twentieth century, from Isaac Babel to Isaac Bashevis Singer, from Elie Wiesel to Cynthia Ozick. The modern Jewish canon, Wisse proposes, comprises those books that convey an experience of Jewish actuality, those in which the authors or characters know and let the reader know that they are Jews, for better or worse. Wisse is not content merely to evaluate the great books of Jewish literature; she also links the works together to present a new kind of Jewish history as it has been told through the literature of the past hundred years. She tells the story of a multilingual, multinational people, one that has experienced an often turbulent relationship with Hebrew, the liturgical and scriptural language, and Yiddish, the commonplace vernacular tongue, as well as with the numerous languages spoken by Jews around the world. Wisse insists that language informs the essential meaning of a Jewish work, creating and ratifying political and religious alliances, historical and cultural circumstance, and methods of interpretation. Drawing from a broad sweep of twentieth-century Jewish fiction, Wisse reintroduces us to the deeper side of much beloved books that remain touchstones of Jewish identity. Through her eyes, we reencounter old friends, including Tevye the Dairyman from Sholem Aleichem's landmark Yiddish stories, the character on whom *Fiddler on the Roof* is based, Joseph K. of Kafka's *The Trial*, who without having done anything wrong was famously arrested one fine morning, Anne Frank, whose poignant diary has shaped the way we think about the Holocaust, Nathan

Zuckerman the enigmatic narrator of numerous Philip Roth novels Destined to be a classic in its own right one that reshapes the way we think about some of the classic works of the modern age The Modern Jewish Canon is a book for every Jewish reader and for every reader of great fiction Vasily Grossman and the Soviet Century Alexandra Popoff,2019-03-26 The definitive biography of Soviet Jewish dissident writer Vasily Grossman If Vasily Grossman s 1961 masterpiece Life and Fate had been published during his lifetime it would have reached the world together with Pasternak s Doctor Zhivago and before Solzhenitsyn s Gulag But Life and Fate was seized by the KGB When it emerged posthumously decades later it was recognized as the War and Peace of the twentieth century Always at the epicenter of events Grossman 1905 1964 was among the first to describe the Holocaust and the Ukrainian famine His 1944 article The Hell of Treblinka became evidence at Nuremberg Grossman s powerful anti totalitarian works liken the Nazis crimes against humanity with those of Stalin His compassionate prose has the everlasting quality of great art Because Grossman s major works appeared after much delay we are only now able to examine them properly Alexandra Popoff s authoritative biography illuminates Grossman s life and legacy The Holocaust Ryan Barrick,Abigail S Gruber,David Misal,2014-04-11 This book is a collection of seventeen scholarly articles which analyze Holocaust testimonies photographs documents literature and films as well as teaching methods in Holocaust education Most of these essays were originally presented as papers at the Millersville University Conferences on the Holocaust and Genocide from 2010 to 2012 In their articles the contributors discuss the Holocaust in concentration camps and ghettos as well as the Nazis methods of exterminating Jews The authors analyze the reliability of photographic evidence and eyewitness testimonies about the Holocaust The essays also describe the psychological impact of the Holocaust on survivors witnesses and perpetrators and upon Jewish identity in general after the Second World War The scholars explore the problems of the memorialization of the Holocaust in the Soviet Union and the description of the Holocaust in Russian literature Several essays are devoted to the representation of the Holocaust in film and trace the evolution of its depiction from the early Holocaust movies of the late 1940s early 1950s to modern Holocaust fantasy films They also show the influence of Holocaust cinema on feature films about the Armenian Genocide Lastly several authors propose innovative methods of teaching the Holocaust to college students The younger generation of students may see the Holocaust as an event of the distant past so new teaching methods are needed to explain its significance This collection of essays based on new multi disciplinary research and innovative methods of teaching opens many unknown aspects and provides new perspectives on the Holocaust The Palgrave Handbook of Holocaust Literature and Culture Victoria Aarons,Phyllis Lassner,2020-01-24 The Palgrave Handbook of Holocaust Literature and Culture reflects current approaches to Holocaust literature that open up future thinking on Holocaust representation The chapters consider diverse generational perspectives survivor writing second and third generation and genres memoirs poetry novels graphic narratives films video testimonies and other forms of literary and cultural expression In turn these perspectives create interactions among

generations genres temporalities and cultural contexts The volume also participates in the ongoing project of responding to and talking through moments of rupture and incompleteness that represent an opportunity to contribute to the making of meaning through the continuation of narratives of the past As such the chapters in this volume pose options for reading Holocaust texts offering openings for further discussion and exploration The inquiring body of interpretive scholarship responding to the Shoah becomes itself a story a narrative that materially extends our inquiry into that history **Jews and the Left** P. Mendes, 2014-05-20 The historical involvement of Jews in the political Left is well known but far less attention has been paid to the political and ideological factors which attracted Jews to the Left After the Holocaust and the creation of Israel many lost their faith in universalistic solutions yet lingering links between Jews and the Left continue to exist

Music from a Speeding Train Harriet Murav, 2011-08-15 Music from a Speeding Train explores the uniquely Jewish space created by Jewish authors working within the limitations of the Soviet cultural system It situates Russian and Yiddish language authors in the same literary universe one in which modernism revolution socialist realism violence and catastrophe join traditional Jewish texts to provide the framework for literary creativity These writers represented attacked reformed and mourned Jewish life in the pre revolutionary shtetl as they created new forms of Jewish culture The book emphasizes the Soviet Jewish response to World War II and the Nazi destruction of the Jews disputing the claim that Jews in Soviet Russia did not and could not react to the killings of Jews It reveals a largely unknown body of Jewish literature beginning as early as 1942 that responds to the mass killings By exploring works through the early twenty first century the book reveals a complex emotionally rich and intensely vibrant Soviet Jewish culture that persisted beyond Stalinist oppression [A Travel Guide to Jewish Russia & Ukraine](#) Frank, Ben G., 2010-09-23 A priceless asset to any traveler whose goal is to explore the Jewish past of these two historical countries The Jewish Advocate The author follows in the footsteps of his namesake the rabbi explorer of the twelfth century Benjamin of Tudela to create the first all encompassing guide to Jewish Russia and Ukraine with stops in Bulgaria and Romania Until Communism fell the Jews of Russia and Ukraine had been suppressed and denied human and religious rights Today not only are they reborn but they are rebuilding a new vibrant community for the twenty first century Frank explores this rebirth and guides both first time and experienced travelers to Jewish and historical sites He profiles synagogues monuments and schools that can be found in such cities as St Petersburg Moscow Kiev Odessa and even Kishinev in Moldova Approximately 120 years ago the majority of the world's Jews lived in what was called the Pale of Settlement in the Russian Empire Most American Jews today trace their ancestry to Russia and the surrounding territories especially Ukraine A Travel Guide to Jewish Russia Ukraine will aid those visiting places where relatives once lived as well as those simply in search of history *Russian Orthodoxy Resurgent* John Garrard, Carol Garrard, 2014-09-22 Russian Orthodoxy Resurgent is the first book to fully explore the expansive and ill understood role that Russia's ancient Christian faith has played in the fall of Soviet Communism and in the rise of Russian nationalism today John and Carol Garrard tell the story of

how the Orthodox Church's moral weight helped defeat the 1991 coup against Gorbachev launched by Communist Party hardliners. The Soviet Union disintegrated leaving Russians searching for a usable past. The Garrards reveal how Patriarch Aleksy II, a former KGB officer and the man behind the church's successful defeat of the coup, is reconstituting a new national idea in the church's own image. In the new Russia, the former KGB who run the country, Vladimir Putin among them, proclaim the cross not the hammer and sickle. Meanwhile, a majority of Russians now embrace the Orthodox faith with unprecedented fervor. The Garrards trace how Aleksy orchestrated this transformation, positioning his church to inherit power once held by the Communist Party and to become the dominant ethos of the military and government. They show how the revived church under Aleksy prevented mass violence during the post-Soviet turmoil and how Aleksy astutely linked the church with the army and melded Russian patriotism and faith. Russian Orthodoxy Resurgent argues that the West must come to grips with this complex and contradictory resurgence of the Orthodox faith because it is the hidden force behind Russia's domestic and foreign policies today.

Shostakovich in Dialogue Judith Kuhn, 2017-07-05 A thorough examination of Shostakovich's string quartets is long overdue. Although they can justifiably lay claim to being the most significant and frequently performed twentieth-century oeuvre, for that ensemble there has been no systematic English-language study of the entire cycle. Judith Kuhn's book begins such a study undertaken with the belief that despite a growing awareness of the universality of Shostakovich's music, much remains to be learned from the historical context and an examination of the music's language. Much of the controversy about Shostakovich's music has been related to questions of meaning. The conflicting interpretations put forth by scholars during the musicological Shostakovich wars have shown the impossibility of fixing a single meaning in the composer's music. Commentators have often heard the quartets as political in nature, although there have been contradictory views as to whether Shostakovich was a loyal communist or a dissident. The works are also often described as vivid narratives, perhaps a confessional autobiography or a chronicle of the composer's times. The cycle has also been heard to examine major philosophical issues posed by the composer's life and times, including war, death, love, the conflict of good and evil, the nature of subjectivity, the power of creativity, and the place of the individual and particularly the artist in society. Soviet commentaries on the quartets typically describe the works through the lens of Socialist Realist mythological master narratives. Recent Western commentaries see Shostakovich's quartets as expressions of broader twentieth-century subjectivity filled with ruptures and uncertainty. What musical features enable these diverse interpretations? Kuhn examines each quartet in turn, looking first at its historical and biographical context and goes on to give special attention to the cultural questions being discussed at the time of its writing.

The Readers of Novyi Mir Denis Kozlov, 2013-06-10 In the Thaw following Stalin's death, probing conversations about the nation's violent past took place in the literary journal *Novyi mir*. New World Readers' letters reveal that discussion of the Terror was central to intellectual and political life during the USSR's last decades. Denis Kozlov shows how minds change even in a closed society.

Holocaust Literature David G. Roskies, Naomi

Diamant,2012 A comprehensive assessment of Holocaust literature from World War II to the present day *Holocaust Mosaic* Helen Weber,2006-10-29 Survivors especially will appreciate Weber s account of Hitler s war against the Jews from killing Jews at the edge of the pit to Zyklon B and the crematoria Holocaust Resistance in Europe and America Abigail S Gruber,2017-03-07 This book brings together eleven essays that analyze different aspects of resistance to the Holocaust which took many forms armed and passive resistance uprisings in ghettos and concentration camps partisan and underground movements the rescue of Jews spiritual resistance and preservation of Jewish artifacts and memories Jewish resistance to the Holocaust faced numerous obstacles and difficulties In many cases resistance fighters risked not only their own lives but also the lives of others As such there was a serious dilemma over whether to resist and over what methods of resistance Lessons and Legacies VII Peter Hayes,Dagmar Herzog,1991 In the courtroom and the classroom in popular media public policy and scholarly pursuits the Holocaust its origins its nature and its implications remains very much a matter of interest debate and controversy Arriving at a time when a new generation must come to terms with the legacy of the Holocaust or forever lose the benefit of its historical social and moral lessons this volume offers a richly varied deeply informed perspective on the practice interpretation and direction of Holocaust research now and in the future In their essays the authors an international group including eminent senior scholars as well those who represent the future of the field set the agenda for Holocaust studies in the coming years even as they give readers the means for understanding today s news and views of the Holocaust whether in court cases involving victims and perpetrators international national and corporate developments or fictional documentary and historical accounts Several of the essays such as one on nonarmed *amidah* or resistance and others on the role of gender in the behavior of perpetrators and victims provide innovative and potentially significant interpretive frameworks for the field of Holocaust studies Others for instance the rounding up of Jews in Italy Nazi food policy in Eastern Europe and Nazi anti Jewish scholarship emphasize the importance of new sources for reconstructing the historical record Still others including essays on the 1964 Frankfurt trial of Auschwitz guards and on the response of the Catholic Church to the question of German guilt bring a new depth and sophistication to highly charged sharply politicized topics Together these essays will inform the future of the Holocaust in scholarly research and in popular understanding Publisher s description **Vasily Grossman** Anna Bonola,Giovanni Maddalena,2018-08-21 Vasily Grossman 1905 1964 was a successful Soviet author and journalist but he is more often recognized in the West as Russian literature s leading dissident How do we account for this paradox In the first collection of essays to explore the Russian author s life and works in English leading experts present recent multidisciplinary research on Grossman s experiences his place in the history of Russian literature key themes in his writing and the wider implications of his life and work in the realms of philosophy and politics Born into a Jewish family in Berdychiv Grossman was initially a supporter of the ideals of the Russian Revolution and the new Soviet state During the Second World War he worked as a correspondent for the Red Army newspaper and was the first

journalist to write about the Nazi extermination camps As a witness to the daily violence of the Soviet regime Grossman became more and more aware of the nature and forms of totalitarian coercion which gradually alienated him from the Soviet regime and earned him a reputation for dissidence A survey of the remarkable accomplishments and legacy left by this controversial and contradictory figure Vasily Grossman reveals a writer's power to express freedom even under totalitarianism

Endgame 1944 Jonathan Dimbleby, 2024 *Endgame 1944* offers a gripping account of the Soviet victories in 1944 that enabled Stalin to dictate the terms of the post war settlement which laid the foundations for the Cold War

The Cambridge Introduction to Emmanuel Levinas Michael L. Morgan, 2011-03-14 This book provides a clear and helpful overview of the thought of Emmanuel Levinas one of the most significant and interesting philosophers of the late twentieth century Michael L Morgan presents an overall interpretation of Levinas central principle that human existence is fundamentally ethical and that its ethical character is grounded in our face to face relationships He explores the religious cultural and political implications of this insight for modern Western culture and how it relates to our conception of selfhood and what it is to be a person our understanding of the ground of moral values our experience of time and the meaning of history and our experience of religious concepts and discourse Includes an annotated list of recommended readings and a selected bibliography of books by and about Levinas An excellent introduction to Levinas for readers unfamiliar with his work and even for those without a background in philosophy

Literature of the Holocaust Alan Rosen, 2013-11-14 During and in the aftermath of the dark period of the Holocaust writers across Europe and America sought to express their feelings and experiences through their writings This book provides a comprehensive account of these writings through essays from expert scholars covering a wide geographic linguistic thematic and generic range of materials Such an overview is particularly appropriate at a time when the corpus of Holocaust literature has grown to immense proportions and when guidance is needed in determining a canon of essential readings a context to interpret them and a paradigm for the evolution of writing on the Holocaust The expert contributors to this volume who negotiate the literature in the original languages provide insight into the influence of national traditions and the importance of language especially but not exclusively Yiddish and Hebrew to the literary response arising from the Holocaust

An Anthology of Jewish-Russian Literature Maxim Shrayer, 2015-03-26 This definitive anthology gathers stories essays memoirs excerpts from novels and poems by more than 130 Jewish writers of the past two centuries who worked in the Russian language It features writers of the tsarist Soviet and post Soviet periods both in Russia and in the great emigrations representing styles and artistic movements from Romantic to Postmodern The authors include figures who are not widely known today as well as writers of world renown Most of the works appear here for the first time in English or in new translations The editor of the anthology Maxim D Shrayer of Boston College is a leading authority on Jewish Russian literature The selections were chosen not simply on the basis of the author's background but because each work illuminates questions of Jewish history status and identity Each author is profiled in an

essay describing the personal cultural and historical circumstances in which the writer worked and individual works or groups of works are headnoted to provide further context The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish Russian culture This handsome two volume set is organized chronologically The first volume spans the nineteenth century and the first part of the twentieth century and includes the editor s extensive introduction to the Jewish Russian literary canon The second volume covers the period from the death of Stalin to the present and each volume includes a corresponding survey of Jewish Russian history by John D Klier of University College London as well as detailed bibliographies of historical and literary sources
