Schloss,2009-03-05 B boying is a form of Afro diasporic competitive dance that developed in the Bronx NY in the early 1970s Widely though incorrectly known as breakdancing it is often dismissed as a form of urban acrobatics set to music In reality however b boying is a deeply traditional and profoundly expressive art form

that has been passed down from teacher to student for almost four decades Foundation B boys B girls and Hip Hop Culture in New York offers the first serious study of b boying as both unique dance form and a manifestation of the most fundamental principles of hip hop culture Drawing on anthropological and historical research interviews and personal experience as a student of the dance Joseph Schloss presents a nuanced picture of b boying and its social context From the dance s distinctive musical repertoire and traditional educational approaches to its complex stylistic principles and secret battle strategies Foundation illuminates a previously unexamined thread in the complex tapestry that is contemporary hip hop

Black No More George S. Schuyler, 2019-09-30 Over twenty years ago a gentleman in Asbury Park N J began manufacturing and advertising a preparation for the immediate and unfailing straightening of the most stubborn Negro hair This preparation was called Kink No More a name not wholly accurate since users of it were forced to renew the treatment every fortnight During the intervening years many chemists professional and amateur have been seeking the means of making the downtrodden Aframerican resemble as closely as possible his white fellow citizen The temporarily effective preparations placed on the market have so far proved exceedingly profitable to manufacturers advertising agencies Negro newspapers and beauty culturists while millions of users have registered great satisfaction at the opportunity to rid themselves of kinky hair and grow several shades lighter in color if only for a brief time With America s constant reiteration of the superiority of whiteness the avid search on the part of the black masses for some key to chromatic perfection is easily understood Now it would seem that science is on the verge of satisfying them **The Phantom of the Movies'**

Charlie U. S. A. Bill Mcbirney, 2001-10 There s a killer on the road The FBI is squirming like a toad Dakota Jalen a brash young FBI agent with a crushing cross to bear is remaining calm however Though not one other agent within the entire bureau has broken CHARLIE USA s code Dakota knows she can do it From the oppressive heat of the Deep South up into the cool currents of the Northeast Dakota tails CHARLIE USA state by state until she comes face to face with an unescapable paradox of endemic proportions It seems that some people in Dakota s life and worse perhaps even herself have more in common with the monster CHARLIE USA than they d like to admit **Mr. Buddy and Grandy** David

Rozzell, 2008-10-22 Mr Buddy and Grandy is a collection of stories about a grandfather and grandson and the things they did together A focus of this book is to provide grandparents or in fact any adults some ideas of things they could do with kids be they grandchildren children nephews nieces and the wonderful benefits that would flow from the experiences Although these stories focus on a grandfather and his grandson many of the same activities would translate equally well to granddaughters

The overarching theme of this book doing simple things together with a child applies to anyone who would like to enrich and brighten the life of a young boy or girl I believe that the more time grandparents and grandchildren can spend together exploring the world around them playing enjoying the outdoors really just doing simple things together the stronger their family bonds will be the better prepared for adolescence and adulthood the children will be and the better the world will be as a result

A Rocket in My Pocket Max Décharné, 2010-12-09 Rockabilly had its roots in country blues folk hillbilly R B boogie woogie and most other indigenous Deep South forms of popular song that you could strum three chords along to or howl down a cheap microphone It was young people s music made almost entirely by the first wave of teenagers despised by adults in general and the country music establishment in particular Its pioneer exponent Elvis eventually become respectable in the eyes of straight society but he was the exception 1950s rockabilly was a spontaneous outburst of spirited three chord songs tiny record labels primitive studios fiercely partisan audiences and wild eyed driven performers who weren t even sure that their musical careers would last the week The book charts the rise and fall of the original 50s wave of rockabilly It will also follow the progress of the music in clubs on radio TV and film pinpointing the key record labels and important regional centres showing how fashions eventually changed and left rockabilly high and dry far too wild and primitive in an era of smoother sounds D charn traces the music to its Memphis roots
