

The book cover features a complex, layered design. At the top, the author's name 'Owen Gingerich' is printed in black within a yellow circle. Below this, a large black circle contains the title 'THE BOOK NOBODY READ' in orange serif font. Further down, another black circle contains the subtitle 'Chasing the Revolutions of Nicolaus Copernicus' in white italicized serif font. The background is a dense, golden-yellow field of fine, radiating lines. Scattered throughout this field are numerous circles of varying sizes, each containing a detailed illustration of a human eye. Some eyes are looking directly at the viewer, while others are angled. The circles and eyes are set against a backdrop of fine, radiating lines that create a sense of depth and movement. The overall color palette is dominated by yellow, orange, and black, with the white text of the subtitle providing a sharp contrast.
