*'Inquiétude' in the work of Pierre Mac Orlan* Roger W. Baines,2021-10-25 This is the first major study in

English of the work of the French novelist essayist journalist poet and chansonnier Pierre Mac Orlan 1882 1970 It assesses Mac Orlan's contribution to the post 1918 phenomenon of intellectual disillusionment and disorientation which was termed the *nouveau mal du siècle* or *inquiétude* Although he has largely been ignored by critics thus far Mac Orlan was part of mainstream French literary production and a major exponent of *inquiétude* Where he differs from his contemporaries is in his subject matter in his use of sociological rather than abstract intellectual material His expression of *inquiétude* encompasses *le fantastique* social adventure marginality *le cafard* and sadistic sexuality His originality lies in his invention of *le fantastique* social in his constant use of certain techniques as well as the subject matter of German Expressionism via the depiction of the disturbing landscape of the modern city post 1918 inflation and decadence prostitutes and criminals doomed adventurers the mystery of modern technology and in the expression of a morbid interest in sexual violence This volume will be of particular interest to students of inter war French literature and thought

**Spaces in-between** Mark Luccarelli, Sigurd

Bergmann, 2015-10-05 *Spaces in between* goes beyond the emphasis on externalities signalled by the term environment to address the isolation of modern technological culture from nature Solutions require more than an awareness of natural surroundings and human destructiveness We think in terms of the re-conceptualization re-design and re-negotiation of space The book is concerned with social practices belief systems urban designs the organization and representation of landscapes and modes of living These aspects of spatiality suggest how to conceive and practice the intermingling of nature and culture and how to develop public commitment to such practices In the process we show how concern for the environment as an aspect of space helps us to reconceive and reinterpret what it means to be human

**From Baltimore to Bohemia** Henry

Louis Mencken, George Sterling, 2001 L. Mencken and George Sterling by turns amusing outrageous and illuminating casts a vivid light into the literary social and cultural milieu of the Jazz Age as seen through the eyes of two of its most distinctive figures **BOOK JACKET** **A Literary History of the American West** Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance

*Queer Compulsions* Amy H. Sueyoshi, 2012-02-29 In September 1897 Yone Noguchi 1875 1947 contemplated crafting a poem to his new love western writer Charles Warren Stoddard Recently arrived in California Noguchi was in awe of the established writer and the two had struck up a passionate correspondence Still he viewed their relationship as doomed not by the scandal of their same sex affections but their introverted dispositions and differences in background In a poem dedicated to his dearest Charlie Noguchi wrote Thou and I O Charles sit alone like two shy stars east and west While confessing his love to Stoddard Noguchi had a child future sculptor Isamu Noguchi with his editor Lonie Gilmour became

engaged to Washington Post reporter Ethel Armes and upon his return to Japan married Matsu Takeda all within a span of seven years According to author Amy Sueyoshi Noguchi was not a dedicated polyamorist He deliberately deceived the three women to whom he either pretended or promised marriage while already married She argues further that Noguchi s intimacies point to little known realities of race and sexuality in turn of the century America and illuminate how Asian immigrants negotiated America s literary and arts community As Noguchi maneuvered through cultural and linguistic differences his affairs additionally assert how Japanese in America could forge romantic fulfillment during a period historians describe as one of extreme sexual deprivation and discrimination for Asians particularly in California Moreover Noguchi s relationships reveal how individuals who engaged in seemingly defiant behavior could exist peaceably within prevailing moral mandates His unexpected intimacies in fact relied upon existing social hierarchies of race sexuality gender and nation that dictated appropriate and inappropriate behavior In fact Noguchi Stoddard Gilmour and Armes at various points contributed to the ideological forces that compelled their intimate lives Through the romantic life of Yone Noguchi Queer Compulsions narrates how even the queerest of intimacies can more provocatively serve as a reflection of rather than a revolt from existing social inequality In unveiling Noguchi s interracial and same sex affairs it attests to the complex interaction between lived sexualities and socio legal mores as it traces how one man negotiated affection across cultural linguistic and moral divides to find fulfillment in unconventional yet acceptable ways Queer Compulsions will be a welcome contribution to Asian American gender and sexuality studies and the literature on male and female romantic friendships It will also forge a provocative link between these disciplines and Asian studies **Literary Writings in America** ,1977
