**Classical Love Poetry** Dr. Jonathan Williams, Clive Cheesman, 2004 This lovely book pairs selections of translated Greek and Roman verse from Homer Sappho Virgil Horace and Ovid among others with fine examples of paintings sculpture vases and decorative objects The excerpts which cover the period from the eighth century B C to the early Middle Ages were chosen from famous works such as Homer s Iliad as well as less well known pieces such as the writings of the Greek poet Ibycus This book demonstrates that the human preoccupation with love in all its forms has inspired writers for millennia from the expression of enduring faithfulness and familial affection in Homer s description of Hector and Andromache to the passionate intensity portrayed by the later Greek lyric poets and the light hearted depiction of love as a lost little boy by the

anonymous authors of the Inacreonteia The book includes a brief introduction to Greek and Roman views on love and marriage a short biographical note on each of the major poets and a glossary of mythical and geographical names      **Love Poems** Dorothy Porter, 2010-09-27 Dorothy Porter writes about love sex heartbreak and desire like no one else Love Poems collects her most powerful love poetry portraits of longing and infatuation of bliss passion uncertainty and devotion It includes extracts from her award winning and best selling verse novels as well as poems and lyrics spanning her whole career      *A Book of Love Poetry* Jon Stallworthy, 1986 From the civilization of the Lower Nile to that of the Lower Hudson more poets have written more convincingly more poignantly about love than about any other subject Jon Stallworthy has here selected some of the most moving funny shameless and erotic love poems in the English language Representing the work of more than 190 poets from Sappho to Byron and Browning from Rossetti to Wordsworth and E E Cummings he offers a startling collection of love poetry down throughout the ages Arranged thematically beginning with the first dawns of young love and ending with the long look back of the aged and revealing love in all its different aspects and perversities this anthology demonstrates vividly man's changeless responses to the changing seasons of the heart About the Editor Jon Stallworthy is John Wendell Anderson Professor of English Literature at Cornell University and author of Wilfred Owen and editor of The Oxford Book of War Poetry
