The Book of Canadian Poetry Arthur James Marshall Smith,1953 **Selections from Canadian Poets** Edward Hartley Dewart,1864 **Canadian Poets and Poetry (Classic Reprint)** John William Garvin,2016-11-23 Excerpt from Canadian Poets and Poetry Poetry at its height implies beauty and the driving force of passion It implies also the austerity and emotional restraint which means spiritual strength and it is primarily to the inherent strength of this Art which faces and pictures the truth in nature and human nature that the people have turned in times past and will turn in times to come This volume contains brief but inclusive records of fifty men and women to whom song has come first Many of their poems are indigenous to the soil vitally healthfully Can adian others are tinged with the legendary and mythical lore of older lands but all are of Canada inasmuch as the writers have lived in this country and have been in uenced by its history and atmosphere at a formative period of their lives Among them one ventures to think there are world voices A recent reading of the published verse of Bliss Carman has convinced me that he must soon be more widely recog nized as a poet of preeminent genius He is greater than some of more extended fame for the reason that his poetry expresses a nobler and more comprehensive philosophy of life and being Bliss Carman has achieved more greatly than many others of this

generation because he has realized more fully than they that the Infinite Poet is constantly and eternally seeking media for expression and that the function of a finite poet is to steadily improve the instrument to keep it expectantly in tune and to record the masterpieces About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Confederation Group of Canadian Poets, 1880-1897 D.M.R.

Bentley,2013-12-11 As one of the formative periods in Canadian history the late nineteenth century witnessed the birth of a nation a people and a literature In this study of Canada s first school of poets D M R Bentley combines archival work including extensive research in periodicals and newspapers with close readings of the work of Charles G D Roberts Archibald Lampman Bliss Carman William Wilfred Campbell Duncan Campbell Scott and Frederick George Scott Bentley chronicles the formation reception national and international successes and eventual disintegration after the 1895 War Among the Poets of the Confederation Group whose poetry forever changed the perception and direction of Canadian literature With the aid of biographical political and sociological analyses Bentley s literary history delineates the group s political aesthetic and thematic dispositions and characteristics and contextualizes them not only within Canadian history and politics but also within contemporary intellectual and literary currents including Romantic nationalism Canadianism and poetic formalism Bentley casts new light on the poets commonalities such as their debt to Young Ireland their commitment to careful workmanship and their participation in the American mind cure movement as well as on their most accomplished and anthologized poems from 1880 to 1897 In the process he presents a compelling case for the literary and historical importance of these six men and their poems in light of Canada s cultural and political past and defends their right to be known as Canada s first poetic fraternity at a time when Canada was striving to achieve literary and national distinction The Confederation Group of Canadian Poets 1880 1897 is an erudite and innovative work of literary history and critical interpretation that belongs on the bookshelf of every serious scholar of literary studies The Routledge Introduction to Twentieth- and Twenty-First-Century Canadian Poetry Erin Wunker,2022-11-21 When asked the question what is the power of poetry writer Ian Williams said poetry punctures the surface Williams statement that poetry matters and that it does something is at the heart of this book Building from this core idea that poetry perforates the everyday to give greater range to our lives and our thinking the practical and pedagogical aim of this book is twofold the first aim is to provide students with an introduction to the key cultural political and historical events that inform twentieth and twenty first century Canadian poetry and to familiarize those same readers with poetic movements trends and forms of the same time period This book

addresses the aesthetic and social contexts of Canadian poetry written in the twentieth and twenty first centuries it models for its readers the critical and theoretical discourses needed to understand the contexts of literary production in Canada Put differently readers need a sense of the where and how of poetic production to help situate them in the what of poetry itself In addition to offering a historically contextualized overview of the significant movements developments and poets of this time period this book also familiarizes readers with key moments of reflection and rupture such as the effects of economic and ecological crisis global conflicts and debates around appropriation of culture This book is built on the premise that poetry in Canada does not happen outside of political social and cultural contexts

Canadian Poets, 1960-1973 George Woodcock, 1976-01-01 Compiled in 1976 by George Woodcock this book lists works by 600 poets in 1200 books and booklets during the era leading up to Canada's literary coming of age This listing of the writings in verse of Canadian poets between 1960 and 1973 came into existence because I was invited by Carl F Klinck the General Editor of the Literary History of Canada to write for a new edition of that work the chapter covering poetry published in Canada since 1960 It was obvious that my first need was an adequate list for I very soon realized that in quantity even more than in character the poetry published in Canada during the past decade has differed radically from what had appeared at any other time in the literary progress of our country

Among the Millet and Other Poems Archibald Lampman, 2022-09-16

In *Among the Millet and Other Poems*, Archibald Lampman masterfully weaves nature and emotion into a tapestry of poignant lyricism. This collection showcases Lampman's signature style, characterized by vivid imagery and rich sensory detail, exploring themes of nature, human experience, and the delicate balance between the two. Set against the backdrop of late 19th-century Canadian literature, the poems reflect the romantic tradition while foreshadowing modernist tendencies, allowing readers to experience both the beauty and ephemerality of life through Lampman's introspective lens. Archibald Lampman, often regarded as one of Canada's most significant poets, drew inspiration from his surroundings and personal meditations. His upbringing in rural Ontario and his deep appreciation for the natural world evidently informed his poetic voice. As a member of the Confederation Poets, Lampman's work represents the evolution

of Canadian poetry at a time when national identity was being firmly established allowing him to encapsulate both local environments and universal themes in a profound manner Recommended for both poetry aficionados and newcomers alike Among the Millet and Other Poems invites readers to revel in Lampman s appreciation of nature and introspection This collection not only enriches the Canadian literary canon but does so with lyrical beauty that resonates universally making it an essential read for those seeking a deeper understanding of the human experience [Here is a Poem](#) League of Canadian Poets, Florence McNeil, 1983 *Profiles in Canadian Literature* Jeffrey M.
