Play Production For Little Theaters, Schools And Colleges Milton Smith, 2012-10-19 Putting on a production can be confusing but with this helpful step by step guide you can guarantee a successful show from the first rehearsal to the closing night Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *Dramatic Bibliography*, 1933 **The Little Theatre on the Square** Beth Conway Shervey, 2000 Beth Conway Shervey examines the cultural consequences of an Equity theatre in a small midwestern farm town Although many in the Midwest and beyond know the story of The Little Theatre On The Square in Sullivan Illinois Shervey is the first to consider what the existence of such a theatre means to perceptions of life in the town To tell the story of Sullivan and of its star theatre in a cornfield from the perspective of the residents involved Shervey uses oral history and dozens of photographs by David W Mobley the theatre's longtime photographer Sullivan resembles most small towns in the Midwest and The Little Theatre differs little from most professional summer stock theatres Yet taken together the small town and its theatre are clearly unusual and the existence of the theatre obviously alters perceptions of life in the small town Before the theatre opened in 1957 Sullivan decidedly was a product of its time the town sported a strong local chapter of the WCTU moral people avoided taverns liberals and Catholics were the minorities and the population was predominantly white While the theatre didn't effect instant change it did introduce people to Sullivan who were obviously different Stars such as Betty Grable Cesar Romero Margaret Hamilton and Pat O'Brien came into town Aspiring actors and those behind the scenes also mingled with the residents of Sullivan As a result Shervey finds Sullivan faced such issues as racism homophobia urban liberalism and alcohol consumption at a much faster rate than similar towns For some the theatre disrupted a sense of the normal for others the theatre made life in Sullivan different and interesting breaking the restrictive bonds typically associated with small towns **The Torchbearers** Karen J. Blair, 1994-02-22 Blair's meticulous research has produced a complex work that is both encyclopedic and lively The Journal of American History With its valuable bibliography this book should be an essential purchase for most libraries Choice With its detailed examination of both local and national organizations this volume is a valuable addition both to the growing literature on women's associations and to the development of nonprofit enterprise in the arts ARNOVA News Blair's insistence on the significance of her subject and her skillfully researched treatment of it is welcome and useful American Historical Review Readers interested in women's history American cultural history and popular culture should all enjoy this book Illinois Historical Journal An indispensable overview of women's cultural activities in promoting and popularizing a wide variety of cultural enterprises from music to artists colonies Kathleen D McCarthy The women's arts clubs that flourished during the Progressive Era were more than havens for artistic dilettantes As advocacy groups they effectively promoted universal access to the fine arts leaving a vital legacy of

cultural programs and institutions **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2009 Volume 8: More Children's Theatre Vijay Padaki (Series Editor), 2025-01-25 Beginning with a one off production in 1966 The Ungrateful Man there was a steady build up of projects and activities in Bangalore Little Theatre to comprise a full fledged programme thrust committed to schools and young audiences The five plays in Volume 8 bring us to the year 2021 in the Children s Theatre programme Volume 3 was the first compilation of Children s Theatre plays The two Volumes include only the plays presented as performances in the programme series They do not reveal a lot else done in parallel in reaching schools There are also the plays developed specifically for the Theatre in Education programme We will see some of that work in Volume 9 The plays in this Volume and A Bellyful of Paradise in particular reiterate BLT s position that children are capable of far higher levels of comprehension than we care to recognize Indeed they have often absorbed play scripts that went over the heads of adult audiences Children s Theatre is too often equated with fun and froth on stage dumbing down the storyline and actors talking down to the children It need not be so Going by the credo of Theatre for Young Audiences TYA it must not be so The plays by BLT are designed to tour schools They include schools in rural areas and schools reaching underprivileged communities The response of the children to the plays is the greatest testimony to what we have set out to do in Children s Theatre *Alumnae Theatre Company: Nonprofessionalizing Theatre in Canada* Robin C. Robin Whittaker, 2008 In Hot Thespian Action Robin Whittaker argues that new plays can thrive in amateur theatres which have freedoms unavailable to professional companies He proves it with ten relevant engaging playscripts originally produced by one of Canada s longest running theatres Edmonton s acclaimed Walterdale Theatre Associates This collection challenges notions that amateur theatre is solely a phenomenon of the pre professional past Whittaker makes an important contribution to Canadian theatre studies with the first North American anthology in 80 years to collect plays first produced by a nonprofessionalized theatre company

Greater Boston Community Theater Judson Lee Pierce, 2006 The roots of community theater can be traced back to before the Revolutionary War In the years that followed many towns throughout America were fortunate to have both professional and amateur acting companies The evolution of the moving picture forced many of these professional theaters to

close their doors but theater lovers in small communities still wanted the real thing live theater Today there are numerous community theater groups around the Boston area including the oldest continuing community theater group in the country the Footlight Club which was founded in 1877 In the spirit of community many theater companies donate to charities and sponsor playwriting contests and scholarship programs They all share a common goal bring live theater to suburban communities Greater Boston Community Theater presents rare photographs from more than a dozen community theaters to document and celebrate the rich tapestry of theater life **The Little Theatre of Dallas Magazine** ,1927-10 **Library of Congress Subject Headings** Library of Congress.
