Beauty of True Love Vanita Godara, 2022-01-06 Unconditional love is the greatest power of all David Hawkins And then there was silence Silence in the wake of a prolonged storm that has just passed and all that is left is this silence followed by peace A sense of stillness like the world is at rest everything is serene Yet the peace doesn't really last because the mind filled with ego love is a stranger to this feeling The mind feels anxious as if something is lacking and another storm is on its way which will knock down the building still standing in aftermath of the previous storm And all it is doing is resting in this ephemeral silence while inevitably peace is going to turn into utter chaos This is what the ego love dominated mind is waiting for and surely that loving peace is fading away gradually and the silence is getting replaced with cluttering self limiting thoughts Yet the heart knows that it can hold on to that loving peace forever There doesn't have to be another storm or if there is one it doesn't have to cause noise or havoc The heart knows that to live with peace for all eternity the tether to hold onto is true unconditional love And then only this silence will not be feared by the mind It will just be loved the way it really has to be The sigh of relief can become an everlasting breath of love only if the heart can remove the clutches of fear and all the negative emotions Only if the heart can connect to true love make it the only intention then all the dreams will become reality and the heart will finally be at peace full of inner convictions In this book you will be able to feel this power of unconditional true love residing in your heart As you read you will be encouraged to shift your perspective towards life from existing with ego love to that of living with true love So embark on this journey of recognising the beauty of true love by reading this wonderful collection of poems Simple yet profound these poems will inspire you to look within and connect to your true love
