Bombay Deaths Incident:

The Bombay Deaths Incident Terrance Dicks,2001 The Bombay authorities are in uproar Travellers are being robbed and murdered every one strangled from behind with a silk scarf It appears that the deaths are being caused by a religious cult Can Matt and the Professor find the killers **DEATH TO ONE, LIFE TO ANOTHER** Mohammed Sultan

Sayyed,2019-07-23 There is no doubt that the events of 12 March 1993 which took place at Bombay were the ghastliest of events It is also wrong to directly connect the events of 12 March 1993 with the demolition of Babri Masjid on 06 December 1992 The events of 12 March 1993 took place only because of the partial treatment meted out to the Muslims of Bombay by the State during the riots which took place after the demolition of the Babri Masjid on 06 December 1992 In the name of investigations of the 12 March 1993 case the entire community was targeted We Indians were made to believe that the accused from 12 March 1993 were dealt with justice Being associated with the case as an accused made me wonder as to how the judiciary did all these things while delivering justice I would not have found all these wonders had I got a job as an Islamic Finance Consultant but for the need of a passport as it was outside of India Passports were granted by the State even to those who stood convicted in the same case for far more serious charges than mine I took it to be the desire of the Supreme Power to narrate the injustice done in this case The Imperial and Asiatic Quarterly Review and Oriental and Colonial Record ,1897 Beginning Apr 1895 includes the Proceedings of the East India Association The imperial and Asiatic quarterly review ,1897 **Discipline and the Other Body** Anupama Rao,Steven Pierce,2006-05-03 A comparative historical and ethnographic perspective on corporeal violence the body s emergence as a political entity in colonial and postcolonial governance and the production of a discourse of human rights **A narrowing space: Violence and discrimination against India's religious minorities** ,2017-06-29 Religious minorities have long been the target of a range of different forms of persecution such as hate crimes threats attacks on places of worship and forced conversion Nevertheless in recent years there has been rising hostility against India s religious minorities particularly since the current right wing BJP government promoting Hindu nationalism took power at the national level after its election in May 2014 In particular communal violence disproportionately affects India s religious minorities especially Muslims but also Christians and Sikhs While often instrumentalized for political gains communal violence draws on and exacerbates a climate of entrenched discrimination against India s religious minorities with far reaching social economic cultural and political dimensions Such violence is frequently met with impunity and in certain instances direct complicity from state actors ranging from inciting violence through hate speech to refusing to properly investigate communal incidents after they have occurred The aim of this short briefing is to contextualise these recent developments drawing attention to the ways communal violence is linked to wider discrimination against religious minorities and infringes upon their enjoyment of minority rights

Demetrius Charles Boulger,1897 Beginning in 1895 includes the Proceedings of the East India Association *The Asiatic Quarterly Review* ,1897 **Crossing the Barriers : A Study of Shashi Deshpande's Fiction** Dr. Sunita Goyal,2021-11-25

About the book The book is a compact and authoritative study of the female characters in Deshpande s novels from psychoanalytical point of view using mainly Karen Horney s theory of neurosis and the theories of a few other Western feminist theorists and feminist psychoanalysts such as Carol Gilligan Virginia Woolf Nancy Chodorow Sandra Gilbert and Susan Gubar Juliet Mitchell Luce Irigaray Helene Cixous and Julia Kristeva These theories attempt to trace the causes of conflicts and neuroses in women their coping strategies their self analyses and their journey towards reconciliation when they start articulating their individual urge and asserting their selves not only as daughters wives and mothers but also as autonomous and self actualized women Thorough in content stimulating in approach here is an invaluable companion to Deshpande s texts
