*Derek Walcott, The Journeyman Years, Volume 1: Culture, Society, Literature, and Art* Gordon Collier, 2013-12-06 During the same period in which Derek Walcott was pouring immense physical, emotional, and logistical resources into the foundation of a viable first-rate West Indian theatre company and continuing to write his inimitable poetry, he was also busy writing newspaper reviews, chiefly for the Trinidad Guardian. His prodigious reviewing activity extended far beyond those areas with which one might most readily associate his interests and convictions. As Gordon Rohlehr once presciently observed, "If one wants to see a quotidian workaday Walcott, one should go back to his well over five hundred articles, essays, and reviews on painting, cinema, calypso, carnival, drama, and literature, articles which reveal a rich, various, witty, and scrupulous intelligence in which generous humour counterpoints acerbity. These articles capture the vitality of Caribbean culture and shed additional light on the aesthetic preoccupations expressed in Walcott's essays published in journals. The editors have examined the corpus of Walcott's journalistic activity from its beginnings in 1950 to its peak in the early 1970s and have made a generous selection of material from the Guardian along with occasional pieces from such sources as Public Opinion, Kingston, and The Voice of St. Lucia. The articles in Volume 1 are organized as follows: Caribbean society, culture, and the arts; generally, literature and society; periodicals; anglophone poetry; prose fiction and non-fiction; African and other literatures; and the visual arts: Caribbean and beyond. The volume closes with a selection of Walcott's miscellaneous satirical essays. The volume editor, Gordon Collier, has written a searching introductory essay on a central theme: here, a critical comparative analysis of Walcott's development as journalist against the historical background of press activity in the Caribbean, coupled with an illustrative discussion drawing on Walcott's newspaper articles of his attitudes towards prose fiction and poetry."
