Bonanza Girl Patricia Beatty, 1993-01-01 2019 **Bonanza Girl**, *The Standard Poland-China Record* Standard Poland-China Record Association, Maryville, Mo, 1896 *Merchant Vessels of the United States...* United States. Coast Guard, 1977 *Waking Sleeping Beauty* Roberta S. Trites, 1997-06 The Sleeping Beauty in Roberta Seelinger Trites intriguing text is no silent snoozer passively waiting for Prince Charming to energize her life Instead she wakes up all by herself and sets out to redefine the meaning of happily ever after Trites investigates the many ways that Sleeping Beauty's newfound voice has joined other strong female voices in feminist children's novels to generate equal potentials for all children Waking Sleeping Beauty explores issues of voice in a wide range of children's novels including books by Virginia Hamilton Patricia MacLachlan and Cynthia Voight as well as many multicultural and international books Far from being a limiting genre that praises females at the expense of males the feminist children's novel seeks to communicate an inclusive vision of politics gender age race and class By revising former stereotypes of children's literature and replacing them with more complete images of females in children's books Trites encourages those involved with children's literature teachers students writers publishers critics librarian booksellers and parents to be aware of the myriad possibilities of feminist expression Roberta Trites focuses on the positive aspects of feminism on the ways females interact through family and community relationships on the ways females have revised patriarchal images and on the ways female writers use fictional constructs to transmit their ideologies to readers She thus provides a framework that allows everyone who enters a classroom with a children's book in hand to recognize and communicate with an optimistic reality based sense of happily ever after the politics and the potential of that book *Standard Poland-China Record* Standard Poland-China Record Association, Maryville, Mo, 1893 **Brothels, Bordellos, and Bad Girls** Jan MacKell Collins, 2007-10-16 This look at prostitution in Colorado 1860 1930 uncovers the lives and woes of working girls in mining towns such as Cripple Creek **Merchant Vessels of the United States**, 1978 From 1894 95 1935 36 pt 6 of each volume is issued separately with titles 1894 95 1902 03 Code list of merchant vessels of the United States 1903 04 1935 36 Seagoing vessels of the United States **Good Time Girls of Colorado** Jan MacKell Collins, 2019-08-22 Throughout the Gold Rush years and beyond prostitution grew and flourished within the mining camps small towns and cities of nineteenth century Colorado Whether escaping a bad home life lured by false advertising or seeking to subsidize their income thousands of women chose or were forced to enter an industry where they faced segregation and persecution fines and jailing and battled the hazards of their profession Some dreamed of escape through marriage or retirement and some became infamous and even successful but more often found relief only in death An integral part of western history the stories of these women continue to fascinate readers and captivate the minds of historians today The Centennial State had its share of working girls and madams like Mattie Silks and Jennie Rogers who remain notorious celebrities in the annals of history but Collins also includes the stories

of lesser known women whose roles in this illicit trade help shape our understanding of the American West **MEMOIRS**
