Kemp,2024-05-23 Coming out of eight years teaching at a high school in Auckland New Zealand this book explores big questions that teenagers themselves generated in Christian Education classes and in a course called Theory of Knowledge in the International Baccalaureate Diploma In thirty letters to his students Hugh Kemp addresses their big questions noting that many conversations are unfinished and that we grow in the direction of our questions All the letters are creatively generated but do represent real questions that students actually asked revealing the inner lives and priorities of twenty first century teenagers Kemp demonstrates a warmth and love for his students but also a critical edge always challenging them to examine their assumptions to see how far down the elephant goes *U2 and Philosophy* Mark A. Wrathall,2012-03-30 Is it possible to be a committed Christian and a rock superstar Can political activists make good music Do hugely successful rock bands really care about AIDS and poverty in Africa or is it just another image enhancing schtick U2 and Philosophy ponders these and other seeming dichotomies in the career of the Irish supergroup For over two decades U2 has been one of the biggest acts in rock music They ve produced over a dozen platinum and multiplatinum records and won 15 Grammy Awards Critics everywhere have praised the band s thoughtful complex lyrics and the artistry of their music At the same time Bono the group s lead singer has dedicated himself to political and social causes blurring the line between rock star and respected statesman Offering fresh insight into the band s music and activism these thought provoking essays allows fans to discover philosophy through the eyes of U2 and rediscover U2 through the eyes of philosophers **Bono** Mick Wall,2013-04-26 From his childhood in Dublin to his superstardom to his emergence as one of the world s great philanthropists here is the story of Bono Not only is Bono a crucial element in the most dazzlingly inventive band since the Beatles he is also the most overtly politicized rock superstar since John Lennon and the biggest espouser of interracial harmony and spiritual one love since Bob Marley He is also one of the very few major rock artists to open up about his deepest spiritual beliefs his religion both in interview and in song and not be despised for it or thought less of As a result though it was for U2 s music pure and simple that the name Bono first became famous the vast international reach he now enjoys has to do with more than mere rock stardom It s to do with the huge social responsibility he has decided comes with it With a long history of campaigning behind

him from the movingly rousing Sunday Bloody Sunday to the moment he phoned Bill Clinton live on stage as images of war ravaged Sarajevo flashed across giant screens behind him politics and rock n roll have always been linked in Bono s mind
