

The background of the cover features a stack of several old, worn books with yellowed pages and dark covers. A blue string is tied around the stack. In the foreground, there is a photograph with a white border, showing a dark, textured surface. The entire scene is set against a light, neutral background.

Book Of Daniel Drew:

The Book of Daniel Drew Bouck White,1969 **The Book of Daniel Drew** Daniel Drew,1969 **The Book of Daniel Drew** Bouck White,2015-07-12 Excerpt from *The Book of Daniel Drew A Glimpse of the Fisk Gould Tweed Regime From the Inside* A caution to the reader is necessary From the fact that these papers are put in the first person throughout one unwarned would get the impression that they were left by Mr Drew in finished form and that may task as editor had been merely to dig up from the rubbish of some attic a bundle of manuscript undiscovered these thirty years since his death and hand it over to the printer This view would be the more natural because of the following article I quote it in part which appeared in the New York Tribune February 8 1905 A diary of Daniel Drew containing pen pictures of former Wall Street celebrities and accounts of old time financial transactions has been discovered It came to New York the other day in an old trunk which was shipped down from Putman County to a grandniece of the financier from the Drew estate in Carmel Yesterday in going through her consignment she came upon the diary Jim Fisk is mentioned often in its pages and also Cornelius Vanderbilt Events of Black Friday are touched on The article goes on to state that the diary would be prepared for publication About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Book of Daniel Drew;** Bouck White,2009 *The Book of Daniel Drew - A Glimpse of the Fisk-Gould-Tweed Regime from the Inside* Bouck White,2010-03 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The Book of Daniel Drew; a Glimpse of the Fisk-Gould-Tweed Régime from the Inside** Bouck White,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1910 edition Excerpt WE NOW got a bill introduced in the Jersey Legislature which was then in session incorporating the Erie Railroad under a New Jersey charter with headquarters in Jersey City The bill proposed to give to the road all of the rights which it held as a York State corporation Vanderbilt as soon as he heard that such a bill had been introduced got a lobby to work at Trenton and fought the bill tooth and nail So long as we were in Jersey as a visitor he knew he would have a handle on us The Erie charter was a York State thing and didn't look to any moving of the headquarters permanently out of the State So if Vanderbilt could defeat us in getting a home in Jersey he would be able to get us back onto York State soil soon or late But we also set a lobby to work And here we had two or three things in our

favour We were nearer Trenton than he was In the next place we had a lot of ready cash whereas he was scant of cash by precisely the amount which had been put into our Dockets And in the third place it was a welcome thing to Jerseyites this prospect of moving the headquarters of the railroad to their soil We worked this last lever all we could We wanted at least the appearance of a settled abode in Jersey City so that the Commodore would give up the job of waiting for us to come back and go to something else We made believe that we liked it in Jersey even better than we had over in New York In fact we even went so far as to get Jay to buy a beautiful house in Jersey City and to give out that he would move his family there shortly With these helps we got the bill jammed through both houses of the Legislature at Trenton The Governor signed it This was notice served on Vanderbilt that we were in this fight in earnest
