 Assembly,William Eves Moore,1861 *Methodist Morals* Darryl W. Stephens,2024-01-12 Methodist Morals offers keen
 insight into the public church interpreting the United Methodist Social Principles as a dynamic discourse about morality and
 human rights in light of faith Revised every four years by the General Conference of the United Methodist Church the Social
 Principles exposes the moral deliberations of this distinctly American and increasingly worldwide church as it struggles to
 achieve community across multiple languages and cultures Perhaps no other document provides as rich a depiction of
 Protestants participating in the moral argument of public life This is the first full length study of Methodist social teachings
 in over fifty years Examining official Methodist teachings from institutional historical and cross cultural perspectives Darryl
 Stephens provides a rich analysis of this case study of Protestant social witness drawing on his expertise in church polity
 Methodist history and Christian social ethics A wide range of comparisons with documents of the United Nations with moral
 debate in Germany and Zimbabwe and with historical Methodist statements of social witness shows the Social Principles to
 be a unique form of social witness The issues of war abortion human sexuality and marriage illustrate the messiness of
 democratic deliberation in an ecclesial context and the evolution of a people ever concerned with the sin of worldliness even
 as they become more attuned to transforming social structures Stephens also contrasts this conception of the public church
 with the ecclesiologies of prominent Methodist ethicists Stanley Hauerwas and Paul Ramsey Intended for students of
 Methodism ecumenical church leaders and scholars of Christian social ethics and contemporary US mainline religion this
 work reveals the challenges to and possibilities for achieving moral community in an increasingly global and diverse world
 DARRYL W STEPHENS director of United Methodist studies at Lancaster Theological Seminary is former assistant general
 secretary for advocacy and sexual ethics in the UMC s General Commission on the Status and Role of Women He is the
 coeditor of Professional Sexual Ethics A Holistic Ministry Approach
