Book Of Gardens:

The History of Gardens Christopher Thacker, 1985-10-22 Christopher Thacker tells the history of gardens from their origins in the natural paradises of Greek myth to the present day Studying individual gardens or garden topics which are representative of an age or region he builds up a comprehensive survey of the gardens and garden theories of an era Google Books

The English Country House Garden George Plumptre, 2018-10-02 This book will inspire and delight the stories of these gardens so compellingly captured by George Plumptre make the reader stop and tarry awhile marvelling at the energy the vision and the passion of the people who created gardens such as Hidcote Sissinghurst and Great Dixter The English Garden A feast of horticulture and Englishness House here is a space to wander and relax to share secrets and above all to enjoy afternoon tea But even the most peaceful of gardens also take passion and hard work to create This new book takes a fresh look at the English country house garden starting with the owners and the stories behind the making of the gardens Glorious photographs capture the gardens at their finest moments through the seasons and a sparkling and erudite text presents twenty five gardens some grand some personal some celebrated some never before photographed to explore why this garden style has been so very enduring and influential From the Victorian grandeur of Tyntesfield and Cragside to the Arts from Scampston in the same family since the 17th century to new gardens by Dan Pearson and Tom Stuart Smith and with favourites such as Hidcote and Great Dixter alongside new discoveries this book will be a delicious treat for garden lovers

The Private Gardens of England Tania Compton, 2015-10-15 The Sunday Times Gardening Book of the Year Described by Vogue as the revelatory garden book for our age and a splendid new book Sebastian Shakespeare Daily Mail The Private Gardens of England is a glorious celebration of the art of gardening through some of the country's hidden horticultural jewels Thirty five English private gardens thoughtfully selected by the writer and designer Tania Compton are vividly described in the words of their owners who bring an astonishing sense of intimacy to their own creations as well as their collaborations with some of the leading garden designers of today From the Bannermans romantic Cornish castle to the windswept shores of Howick in Northumberland via Jasper Conran in Somerset and Tom Stuart Smith in Hertfordshire an eclectic range of gardens is revealed The traditional English garden is seen through the fresh eyes of plantswomen such as Mary Anne Robb at Cothay Manor and Arabella Lennox Boyd at Gresgarth Hall alongside Hilborough House in Norfolk and Ferne Park in Dorset that recently only existed as fields The historic landscape gardens of Boughton House and St Paul's Walden Bury are explored alongside the contemporary and conceptual at Plaz Metaxu in Devon From the private walled garden at Petworth to the wildflower strewn meadows of Spye Park each garden is a testament to the thriving art of English gardening With contributions from the country's best garden photographers The Private Gardens of England reveals gardening at its highest level It will inform and inspire anyone with a love of gardening beauty and excellence The photographs are take your breath away spellbinding The minute level of detail here will satisfy real gardeners elevating this

book far above its competition Sarah Feeley English Garden Captures a brilliant moment in our history where plantsmanship good design and love of plants have all come together compelling format the photography and production are superb Kathryn Bradley Hole Country Life One of Christopher Woodward s Books of the Year in the Evening Standard **Gardens of the National Trust new edition** Stephen Lacey,2011-07-21 The National Trust has the finest collection of gardens in the United Kingdom In this book Stephen Lacey paints a vivid historical and horticultural picture of the individual gardens placing them firmly within the context of gardening history in Britain All the major periods and styles of garden design are represented ranging from the formality of early gardens such as Hanbury Hall and Ham House magnificent 18th century landscapes like Stowe and Croome Park and the heady Victorian creations of Biddulph Grange and Waddesdon Manor to the famous plantsmen s gardens of the last century such as Nymans Hidcote Manor and Sissinghurst Castle Much has happened in the gardens of the National Trust since the last revision of this book and this edition has been substantially revised to embrace recent restorations notably of walled kitchen gardens in numerous properties to introduce recently acquired properties and to showcase superb new photography Nine gardens make their debut in this new edition the Trust having acquired Seaton Delaval Hall Sunnycroft Godolphin Quarry Bank House and parts of the surrounding Styal estate and undertaken improvements at Treasurer s House Goddards Wordsworth House and Sheringham Woolbeding also opens for the first time presenting the work of more contemporary garden designers The book serves as a practical guide as well as a source of inspiration Each entry gives details of soil type and climate and an appendix includes many other gardens to visit In addition there are practical features on different aspects of gardening written by National Trust head gardeners Glorious colour photographs illustrate the entries complementing the text to bring the gardens to life **Gardens and Gardeners of the Ancient World** Linda Farrar,2016 From the earliest of times people have sought to grow and nurture plants in a garden area Gardens and Gardeners of the Ancient World traces the beginning of gardening and garden history from Ancient Egypt and Mesopotamia to the Minoans and Mycenaeans Greeks Etruscans and Romans through Byzantine Islamic and Persian gardens right up to the Middle Ages It shows how gardens in each period were designed and cultivated Evidence for garden art and horticulture is gathered from surviving examples of ancient art literature archaeology actual period gardens that have survived the centuries and the wealth of garden myths associated with certain plants These sources bring ancient gardens and their gardeners back to life and provide information on which plants were chosen as garden worthy their setting and the design and appearance of ancient gardens Deities associated with aspects of gardens and the garden s fertility are featured everyone wanted a fertile garden Different forms of public and domestic gardens are explored and the features that you would find there whether paths pools arbors and arches seating or decorative sculpture The ideal garden could be like the Greek groves of the Academy in Athens a garden so fine that it was comparable with that of the mythical king Alcinoos the paradise contemplated by the Islamic world or a personal version of a garden of Eden that Early Christians could create for

themselves or in the forecourt of their churches In general books on garden history cover all periods up to the present often placing all ancient gardens in one chapter at the beginning But there is so much of interest to be found in these early millennia Generously illustrated with 150 images with plant lists for each period this is essential reading for everyone interested in garden history and ancient societies **Extraordinary Gardens of the World** Monty Don, 2010-01-06 Monty Don spent six months visiting gardens all over the world for his groundbreaking and highly successful television series AROUND THE WORLD IN 80 GARDENS During filming he and the camera crew also spent time taking still photographs to record the extraordinary variety of gardens they visited Many thousands of images resulted This large format lavishly illustrated book presents the best of this unique archive Featuring entirely new images it captures the spirit of the gardens and celebrates the cultures and contexts in which they flourish The sheer size and number of images allows an unforgettable progression of grand vistas and intimate details from all over the world **A Book of Gardens** Alfred H. Hyatt, 1913

Borde Hill Garden Vanessa Berridge, 2022-04-20 Borde Hill Garden is set in historic parkland in a designated Area of Outstanding Natural Beauty in West Sussex The Elizabethan mansion was purchased in the 1890s by Colonel Stephenson Robert Clarke who set about creating the garden and woodland using plants from several continents brought back to England by the great plant hunters of the early 1900s Well over a century and three generations later Borde Hill remains in the ownership of the Stephenson Clarke family and today is renowned for its collection of rare shrubs and trees This beautiful new book the first dedicated to Borde Hill is structured in two main parts For the first The History Vanessa Berridge has had exclusive access to the Borde Hill archive which contains not only family photographs but also a wealth of written sources such as letters between Stephie and nurserymen directors of botanical gardens other landowners and plant hunters Giving unique insight into the horticultural world and social history of the interwar years this correspondence reveals acts of courage by such famed plant explorers as George Forrest and Ernest Wilson and the professional level of accomplishment of Stephie and his gardening acquaintances The second part of the book takes the reader on an extended tour of the garden illustrated by the glorious photography of John Glover Borde Hill is laid out as a series of intimate outdoor rooms including the Old Rhododendron Garden the Rose Garden and the terraced Italian Garden With its variety further encompassing wide lawns that flow out into the countryside many plant species not found elsewhere in Britain and one of the country's largest collections of privately owned rare trees it is no wonder that Borde Hill lays claim to offering visitors the world in one garden Concluding with information on Borde Hill's historic plants its many RHS Awards of Merit and its 70 champion trees this authoritative engaging book is a fitting celebration of one of Britain's great heritage gardens
