Book Of God:

Who Is God? Richard Bauckham, 2020-07-21 Internationally respected scholar Richard Bauckham offers a brief engaging study of divine revelation in Scripture. He probes the deep meaning of well known moments in the biblical story in order to address the key question the Bible is designed to answer: Who is God? Accessible for laypeople and important to scholars, this volume begins by exploring three key events in the Bible in which God is revealed: Jacob's dream at Bethel, the revelation of the divine presence to Moses at the burning bush, and the revelation of the divine Name and Moses on Mount Sinai. In each case, Bauckham traces these themes through the rest of Scripture. He then shows how the New Testament builds on the Old by exploring three revelatory events in Mark's Gospel: Jesus's baptism, transfiguration, and crucifixion. This book is based on the Frumentius Lectures for 2015 at the Ethiopian Graduate School of Theology in Addis Ababa and on the Hayward Lectures for 2018 at Acadia Divinity College, Nova Scotia. *Who Is God? Dr. Frances McIntyre, 2005-06-23 This book is about who God is and because of the word of God which is included in this book, you will be blessed and learn something about God which you did not know. God is the beginning and the ending; God is the first and last; God is and was before nothing. What is nothing? Nothing does not exist. God is the only true God because God is the source of all power. God is

everywhere All the time at the same time God know everything and God is all powerful God is the solution and the answer to all problems and every situation regardless of the severity Most of all God is love and He loves us all with an everlasting love Read this book and find the answers to these six interrogatives Who What When Where How and Why **The Book God Breathed** Keith Mosher,2015-08-04 The very foundation of Christianity is the fact that Jesus Christ is the only begotten Son of God John 3 16 But what assurance exists that He is deity except that the Holy Scriptures are proven to be the infallible message from God Since the Bible was written by human beings for human beings man s very hope rests upon the question Could the Scriptures be the very Word of God though penned by men Brother Mosher will affirm the answer to be yes Curtis Cates The Living God R. T. France,2003-02 This book is not an academic study of what the church has taught or what scholars have said but rather a challenging study of what the Bible itself says about God In The Living God author R T France encourages us to come to grips with the broad sweep of biblical data showing us that the God of the Bible is neither passive nor far removed from our everyday lives but rather a dynamic and living reality to be engaged Back cover **God's Beauty Parlor** Stephen D. Moore,2001 God s Beauty Parlor opens the Bible to the contested body of critical commentary on sex and sexuality known as queer theory and to masculinity studies The author pursues the themes of homoeroticism masculinity beauty and violence through such texts as the Song of Songs the Gospels the Letter to the Romans and the Book of Revelation *A Critical and Exegitcal Commentary on the Book of Psalms* ,1875 *God* Alexander Waugh,2002 What food does He like to eat What are His family like What did He do before creating the world The answers to all these questions are in the Bible or have been written about by those who know Him best saints popes and visionaries In this account of God s life Alexander Waugh author of *TIME* tackles the biggest subject of them all So many stories about God have been forgotten or edged out of the familiar tales that we have lost out understanding of Him Now we can once again find out more about who it is that we pray to *The Holy Bible: Book of Job, Psalms, Proverbs, Ecclesiastes, and Song of Solomon* ,1876 **God's EPIC Adventure** Winn Griffin,2007-10 Griffin uses Bishop Tom Wright s five act play model as a way of presenting Scripture as a full length story in order to assist the reader in a better reading experience of the text Christian **FREE to SERVE, God's Liberated Woman** Jennifer Wallace,2006 **The God Who Plays** Brian Edgar,2017-12-20 Many people would be surprised to hear that a playful attitude towards God and the world lies at the heart of Christian faith Traditionally Christians have focused on the serious responsibilities of service sacrifice and commitment But the prophets say that the future kingdom is full of people laughing and playing which has implications for Christians who are called to live out the future kingdom in the present Play is not trivial or secondary to work and service only a playful way of living does justice to the seriousness of life Play is the essential and ultimate form of relationship with God which is why Jesus told people to learn from children Indeed a playful attitude is an important part of all significant relationships This book explores grace faith love worship redemption and the kingdom from the perspective of a playful attitude It describes how to create a play ethic to

match the work ethic and discusses play as a virtue Aquinas's warning against the sin of not playing enough and Bonhoeffer's claim that in a world of pain it is only the Christian who can truly play **Prophets in the Quran** Brannon

God's Champion Robert W. Butler, 2012-11-30 Job God's champion offers experiential insight into the nature and workings of God Job is not the main character of the book of Job rather it is God The opening scene is in heaven and God's relationship with humanity is challenged Job's life becomes the arena of contention in this attack on God As a result Job loses family wealth and health Job and his friends argue over God's actions and man's experiences in the world God clarifies that Job spoke what was right about Him Here are a few important lessons from Job's life God wants a relationship with you We need a mediator for our spiritual condition God operates for His own glory Suffering may be a part of God's plan Don't let the suffering temper your enthusiasm for the understanding offered by God's champion Job's life illustrates a substantive spiritual
