Latter-day Saint Perspectives on Atonement Deidre Nicole Green, Eric D. Huntsman, 2024-01-02 New approaches to a central area of Latter day Saint belief The Church of Jesus Christ of Latter day Saints and other Christians have always shared a fundamental belief in the connection between personal salvation and the suffering death and resurrection of Jesus Christ While having faith in and experiencing the atonement of Christ remains a core tenet for Latter day Saints some thinkers have in recent decades reconsidered traditional understandings of atonement Deidre Nicole Green and Eric D Huntsman edit a collection that brings together multiple and diverse approaches to thinking about Latter day Saint views on this foundational area of theology The essayists draw on and go beyond a wide range of perspectives classical atonement theories and contemporary reformulations of atonement theory The first section focuses on scriptural and historical foundations while the second concentrates on theological explorations Together the contributors evaluate what is efficacious and ethical in the Latter day Saint outlook and offer ways to reconceive those views to provide a robust theological response to contemporary criticisms about atonement Contributors Nicholas J Frederick Fiona Givens Deidre Nicole Green Sharon J Harris J B Haws Eric D Huntsman Benjamin Keogh Ariel Bybee Laughton Adam S Miller Jenny Reeder T Benjamin Spackman and Joseph M Spencer Mormon Essays: Science and Mormonism, a Study of Harmony and Conflict; Joseph Smith and Science: the Methodist Connection; the Book of Abraham: Toward a Comprehensive Theory of the Text; the House of Israel in Mormon Theology Michael T. Walton, Phyllis J. Walton, 2007-04-01 The essays contained in this volume were composed as lectures throughout the 1980 s The studies on science and Mormonism and the House of Israel are the work of Michael T Walton The analysis of the Book of Abraham is a joint composition of Phyllis J Walton and Michael T Walton They were never intended as definitive studies rather as encouragements to scholars to look at certain issues and patterns of facts They were well received at the time of delivery They are noted from time to time in scholarly works and listed on internet search engines and book lists Because they have been cited and because they are listed as our work we were concerned that they

were not readily available for consultation We have also taken the opportunity to correct some but not all spelling and grammatical errors clarify certain comments and very occasionally add information They remain however a product of their time and do not reflect current scholarship

Kramer, Too often readers approach the Book of Mormon simply as a collection of quotations an inspired anthology to be scanned quickly and routinely recited In *Beholding the Tree of Life* Bradley J Kramer encourages his readers to slow down to step back and to contemplate the literary qualities of the Book of Mormon using interpretive techniques developed by Talmudic and post Talmudic rabbis Specifically Kramer shows how to read the Book of Mormon closely in levels paying attention to the details of its expression as well as to its overall connection to the Hebrew Scriptures all in order to better appreciate the beauty of the Book of Mormon and its limitless capacity to convey divine meaning

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating
