Truth from the Earth Art Shotwell,2015-11-03 Written in semi autobiographical style the book intertwines personal testimony scripture and the nature of God The author shows how seemingly trivial or isolated events combine with sad or challenging circumstances over a period of years or even decades to work together for good according to Romans 8 28 These same events may be key factors necessary for us to experience in order to fulfill the plans and purposes God has for nations or individuals as described in Jeremiah 29 11 The book addresses issues which are either unclear or unmentioned in the Bible These include the fate of infants or small children who die before having faith or being baptized what happens to friends relatives or others we love who may have gone through life without knowing Christ as their personal savior and entire populations who have never heard of Christ over many centuries The book identifies the unpardonable sin in a manner that removes all doubts and questions The book also confronts serious misinterpretation of scripture in what the author calls Gods Greatest Truth or Satans Greatest Deception Finally the author compares the Commentary on Habakkukuncovered in the Dead Sea Scrollsto events in modern history showing that this prophecy of things which were destined for the last generation have been fulfilled Additionally he describes in detail another archeological discovery yet to be revealed which can be verified scientifically and will be incontrovertible proof to Jews and gentiles alike that God is real and Jesus is Lord and Savior

Discarded Doctrines and Nonsense Revelations.* Jim Whitefield,2012-10-01 This is the third in a series of books exposing the truth behind Mormonism In this volume we review doctrines that have been discarded To early Mormons Adam was God and blood atonement was a stark reality These were accepted doctrines which survived for several decades throughout the leadership of several successive

prophets Today the Church denies they even existed The origin of the Mormon temple ceremony is established and explained An analysis of changes over the years shows that the rites now enacted bear no resemblance to the original ceremonies Joseph Smith lifted from late eighteenth century Masonic ritual claiming they were restored from the time of Solomon The psychology of a Mormon testimony is explored and explained Sections of the Doctrine and Covenants are exposed as completely unfulfilled nonsense that Mormons simply cannot see through as long as blind faith precludes rational thinking Visit www.themormondelusion.com for further information on this and other volumes
