Interrogatio Iohannis (The Secret Book of the Cathars) and Apokryphon Iohannis (The Secret Book of John) M.P. Steiner, 2020-02-18 Modern text research shows that biblical tradition often does not at all correspond to real historical events This lessens neither the inner significance of the Bible nor of true Christendom for true Christendom is more than just a religion It is the spiritual Sphere of Life that embraces all Worlds with all their Mysteries Some results of modern research as collected and presented here in a dense form clearly contradict canonical narratives and might provoke different reactions from condescending shaking of heads to appalled outcries But neither will diminish their validity After 2000 years of nominal Christianity it is now time to animate truly spiritual Christendom This new Christendom is on one side a renewal of the classical antique Mysteries with the Christ Jesus as the last and greatest Avatar of the Sun Spirit descended to Earth as the Redeemer of the World and on the other a complete renewal of religious thinking and feeling of humans everyone now being summoned to realize their potential microcosmical Cristos in today's spiritual freedom with its world wide new paradigmata The two texts published here in best possible accuracy are especially important because combined with a deeply founded introduction they at last publicly present the world of faith of the true Arch Christians of the first centuries and their comprehension of events from Bethlehem to Golgotha Based on said insights the book here in hand undertakes to define a new Christendom for a new Era A Christendom that must not just be believed in sheepish obedience but lived out of mature consciousness and in a daily effort of every single human Its purpose is to encourage a large number of people to experience this new Light Truth and Life Numerous book references many in part extensive notes and a number of full page images show the credibility of the new view and enlarge the usual dogmatic picture A book that read in a leisurely pace and with open soul and heart may bring about new clarity and a new vivid faith for the old message German edition Same title ISBN 9783907103050

Fifty-Two Secrets for Praying with Scripture Edward Pascil Cave, Rev. Edward Pascil Cave, 2005-05. Many people today feel a great hunger for a deeper experience of God through prayer. We are no longer satisfied with merely saying prayers; we want to enter a more personal relationship with God himself. This desire is a rare blessing in itself for only God can plant such a hunger within us. A dimension of prayer which many Christians use as a step toward satisfying this hunger is the use of Scripture as a starting point for reflection and meditation. For as we listen prayerfully to God's word, we become more and more experientially aware of his loving abiding presence. Often, however, it can be difficult to know where to begin when using the Bible in prayer. The purpose of this book is to help people begin to pray with Scripture by offering the actual reading for an entire year of daily prayer.
