Fitzmyer, 2003 Commentaries on Early Jewish Literature is a new series in English dealing with early Jewish literature between the third century BC and the middle of the second century AD it is scheduled to encompass a total of 58 volumes The texts are intended to be interpreted as a textual unity against the background of their particular Jewish and historico political contexts with text based historical literary and theological analyses being undertaken The first volume by Joseph A Fitzmyer is devoted to a commentary on the Book of Tobit Tobias **The Book of Tobit** Adolf Neubauer, 1878 In 1868 Neubauer's services were secured by the University of Oxford for the task of cataloguing the Hebrew manuscripts in the Bodleian Library The catalogue appeared in 1886 after eighteen years preparation In 1878 Neubauer edited the Aramaic text of the Book of Tobit Source Jewish Encyclopedia **The Book of Tobit** Arundell Overman, 2021-05-08 The book of Tobit is said to have been written around 225 BC and the story set around 700 BC It tells the tale of Tobit an Israelite who had suffered blindness His son Tobias wished to marry Sarah the daughter of Raguel but 7 of her previous suitors had been slain by the demon Asmodeus Through the intercession of the angel Raphael the demon is driven away and Tobit is healed

Tobit Carey A. Moore, 1996 Written five centuries ago by a humble monk named Thomas a Kempis this timeless message of following Christ's teachings continues to be a source of spiritual strength for people of all needs The Wisdom Instructions in the Book of Tobit Francis M. Macatangay, 2011-03-29 Despite the resurgence of scholarly interest in the Book of Tobit in recent years an important aspect of this deuterocanonical book has been largely overlooked Within it there is an instruction manual for an effective way of being and living in exile namely the wisdom instructions in Tobit 4 With glances at Tobit 12 and Tobit 14 where the wisdom instructions are repeated in shorter form this monograph discusses the function of the wisdom discourse in the literary design of the narrative Moreover it examines how the wisdom instructions of Tobit

demonstrate the vital role of the sapiential tradition in forming and maintaining Jewish identity in the Diaspora Contextualizing the wisdom instructions not only within the narrative but also within the realities of Second Temple Judaism it is argued that the author of Tobit saw the validity and employed the resources of the Jewish wisdom tradition in reinterpreting some of the traditional claims of covenant faith Using the Sinaiticus as the textual basis of study it shows that the lengthy wisdom lecture of Tobit displays an inner logic that structures the collection of seemingly unrelated sayings The instructions reinterpret a major deuteronomic concern to remember the Lord always For Tobit the practice of righteousness the practice of wise behavior and the practice of prayer realize and concretize such remembrance Addressed to those in the Dispersion Tobit s wisdom instructions are meant to foster and shape a distinct ethos of truth righteousness and mercy
