Dale Brown, 2006-01-01 The most thorough and extensive investigation ever written on the much beloved writer The Book of Buechner explores the ways in which Frederick Buechner's writing particularly his fiction presents the possibilities of grace in the midst of the ambiguities of human existence and introduces themes of Christian faith Both long time readers and neophytes seeking a guide through his writings will delight in the illuminating analysis Dale Brown has to offer Intelligent and gratifying The Book of Buechner is a much overdue literary journey through one of the most significant American writers of the last fifty years      *Pastors in the Classics* Leland Ryken, Philip Ryken, Todd Wilson, 2012 This one of a kind resource introduces pastors and seminarians to wisdom found in literary classics that can shape their ministries today      *How Far Down Dare I Drink?* Horton Davies, 2014-04-30 This volume of sermons reflects Davies' imaginary qualities as he puts himself in the shoes of both biblical characters and the members of his congregation using Christological exegesis and his love of art to produce compassionate credible and relevant sermons      *Reading Buechner* Jeffrey Munroe, 2019-11-19 Frederick Buechner is one of the most gifted writers of his generation with an important legacy as a memoirist novelist theologian and preacher In this book Buechner expert Jeff Munroe presents a collection of the true essentials from across Buechner's diverse catalog as well as an overview of Buechner's life and a discussion of the state of his literary legacy today      *Wales Unchained* Daniel G Williams, 2015-04-15 Contributes to the fields of Welsh Studies Comparative Studies Transatlantic Studies Offers analyses of key chapters in the cultural making of modern Wales Offers insights into national and ethnic identity and encourages readers to consider the extent of Welsh tolerance and intolerance Draws on Welsh and English language sources and ranges across literature history music and political thought The book is an example of Welsh cultural studies in action The book intervenes in key debates within cultural studies nationalism and assimilationism language and race class and identity cultural identity and political citizenship      *Cotton Hand-Book for Bengal* J.G. Bartlett, Barbara Brown Taylor, 2010-10-01 Feasting on the Word offers pastors focused resources for Sermon preparation written by companions on the way With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary this series offers preachers sixteen different ways into the proclamation of God's Word on any given occasion For each reading preachers will find brief essays on the exegetical theological homiletical and pastoral challenges of the text The page layout is unusual By setting the biblical passage at the top of the page and placing the essays beneath it we mean to suggest the interdependence of these four approaches without granting priority to any one of them Some readers may decide to focus on the Gospel passage for instance by reading all four essays provided for that text Others may decide to look for connections between the Hebrew

Bible Psalm Gospel and Epistle texts by reading the theological essays on each one Wherever they begin preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions These authors teach in colleges and seminaries They lead congregations They write scholarly books as well as columns for the local newspaper They oversee denominations In all these capacities and more they serve God s Word joining the preacher in the ongoing challenge of bringing that Word to life We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L Bartlett Barbara Brown Taylor

**Missing Links** Jonneke Bekkenkamp,2000 Are there missing links links that are easy to miss between art and religion and between the ways in which they respond to or partake of reality The hypothesis of this anthology is that these in fact do exist and its authors explore these links on the basis of a specific text or oeuvre a specific artwork or exhibition Following an introductory essay exploring the discussion on relating art and religion there are articles on Jannis Kounellis and Andrew Forster on plays by William Shakespeare Gerard Jan Rijnders and Anny van Hoof on an exhibition curated by Julia Kristeva There is an analysis of a novel by Frederic Buechner and one of the autobiographical writings of Dorothy Day Poems of M Vasalis and Judith Herzberg are considered along with the music of Olivier Messiaen and Plato s dialogue Sophist
