Book Of Consolations:

Consolations II David Whyte, 2024-11-07 David Whyte's *Consolations* use everyday words to present us with a prism through which to better understand ourselves and the lives we walk through. At the request of readers globally, Whyte returns with fifty-two short elegant meditations on a single word ranging from Anxiety to Body Freedom Shame and Moon. He embraces their nuances, amplitudes and depths and in doing so confronts realities that many of us would spend a lifetime trying senselessly to avoid. In *Consolations II*, anxiety might be more mercifully understood as the preparation for being hurt; fixed beliefs are recognised as the very places where we do not wish to understand; guilt is a friend compassionately waiting for us to catch up and routine becomes a form of ritual and worship. Each piece in this life-affirming book is an invitation to slow down, shift our perspective and find comfort. In these pages, Whyte explores the full constellation of human experience.

Consolations David Whyte, 2019-11-07 In *Consolations*, David Whyte unpacks aspects of being human that many of us spend our lives trying vainly to avoid: loss, heartbreak, vulnerability, fear. Boldly reinterpreting them, fully embracing their complexity, never shying away from paradox in his relentless search for meaning. Beginning with *Alone* and closing with *Withdrawal*, each piece in this life-affirming book is a meditation on meaning and context, an invitation to shift and broaden our perspectives on life, pain and joy, honesty and anger, confession and vulnerability, the experience of feeling overwhelmed and the desire to run away from it all. Through this lens, procrastination may be a necessary ripening, hiding an act of freedom and shyness something that accompanies the first stage of revelation. *Consolations* invites readers into a poetic and thoughtful consideration of words whose meaning and interpretation influence the paths we choose and the way we traverse them throughout our lives. *A Book of Consolations*, 1992 ***A Book of Consolations***, 1902 ***Handbook of***

Consolations Johann Gerhard, 2009-05-26 Johann Gerhard (1582-1637) was one of the leading dogmatic theologians of his time and was the authoritative voice of seventeenth-century Lutheran Orthodoxy. Yet he also published numerous devotional works and meditations that were meant to be used in the daily lives of ordinary believers. *The Handbook of Consolations* sought to provide comfort and encouragement not only to those approaching death but also to those who provided care for the sick and dying. Gerhard himself was no stranger to sickness and death, having lost his infant son and young wife and faced numerous life-threatening illnesses throughout his life. In this pastoral work, which is the first complete English translation based on Gerhard's original Latin, to be published since the seventeenth century, Gerhard brings together his extensive understanding of Scripture, theology and church history in a practical and easy-to-understand manual that is as relevant and meaningful in the twenty-first century as it was in Gerhard's day. *On Consolation* Michael Ignatieff, 2025-09-23 Timely and profound philosophical meditations on how great figures in history, literature, music and art searched for solace while facing tragedies and crises from the internationally renowned historian of ideas and Booker Prize finalist Michael Ignatieff. When we lose someone we love, when we suffer loss or defeat, when catastrophe strikes, war, famine, pandemic, we go in search of
