Murray, 2005-06-27 A unique and authoritative guide to modern responses to art Featuring forty eight essays and written by a panel of expert contributors it introduces readers to the key approaches and analytical tools of contemporary art study and debate **The Democratic Sublime** Jason A. Frank, 2021 The transition from royal to popular sovereignty during the age of democratic revolutions from 1776 to 1848 entailed not only the reorganization of institutions of governance and norms of political legitimacy but also a dramatic transformation in the iconography and symbolism of political power The personal and external rule of the king whose body was the physical locus of political authority was replaced with the impersonal and immanent self rule of the people whose power could not be incontestably embodied This posed representational difficulties that went beyond questions of institutionalization and law extending into the aesthetic realm of visualization composition and form How to make the people's sovereign will tangible to popular judgment was and is a crucial problem of democratic political aesthetics The Democratic Sublime offers an interdisciplinary exploration of how the revolutionary proliferation of popular assemblies crowds demonstrations gatherings of the people out of doors came to be central to the political aesthetics of democracy during the age of democratic revolutions Jason Frank argues that popular assemblies allowed the people to manifest as a collective actor capable of enacting dramatic political reforms and change Moreover Frank asserts that popular assemblies became privileged sites of democratic representation as they claimed to support the voice of the people while also signaling the material plenitude beyond any single representational claim Popular assemblies continue to retain this power in part because they embody that which escapes representational capture they disrupt the representational space of appearance and draw their power from the ineffability and resistant materiality of the people's will Engaging with a wide range of sources from canonical political theorists Rousseau Burke and Tocqueville to the novels of Hugo the visual culture of the barricades and the memoirs of popular insurgents The Democratic Sublime demonstrates how making the people's sovereign will tangible to popular judgment became a central dilemma of modern democracy and how it remains so today

Art History and Education Stephen Addiss, Mary Erickson, 1993 Guided by Stephen Addiss's grounding in art history scholarship and Mary Erickson's expertise in art education theory and practice this volume approaches the issue of teaching art history from theoretical and philosophical as well as practical and political standpoints In the first section Addiss raises issues about the discipline of art history In the second Erickson examines proposals about how art history can be incorporated into the general education of children and offers some curriculum guides and lesson plans for art educators

Writing Back to Modern Art Jonathan Harris, 2005-10-09 Here for the first time is a full length study of the critical

modernisms of the three leading art writers of the second half of the twentieth century which helps us build a better understanding of the development of modern art writing and its relation to the post modern in art and society since the 1970s Focusing on canonical modern artists such as Manet Cezanne Picasso and Pollock this book provides an important understanding of writing and criticism in modern art for all students and scholars of art theory and art history Mainstay issues discussed include aesthetic evaluation subjectivity and meaning in art and art writing Jonathan Harris examines key discourses and identifies points of significant overlap as well as sharp disjunction between the critics Developing the notions of good and bad complexity in modernist criticism Writing Back to Modern Art creates ways for us to think outside of these discourses of value and meaning and helps us to look at the place that art writing holds in the latter twentieth century and beyond

Revolution Enzo Traverso, 2024-04-30 Brilliant and beautiful Now this book exists it s hard to know how we did without it China Mi ville author of October A cultural and intellectual balance sheet of the twentieth century s age of revolutions This book reinterprets the history of nineteenth and twentieth century revolutions by composing a constellation of dialectical images Marx s locomotives of history Alexandra Kollontai s sexually liberated bodies Lenin s mummified body Auguste Blanqui s barricades and red flags the Paris Commune s demolition of the Vendome Column among several others It connects theories with the existential trajectories of the thinkers who elaborated them by sketching the diverse profiles of revolutionary intellectuals from Marx and Bakunin to Luxemburg and the Bolsheviks from Mao and Ho Chi Minh to Jos Carlos Mari tegui C L R James and other rebellious spirits from the South as outcasts and pariahs And finally it analyzes the entanglement between revolution and communism that so deeply shaped the history of the twentieth century This book thus merges ideas and representations by devoting an equal importance to theoretical and iconographic sources offering for our troubled present a new intellectual history of the revolutionary past

The New Criterion Reader Hilton Kramer, 1988 Gathers essays about modernism Marxist criticism art patronage Wallace Stevens Picasso Aaron Copland Michel Foucault Barbara Pym Richard Serra and Cindy Sherman

The Politics of Sex, Race and Working-Class Slang in Late Second Empire French Caricature Russell Stephens, 2025-08-11 This study examines caricatures as they appeared within popular Parisian magazines in mid 19th century France at the time of the 1867 World s Fair Chapters compare the comic mockery of several of the most important satirists of this time including Am d e de No or Cham 1818 1879 as he was more popularly known and Honor Daumier 1808 1879 A major theme within the analysis is how these caricaturists secretly used argot street slang as documented in two slang dictionaries by Parisian litterateur Alfred Delvau 1825 1867 within their comic images to carry hidden encrypted messages in order to evade the censorship of the day The book focuses primarily on caricatures of Chinese visitors who were part of the 1866 diplomatic visit to Paris and images of Chinese at the 1867 Exposition Universelle showing how the satires which were published by Cham used argot to create highly sexualised images that were often racist in nature In contrast the volume proposes that Daumier used slang in his caricatures to challenge racism and to make secret
