Second Language Acquisition and Lifelong Learning Simone E. Pfenninger, Julia Festman, David Singleton, 2023-05-05 Language fundamentally defines and distinguishes us as humans as members of society and as individuals As we go through life our relationship with language and with learning shifts and changes but it remains significant This book is an up to date resource for graduate students and researchers in second language L2 acquisition who are interested in language learning across the lifespan The main goal is to survey and evaluate what is known about the linguistic cognition affect associations that occur in L2 learning from birth through senescence passing through the stages of childhood adolescence adulthood and third age the extent to which L2 acquisition may be seen as contributing to healthy and active aging the impact of the development of personalized technology enhanced communicative L2 environments and how these phenomena are to be approached scientifically and methodologically The effects of certain specific variables such as gender socio economic background and bilingualism are also analyzed as we argue that chronological age does not determine the positioning of L2 learners across the lifespan age is part of a complex web of social distinctions such as psychological and individual factors that intersect in the construction of a learner's relative status and opportunities

Cultures in Contrast Myra Shulman, 2009 *Cultures in Contrast* is designed for students who are entering college or university life in the 21st century It provides challenging readings and comprehension questions in every unit accompanied by updated suggested films and additional readings In each unit students move from a general exploration of their beliefs to an analysis of a case study a discussion of readings and finally a specific choice of a coping strategy for a hypothetical dilemma The case studies and readings while providing various perspectives on life in the United States are also meant to strengthen students cultural self awareness The second edition features a new unit on binge drinking which has been added to recognize one of the most serious problems on college campuses today Today more than ever students on college campuses are expected to have a sensitivity to and respect for diversity as well as a heightened awareness of individual rights and responsibilities This text attempts to prepare students for this academic environment *Cultures in Contrast* offers these students a means for analyzing and evaluating the complex social and moral issues that young adults throughout the world have to deal with

Foreign Accent Alene Moyer, 2013-03-14 To what extent do our accents determine the way we are perceived by others Is a foreign accent inevitably associated with social stigma Accent is a matter of great public interest given the impact of migration on national and global affairs but until now applied linguistics research has treated accent largely as a theoretical puzzle In this fascinating account Alene Moyer examines the social psychological educational and legal ramifications of sounding foreign She explores how accent operates contextually through analysis of issues such as the neuro cognitive constraints on phonological acquisition individual factors that contribute to the

intractability of accent foreign accent as a criterion for workplace discrimination and the efficacy of instruction for improving pronunciation This holistic treatment of second language accent is an essential resource for graduate students and researchers interested in applied linguistics bilingualism and foreign language education **Routledge Encyclopedia of Language Teaching and Learning** Michael Byram,2004 This handbook deals with all aspects of contemporary language teaching and its history Produced for language teaching professionals it is also useful as a reference work for academic studies at postgraduate level **Study Speaking** Kenneth Anderson,Joan Maclean,Tony Lynch,2004-10-14 This course is for intermediate and above students who need to speak English in connection with academic work **American Book Publishing Record** ,2000-07 **Lessons from Exceptional Language Learners Who Have Achieved Nativelike Proficiency** Zoltán Dörnyei,Katarina Mentzelopoulos,2022-10-25 How do some language learners triumph against all odds despite not having obvious heritage links or spending extended periods of time in the L2 environment pre adulthood This book delves into the autobiographical stories of learners who achieve nativelike proficiency opening a narrative window into their experiences and offering insights into their pathways to success The in depth analysis ties together a wide range of potentially relevant topics from motivational vision and international posture to issues of identity endurance and even musical ability among other themes The authors explore whether these successes can be repeated by others and the book will be of use to language teachers interested in learner motivation and the antecedents to high level ultimate attainment The book will also be of great interest to researchers working in the areas of language learner psychology especially in topics concerning language learning motivation identity and narrative inquiry Teaching and Researching Language Learning Strategies Rebecca L.
