Leonardo Da Vinci Walter Isaacson, 2017-10-17 The 1 New York Times bestseller A powerful story of an exhilarating mind and life a study in creativity how to define it how to achieve it The New Yorker Vigorous insightful The Washington Post A masterpiece San Francisco Chronicle Luminous The Daily Beast He was history s most creative genius What secrets can he teach us The author of the acclaimed bestsellers Steve Jobs Einstein and Benjamin Franklin brings Leonardo da Vinci to life in this exciting new biography Based on thousands of pages from Leonardo s astonishing notebooks and new discoveries about his life and work Walter Isaacson weaves a narrative that connects his art to his science He shows how Leonardo s genius was based on skills we can improve in ourselves such as passionate curiosity careful observation and an imagination so playful that it flirted with fantasy He produced the two most famous paintings in history The Last Supper and the Mona Lisa But in his own mind he was just as much a man of science and technology With a passion that sometimes became obsessive he pursued innovative studies of anatomy fossils birds the heart flying machines botany geology and weaponry His ability to stand at the crossroads of the humanities and the sciences made iconic by his drawing of Vitruvian Man made him history s most creative genius His creativity like that of other great innovators came from having wide ranging passions He peeled flesh off the faces of cadavers drew the muscles that move the lips and then painted history s most memorable smile He explored the math of optics showed how light rays strike the cornea and produced illusions of changing perspectives in The Last Supper Isaacson also describes how Leonardo s lifelong enthusiasm for staging theatrical productions informed his paintings and inventions Leonardo s delight at combining diverse passions remains the ultimate recipe for creativity So too does his ease at being a bit of a misfit illegitimate gay vegetarian left handed easily distracted and at times heretical His life should remind us of the importance of instilling both in ourselves and our children not just received knowledge but a willingness to question it to be imaginative and like talented misfits and rebels in any era to think different

Platform-Mediated Tourism Paola Minoia, Salla Jokela, 2022-11-10 This book presents theoretical and empirical perspectives on platform mediated tourism with a special focus on Airbnb The case studies included in this volume show that the impacts of short term renting on neighbourhoods residents and tourism operators are uneven

but increasingly significant During the past decade digital platforms for short term rental transport social dining etc have enabled the development of a new generation of entrepreneurs in tourism and mobility The mediation of services through digital platforms was initially presented as a form of a sharing economy led by non professional providers but it has grown into a new form of capitalist speculation The inadequacy of existing legal frameworks in regulating platform mediated activities has generated reactions by social movements especially for the protection of housing rights With the outbreak of Covid 19 the downfall in the mobility and tourism economy has revealed the acuteness of the structural crisis of cities and of labour based on platform mediated activities In Europe networks of cities are taking action against platforms to regain their control over data that is needed to regulate platform mediated tourism services and the rights of residents in tourism cities The authors in this edited volume explore issues of social justice in terms of residents quality of life working conditions the housing market urban structure the morality of operators who navigate through normative loopholes and the responsibility issues of platform companies holding data on short term rentals The chapters in this book were originally published in the Journal of Sustainable Tourism **New Serial Titles** ,1996 A union list of serials commencing publication after Dec 31 1949

De Vere as Shakespeare William Farina,2014-12-24 The question may be met with chagrin by traditionalists but the identity of the Bard is not definitely decided During the 20th century Edward de Vere the most flamboyant of the courtier poets a man of the theater and literary patron became the leading candidate for an alternative Shakespeare This text presents the controversial argument for de Vere s authorship of the plays and poems attributed to Shakespeare offering the available historical evidence and moreover the literary evidence to be found within the works Divided into sections on the comedies and romances the histories and the tragedies and poems this fresh study closely analyzes each of the 39 plays and the sonnets in light of the Oxfordian authorship theory The vagaries surrounding Shakespeare including the lack of information about him during his lifetime especially relating to the lost years of 1585 1592 are also analyzed to further the question of Shakespeare s true identity and the theory of de Vere as the real Bard Piazzas and Pizzas Jan

Kubik,2002-04-24 Not since Mark Twain invaded Europe in Innocents Abroad has travel been so much fun as we follow The Clean Plate Club through the daily ritual of morning coffee frequent gelato pranzo and cena Punctuated by visits into museums churches and countless stores in search of the Holy Bargain Filled with humor love and an amazing number of incredibly helpful travel tips and more than a few cautionary traveler s misadventures An irreverent rollicking and totally accurate depiction of travel throughout Italy loving every moment of it **Citizenship** David Jacobson,Manlio

Cinalli,2023-09-22 Why does citizenship emerge historically and why does it maintain traction even if in compromised forms How can citizenship and democracy be revived Learning from history and building on emerging social and political developments David Jacobson and Manlio Cinalli provide the foundations for citizenship s third revolution They consider three historical periods for citizenship and reveal the underlying principles of citizenship and its radical promise Jacobson

and Cinalli demonstrate how the effective functioning of citizenship depends on human connections that are relational and non contractual illustrate how rights can undermine as well as reinforce civic society and document the emerging foundations of a 21st century guild as a basis for repairing our democracies **Information Anxiety 2** Richard Saul Wurman,Loring Leifer,David Sume,2001 PLEASE PROVIDE COURSE INFORMATION PLEASE PROVIDE [Access Florence and Venice](#) Richard Saul Wurman,Kate Copstick,2003-06-01 Including extensive coverage of the warm Tuscan countryside and some of the very best establishments to be found in Italy this is every visitor s and local s indispensable guide to two glorious cities Line art *Rick Steves Rome 2018* Rick Steves,Gene Openshaw,2017-11-07 Rome is called the Eternal City and ancient ruins and Renaissance masterpieces still dot this modern metropolis with Rick Steves on your side Rome can be yours Inside Rick Steves Rome 2018 you ll find Comprehensive coverage for spending a week or more exploring Rome Rick s strategic advice on how to get the most out of your time and money with rankings of his must see favorites Top sights and hidden gems from the Colosseum and the Sistine Chapel to corner trattorias serving crispy fresh pizza and that perfect scoop of gelato How to connect with local culture Savor a plate of cacio e pepe celebrate with the locals at a festival or chat with fans about the latest soccer calico to locals match Beat the crowds skip the lines and avoid tourist traps with Rick s candid humorous insight The best places to eat sleep and experience la dolce far niente Self guided walking tours of lively neighborhoods and incredible museums Detailed neighborhood maps and a fold out city map for exploring on the go Useful resources including a packing list Italian phrase book a historical overview and recommended reading Over 500 bible thin pages include everything worth seeing without weighing you down Annually updated information on Central Rome Vatican City Trastevere and more plus day trips to Ostia Antica Tivoli Naples and Pompeii Make the most of every day and every dollar with Rick Steves Rome 2018 Spending just a few days in the city Try Rick Steves Pocket Rome *The Encyclopaedia Britannica* Thomas Spencer Baynes,1880 **The Tourist Places of the World** Philippe Violier,Benjamin Taunay,2020-04-28 Formerly a largely Western practice leisure travel is today the most dynamic industry in the world in terms of growth Developments in transport and communication systems mean tourism is now an integral part of our understanding of the world and involved in the exponential increase of links between societies and different cultures The Tourist Places of the World has comprehensive data on the number of international visitors annually It also includes an original map not dictated by country but by major tourist areas and places The hierarchy of destinations drawn is highlighted by the different levels of popularity and passenger flows from the universal places where all societies meet to the still unfrequented places Beyond the recognition of global tourism the challenge is to understand how and why societies can achieve a better life through sustainable development which encompasses social economic and environmental dimensions

Tourism, Travel, and Blogging Deepti Ruth Azariah,2016-11-10 Travel often inspires the creation of narratives about journeys and destinations more so with the increasing availability of online platforms applications for smartphones and

tablets and various other social media technologies This book examines travel blogs and their associated social media as a form of self presentation that negotiates the tensions between discourses of travel and tourism As such it addresses how contemporary travellers use online platforms to communicate their experiences of journeys and destinations and how the traveller tourist dichotomy finds expression in these narratives Addressing the need for more in depth analysis through a study of blogs this exploration of networked narratives of an individual s travel experience considers personal motivations self promotion and self presentation as key factors in the creation of both personal and commercial travel blogs As this text applies concepts such as self presentation and heteroglossia it will be of interest to both students and scholars of tourism new media sociology cultural studies and discourse studies

Redreaming the Renaissance Mary Lindemann,Deanna Shemek,2024-05-17 Redreaming the Renaissance seeks to remedy the dearth of conversations between scholars of history and literary studies by building on the pathbreaking work of Guido Ruggiero to explore the cross fertilization between these two disciplines using the textual world of the Italian Renaissance as proving ground In this volume these disciplines blur as they did for early moderns who did not always distinguish between the historical and literary significance of the texts they read and produced Literature here is broadly conceived to include not only belles lettres but also other forms of artful writing that flourished in the period including philosophical writings on dreams and prophecy life writing religious debates menu descriptions and other food writing diaries news reports ballads and protest songs and scientific discussions The twelve essays in this collection examine the role that the volume s dedicatee has played in bringing the disciplines of history and literary studies into provocative conversation as well as the methodology needed to sustain and enrich this conversation

The Discourse of Negotiation A. Firth,2014-06-28 The study of negotiation has attracted considerable scholarly attention in recent decades yet rarely have discourse analysts applied their particular concerns and interests to the phenomenon Although a fundamental characteristic of negotiation is linguistic action

the detailed study of negotiation as a communicative discourse activity is in its infancy In the first collection of its kind Alan Firth has brought together 14 original studies of negotiation discourse Drawing on insights and methodologies from discourse and conversation analysis pragmatics ethnography and ethnomethodology the book examines negotiations in a wide range of workplaces including the US Federal Trade Commission management union meetings doctors surgeries travel agencies international trading houses in Denmark Belgium and Australia Swedish social welfare offices and consumer helplines Collectively the book explores the notion of negotiation both as a formal encounter and as a gloss for more informal decision making activities Questions specifically addressed include what is the interactional character of negotiation How are negotiations related to the work context And how are negotiations undertaken linguistically as discourse based activities Answers are sought by utilising transcripts of real life instances of negotiation This allows for finely detailed descriptions of the observed activities providing important insight into the discourse context relationship the interactional bases of work activities and the communicative processes of negotiation

Overtourism Rachel Dodds, Richard Butler, 2019-05-06

Overtourism has become a major concern for an increasing number of destinations as tourism numbers continue to grow stimulated by general economic and technological growth and the expansion of the global middle class This coupled with relentless promotion of tourism by many organisations and destinations has increased tourism despite growing opposition to excessive development This book is the first academic volume to deal with this topic and contains chapters by experienced researchers in the tourism field taking a multidisciplinary approach to review and explain the subject The introductory section begins with an overview of the current situation and the forces enabling the appearance of overtourism This is followed by a number of case studies from a range of destinations around the world both urban and rural which share the same problems The concluding section includes a discussion of potential mitigation methods and approaches and a final assessment of future developments The focus and relevance of this book are not just for academics as it offers insights into destinations enablers and solutions for how to address the issue of overtourism on a wide variety of scales This book offers globally relevant perspectives on destinations as varied as Venice and Barcelona that have gained global media attention as well as less publicised rural areas and developing destinations
