Accidental Autobiography:

An Accidental Autobiography Barbara Grizzuti Harrison, 1997 When asked to describe this book Harrison responds An autobiography in which I am not the main character In her unconventional though never arbitrary approach she writes about memory and since memories tend to attach themselves to things she writes about collecting and acquiring them in a marvelous chapter entitled Loot and Lists and Lust and Things And since memories also attach themselves to people in Men and God s she talks about men those in her life and those she s wished were She remembers the rooms of her childhood and adolescence in Rooms Signs and Symbols and since memories are also housed in our flesh she has written Food Flesh and Fashion and Scars and Distinguishing Marks Her own brand of experience with the women s movement is dissected in Home Economics and human frailty and illness in Breathing Lessons

An Accidental Memoir Wendy Reed, 2013-01-01 In this collection of deliberately fragmented essays a talented documentary filmmaker points the lens at herself and explores a succession of personal tragedies Told from unusual perspectives and in highly figurative language the essays draw on the Southern Gothic tradition of Flannery O Connor and feature dark humor flawed people disastrous events and moments of spiritual grace Taken together they become a meditation on subjects such as death work family responsibilities and raising a child

An Accidental Autobiography Gregory Corso, 2003 He left or was left by a number of girlfriends and he fathered five children along the way He was apt to raise a bit of a ruckus at poetry readings and other public events No one could be sure what he might do next except that he would write poetry and get published and that it would be widely read The Accidental Memoir Anthony Cropper, Eve Makis, 2018-07-12 The Accidental Memoir truly is for all writers and non writers teachers and students the perfect book for anyone seeking inspiration or imaginative ways to explore their own life story

Narrative Ethics Adam Zachary Newton, 2009-06-30 The ethics of literature formalists have insisted resides in the moral quality of a character a story perhaps the relation between author and reader But in the wake of deconstruction and various forms of criticism focusing on difference the ethical question has been freshly negotiated by literary studies and to this approach Adam Newton brings a startling new thrust His book makes a compelling case for understanding narrative as ethics Assuming an intrinsic and necessary connection between the two Newton explores the ethical consequences of telling stories and fictionalizing character and the reciprocal claims binding teller listener witness and reader in the process He treats these relations as defining properties of prose fiction of particular import in nineteenth and twentieth century texts Newton's fresh and nuanced readings cover a wide range of authors and periods from Charles Dickens to Kazuo Ishiguro and Julian Barnes from Herman Melville to Richard Wright from Joseph Conrad and Henry James to Sherwood Anderson and Stephen Crane An original work of theory as well as a deft critical performance Narrative Ethics also stakes a claim for itself as moral inquiry To that end Newton braids together the ethical philosophical projects of Emmanuel Levinas Stanley Cavell and Mikhail Bakhtin as a kind of chorus for his textual analyses an elegant bridge between philosophy's ear and literary criticism's voice His work will generate enormous interest among scholars and students of English and American literature as well as specialists in narrative and literary theory hermeneutics and contemporary philosophy Table of Contents Acknowledgments Abbreviations Narrative as Ethics Toward a Narrative Ethics We Die in a Last Word Conrad's Lord Jim and Anderson's Winesburg Ohio Lessons of for the Master Short Fiction by Henry James Creating the Uncreated Features of His Face Monstration in Crane Melville and Wright Telling Others Secrecy and Recognition in Dickens Barnes and Ishiguro Conclusion Notes Index Reviews of this book Newton's book will become a pivotal text in our discussions of the ethical implications of reading He has taken into account a great deal of prior work and written with judgment and wisdom Daniel Schwartz Narrative Reviews of this book Newton offers elegant provocative readings of texts ranging from The Rime of the Ancient Mariner to Winesburg Ohio The Remains of the Day and Bleak House Newton's book is a rich vein of critical ore that can be mined profitably Choice Reading Narrative Ethics is a powerful experience for it engages not just the intellect but the

emotions and dare I say the spirit It stands apart from recent books on ethics in literature by virtue of its severe insistence on its allegiance to an alternative ethical tradition This alternative way of thinking and living has its roots in the work of the Jewish philosopher Emmanuel Levinas and finds support in the writings of Mikhail Bakhtin and Stanley Cavell Stories Newton asserts are not ethical because of their morals or because of their normative logic They are ethical because of the work they perform in the social world of binding teller listener witness and reader to one another This is a work of passion integrity commitment and mission Jay Clayton Vanderbilt University Newton probes with admirable subtlety the key question what do we gain and what dangers do we run when we fully enter the life of an other through that other's story We have here a rare combination of deep and learned critical acumen with passionate love for literature and sensitivity to its nuances Wayne C Booth University of Chicago Adam Zachary Newton writes with illuminating passion Drawing on writers as diverse as Conrad and Henry James Melville and Sherwood Anderson Bakhtin and Levinas he asks what it is to turn one's life into a story for another and what it is to respond to or avoid the claim of another person's narration He has written a wonderful important book Martha Nussbaum University of Chicago

British and Irish Women Writers and the Women's Movement Jill Franks, 2013-02-07 This study pairs selected Irish and British women novelists of three periods relating their voices to the women's movements in their respective nations In the first wave nationalist and militant ideologies competed with the suffrage fight in Ireland Elizabeth Bowen's *The Last September* illustrates the melancholy of gender performance and confusion of ethnic identity in the dying Anglo Irish Ascendancy class In England suffrage ideologies clashed with socialism and patriotism Virginia Woolf's *Mrs Dalloway* contains a political unconscious that links its characters across class and gender In the second wave heterosexual romantic relationships come under scrutiny Edna O'Brien's *Country Girls* trilogy reveals ways in which Irish Catholic ideologies abject femaleness her characters internalize this abjection to the point of self destruction Doris Lessing's *The Golden Notebook* pits the protagonist's aspirations to write novels against the Communist Party's prohibitions on bourgeois values In the third wave Irish writers express the frustrations of their cultural identity Nuala O Faolain's *My Dream of You* takes her protagonist back to Ireland to heal her psychic wounds In England Thatcherism had created a materialistic culture that eroded many feminists' socialist values Fay Weldon's *Big Woman* satirizes the demise of second wave idealism asking where feminism can go from here

Chiaroscuro Helen Barolini, 1999 A lively lucid and often extremely moving collection of essays Sandra Gilbert author of *Wrongful Death* A Memoir Barolini's essays moved me Their commitment their passion their intelligence struck me very powerfully and made them among the most incisive essays on Italian Americana ethnicity and diversity in literature that I have ever read Fred Misurella author of *Understanding Milan* Kundera *Public Events* *Private Affairs* and *Short Time* Part memoir part social commentary and part literary criticism *Chiaroscuro* is not only profoundly original but also of crucial importance in establishing the contours of an Italian American tradition Spanning a quarter century of work the essays in Helen Barolini's essays explore her personal

search literature as a formative influence and the turning of the personal into the political Included in Chiaroscuro is an updated re introduction to Barolini s American Book Award winning collection *The Dream Book An Anthology of Writings by Italian American Women* *The Trickster in Ginsberg* Katherine Campbell Mead-Brewer,2013-05-27 This scholarly close reading of Allen Ginsberg s *Howl* considers the iconic poem through a four part trickster framework appetite boundlessness transformative power and a proclivity for setting and falling victim to tricks and traps The book pursues various different narratives of the trickster Coyote and the historical and biographical contexts of *Howl* from a truly interdisciplinary perspective This study seeks to contribute to the current literature on the poetry of the Beats and of Allen Ginsberg specifically his *Howl* and the ways it continues to expand in meaning depth and significance today **The Typewriter Is Holy** Bill Morgan,2011-05-01 Anyone who cares to understand the cultural ferment of America in the later twentieth century must know of the writings and lives of those scruffy bohemians known as the Beats In this highly entertaining work Bill Morgan the country s leading authority on the movement and a man who personally knew most of the Beat writers narrates their history tracing their origins in the 1940s to their influence on the social upheaval of the 1960s The Beats through their words and nonconformist lives challenged staid postwar America They believed in free expression dabbled in free love and condemned the increasing influence of military and corporate culture in our national life But the Beats were not saints They did too many drugs and consumed too much booze The fervent belief in spontaneity that characterized their lives and writings destroyed some friendships As we watch their peripatetic lives and sexual misadventures we are reminded above all that while their personal lives may not have been holy their typewriters and their lasting words very much were Peggy Guggenheim Francine Prose,2015-01-01 Portret van de Amerikaanse kunstverzamelaarster 1898 1979 The Chief Sea Lion's Inheritance Tom Blaney,2011-05-01 Charles Galton Darwin was the grandson of the great Charles Darwin and was born into the liberal and independent minded intellectual family in 1887 He became an eminent physical scientist but less respectably emerged as a proponent of eugenics a science devoted to the desirability even necessity of improving human stock by selective breeding He and most of the previous generation of Darwins were enthusiastic activists and leaders in the cause of eugenics which was controversial when it was first proposed and today after its association with Nazi atrocities has become hugely distasteful to most people The Chief Sea Lion's Inheritance Eugenics and the Darwins is the first book to scrutinise this aspect of the Darwin inheritance examining Charles Galton Darwin and six generations of the family Dr Blaney s research has placed the concept of eugenics within the context of Charles Galton Darwin s own unique family perspective Why did a member of a family with a reputation for enlightened and humane thought pursue a concept that was reviled from its inception And why has this seemingly reprehensible aspect of the Darwin family been given scant attention in nearly all versions of their illustrious story **Kerouac** Paul Maher,2007-01-16 This authoritative biography of writer poet and beat generation icon Jack Kerouac 1922 1969 recounts in gripping detail the story of his exceptional life and the key relationships

that affected Kerouac's development as an artist including those with his three wives numerous girlfriends and beloved mother Kerouac presents a fresh and more accurate account of the author of *On the Road* one that neither ignores nor wallows in his flaws A Liberal Chronicle in Peace and War Cameron Hazlehurst, Christine Woodland, 2023-05-19 Jack Pease was at the heart of the British Liberal government from 1908 to 1915 holding the position of Chief Whip through two general elections and a member of the Cabinet confronting domestic tumult international tensions and war Pease was an unassuming participant in the deliberations of a unique gathering of political talent His journals as President of the Board of Education from 1911 to the formation of the coalition ministry in 1915 are a closely observed unvarnished record of what he saw and heard in Downing St and Westminster constitutional and Home Rule crises industrial conflict electoral reform women's suffrage controversies struggles over budgets naval estimates and foreign policy Despite his Quaker beliefs Pease committed to supporting war against Germany and his troubled conscience is laid bare in letters to his wife and friends Replete with intimate portraits of his revered chief H H Asquith and the Prime Minister's social circle the journals also provide evocative observations of the contest of ideas arguments and moods of prominent contemporaries especially David Lloyd George as Chancellor of the Exchequer Winston Churchill as Home Secretary then First Lord of the Admiralty and Lord Kitchener as Secretary of State for War Pease's candid accounts augmented by the diaries and letters of others privy to Cabinet policy secrets and personal rivalries reveal the stories not told in the Prime Minister's reports to the King Together with the editors' biographical introduction extensive explanatory commentaries and bibliographical guidance Pease's text provides a uniquely comprehensive understanding of Asquith's Liberal government in peace and war Nothing Is True-Everything Is Permitted John Geiger, 2005-06-01 The multimedia artist poet and novelist Brion Gysin may be the most influential cultural figure of the twentieth century that most people have never heard of Gysin 1916-1986 was an English born Canadian raised naturalized American of Swiss descent who lived most of his life in Morocco and France He went everywhere when the going was good He dabbled with surrealism in Paris in the 1930s lived in the interzone of Tangier in the 1950s and traveled the Algerian Sahara with *Sheltering Sky* author Paul Bowles before moving into the legendary Beat Hotel in Paris Gysin's ideas influenced generations of artists musicians and writers among them David Bowie Keith Haring Patti Smith Michael Stipe Genesis P. Diddy John Giorno and Brian Jones of the Rolling Stones None was touched more profoundly than William S. Burroughs who said admiringly of Gysin There was something dangerous about what he was doing It was Gysin who introduced the Rolling Stones to the exotica of Morocco and took Stones guitarist Brian Jones to Jajouka where he recorded the tribal musicians performing the Pipes of Pan It was Gysin who provided the hashish fudge recipe published in Alice B. Toklas' cookbook promising ecstatic reveries and extensions of one's personality on several simultaneous planes It was Gysin who introduced Burroughs to an automatic writing method called the cut up a literary progenitor to sampling And it was Gysin who developed with Ian Sommerville the Dream Machine a device that allowed people with the

Mistress of Modernism Mary V. Dearborn, 2004-09-15 The life story of the bohemian socialite who rebelled against her famous family and became a renowned art collector Peggy Guggenheim was the ultimate self-invented woman a cultural mover and shaker who broke away from her poor little rich girl origins to shape a life for herself as the enfant terrible of the art world Her visionary Art of This Century gallery in New York which brought together the European surrealist artists with the American abstract expressionists was an epoch shaking happening at the center of its time In *Mistress of Modernism* Mary V Dearborn draws upon her unprecedented access to the Guggenheim family friends and papers to craft a thorough biography that will appeal to art lovers interested in more than the paint Publishers Weekly With drive and clarity Dearborn charts Guggenheim's peripatetic life offering rich insight into Peggy's traumatic childhood in German Jewish New York her self-education in the ways of art and artists her caustic battles with other art collectors Guggenheims and her legendary sexual appetites her lovers included Max Ernst Samuel Beckett and Marcel Duchamp to name just a few Booklist Here too is a poignant portrait of Peggy's last years as *l'ultima dogaresse* the last female doge in her palazzo in Venice where her collection still draws thousands of visitors every year *Mistress of Modernism* is the first definitive biography of Peggy Guggenheim whose wit passion and provocative legacy Dearborn brings compellingly to life Self-same Songs Roger J. Porter, 2002-01-01 *Self Same Songs* constitutes a major contribution to the growing literary study of autobiography Using a range of authors including Homer Edward Gibbon Benjamin Franklin Somerset Maugham Franz Kafka and Eugène Delacroix Roger J Porter offers a broad based examination of the autobiography and the varied techniques used by its practitioners over time In a style that is both graceful and erudite Porter focuses on the diverse motivations and rhetorical functions that the act of self-writing serves for particular writers He reflects on the texts not only as an exploration of self-identity but also as the writer's attempts to modify the life in the act of writing about it Then stepping out of his critical role Porter ends each chapter with an autobiographical discussion of his professional and personal engagement with the autobiographer under discussion creating an intriguing and absorbing literary autobiography within the critical text Lancashire and the New Liberalism P. F. Clarke, 2007-03-26 Why was there a Liberal Government in Britain from 1905 until the First World War And why was the Liberal party replaced by the Labour party so shortly afterwards These are the kinds of problems which Dr Clarke examines in his study of the Liberal revival in Lancashire The vote in north west England was largely responsible for bringing the Liberal Government into power and for maintaining its position but it also produced almost half the new Labour MPs in 1906 Thus any satisfactory interpretation of electoral history in the early twentieth century must account for what happened in Lancashire This book calls into question many of the conventional assumptions about British politics in the late nineteenth and early twentieth centuries *Modern American Counter Writing* A. Robert Lee, 2010-01-21 The dissident

voice in US culture might almost be said to have been born with the territory Its span runs from Roger Williams to Thoreau Anne Bradstreet to Gertrude Stein Ambrose Bierce to the New Journalism The Beats to the recent Bad Subjects cyber crowd This new study analyses three recent literary tranches in the tradition a re envisioning of the whole Beat web or circuit a consortium of postwar outrider voices Hunter Thompson to Frank Chin Joan Didion to Kathy Acker and a latest purview of what all too casually has been designated ethnic writing The aim is to set up and explore these different counter seams of modern American writing those which sit outside or at least awkwardly within agreed literary canons
