

ACHESON COUNTRY

A Memoir
DAVID C. ACHESON

Foreword by David McCullough

Acheson Country A Memoir

James Chace

Acheson Country A Memoir:

Acheson Country David C. Acheson, 1993-10 This is a personal memoir of Dean Acheson written by his son who in writing the book wished readers to see the personal side of the statesman The memoir shows us Dean Acheson at home with his wife Alice his friends and children before and after his tenure as President Truman s Secretary of State Acheson Country David C. Acheson, 1993 The architect of U S foreign policy after World War II goes behind the scenes for a warm intimate view of his home family and such friends as President Truman and Justice Felix Frankfurter Acheson James Chace, 2008-06-30 The highly acclaimed biography of one of the most important and controversial Secretaries of State of the twentieth century this is an intimate portrait of the quintessential man of action who was vilified by the McCarthyites for being soft on communism yet set in place the strategies and policies that won the Cold War and brought down the USSR This is the authoritative biography of Dean Acheson the most important and controversial secretary of state of the twentieth century Drawing on Acheson family diaries and letters as well as revelations from Russian and Chinese archives historian James Chace traces Acheson s remarkable life from his days as a schoolboy at Groton and his carefree life at Yale to his work for President Franklin Roosevelt on international financial policy and his unique partnership with President Truman It is an important and dramatic work of history chronicling the momentous decisions events and fascinating personalities of the most critical decades of American history **Dean Acheson and the Creation of an American World Order** Robert J. McMahon, 2009 This compact and accessible biography critically assesses the life and career of Dean Acheson one of Americaas foremost diplomats and strategists As a top State Department official from 1941 to 1947 and as Harry S Trumanas secretary of state from 1949 to 1953 Acheson shaped many of the key U S foreign policy initiatives of those years including the Truman Doctrine the Marshall Plan the creation of the North Atlantic Treaty Organization the rebuilding of Germany and Japan Americaas intervention in Korea and its early involvement in the Middle East and Southeast Asia Right up until his death in 1971 Acheson continued to participate in major policy decisions and debates including the Cuban missile and Berlin crises and the Vietnam War Dean Acheson can justifiably be called the principal architect of the American Century More than any other individual Acheson is responsible for designing and implementing the ultimately successful U S Cold War strategy for containing the Soviet Union In an even broader sense Acheson played an instrumental role in creating the institutions alliances and economic arrangements that in the 1940s brought to life an American dominated world order The remarkable durability of that world order which has remained the dominant fact of international life long after the end of the Cold Warmakes a careful examination of Achesonas diplomacy especially relevant to todayas international challenges Acheson and Empire John T. McNay, 2001 Acheson and Empire offers a compelling reassessment of Dean Acheson s policies toward the former colonial world during his period as secretary of state from 1949 to 1953 John T McNay argues that Acheson inherited through his own personal history a way of understanding the world that encouraged imperial style international

relationships This worldview represented a well developed belief system rooted in his Ulster Protestant heritage that remained consistent throughout his life

Dean Acheson Robert L. Beisner, 2009-03-06 Dean Acheson was one of the most influential Secretaries of State in U S history presiding over American foreign policy during a pivotal era the decade after World War II when the American Century slipped into high gear During his vastly influential career Acheson spearheaded the greatest foreign policy achievements in modern times ranging from the Marshall Plan to the establishment of NATO In this acclaimed biography Robert L Beisner paints an indelible portrait of one of the key figures of the last half century In a book filled with insight based on research in government archives memoirs letters and diaries Beisner illuminates Acheson s major triumphs including the highly underrated achievement of converting West Germany and Japan from mortal enemies to prized allies and does not shy away from examining his missteps But underlying all his actions Beisner shows was a tough minded determination to outmatch the strength of the Soviet bloc indeed to defeat the Soviet Union at every turn The book also sheds light on Acheson s friendship with Truman one a bourbon drinking mid Westerner with a homespun disposition the other a mustachioed Connecticut dandy who preferred perfect martinis Over six foot tall with steel blue merry searching eyes and a wolfish grin Dean Acheson was an unforgettable character intellectually brilliant always debonair and tough as tempered steel This lustrous portrait of an immensely accomplished and colorful life is the epitome of the biographer s art

The Memoirs of Ambassador Henry F. Grady Henry Francis Grady, 2009 Ambassador Henry F Grady s memoir describes his role in the evolving U S International economic policy during WW II and the Cold War Serving key diplomatic posts in Italy Greece India and Iran Grady describes economic warfare during WW II developing reciprocal trade agreements and implementing the Truman Doctrine Provided by publisher

The American Spectator , 1993

The Color of Truth Kai Bird, 2017-01-10 From the Pulitzer Prize winning coauthor of *American Prometheus* this biography of the Bundy Brothers inspired the Academy Award winning film *Oppenheimer* In this definitive biography of McGeorge Bundy and William Bundy two of the best and the brightest who advised presidents about peace and war during the most dangerous years of the Cold

War Kai Bird pens a portrait of the fiercely patriotic brilliant and brazenly self confident men who directed a steady escalation of a war they did not believe could be won Drawing on seven years of research nearly one hundred interviews and scores of still classified top secret documents in a masterful reevaluation of America s actions throughout the Cold War and Vietnam *The Color of Truth* tells the tale of the anti communist liberals who despite their grave doubts about sending Americans to fight in Southeast Asia became key architects of America s war in Vietnam Like the bestselling *The Wise Men* this dual biography is both an inside account of the making of US foreign policy in an era of nuclear weapons and a stunning group portrait of the heirs of the Wise Men including Robert McNamara George Ball and Robert Kennedy and the presidents they served

The Closet Danielle Bobker,2022-08-09 A literary and cultural history of the intimate space of the eighteenth century closet and how it fired the imaginations of Pepys Sterne Swift and so many other writers Long before it was a hidden storage space or a metaphor for queer and trans shame the closet was one of the most charged settings in English architecture This private room provided seclusion for reading writing praying dressing and collecting and for talking in select company In their closets kings and duchesses shared secrets with favorites midwives and apothecaries dispensed remedies and newly wealthy men and women expanded their social networks In *The Closet* Danielle Bobker presents a literary and cultural history of these sites of extrafamilial intimacy revealing how as they proliferated both in buildings and in books closets also became powerful symbols of the unstable virtual intimacy of the first mass medium of print Focused on the connections between status conscious and often awkward interpersonal dynamics and an increasingly inclusive social and media landscape *The Closet* examines dozens of historical and fictional encounters taking place in the various iterations of this room courtly closets bathing closets prayer closets privies and the moving closet of the coach among many others In the process the book conjures the intimate lives of well known figures such as Samuel Pepys and Laurence Sterne as well as less familiar ones such as Miss Hobart a maid of honor at the Restoration court and Lady Anne Acheson Swift s patroness Turning finally to queer theory *The Closet* discovers uncanny echoes of the eighteenth century language of the closet in twenty first century coming out narratives Featuring more than thirty illustrations *The Closet* offers a richly detailed and compelling account of an eighteenth century setting and symbol of intimacy that continues to resonate today

Prologue ,1975 **The Wealth of a Nation** C. Donald Johnson,2018 The United States is entering a period of profound uncertainty in the world political economy an uncertainty which is threatening the liberal economic order that its own statesmen created at the end of the Second World War The storm surrounding this threat has been ignited by an issue that has divided Americans since the nation s founding international trade Is America better off under a liberal trade regime or would protectionism be more beneficial The issue divided Alexander Hamilton from Thomas Jefferson the agrarian south from the industrializing north and progressives from robber barons in the Gilded Age In our own times it has pitted anti globalization activists and manufacturing workers against both multinational firms and the bulk of the economics profession Ambassador C Donald

Johnson's *The Wealth of a Nation* is an authoritative history of the politics of trade in America from the Revolution to the Trump era. Johnson begins by charting the rise and fall of the U.S. protectionist system from the time of Alexander Hamilton to the Smoot-Hawley Tariff of 1930. Challenges to protectionist dominance were frequent and often serious, but the protectionist regime only faded in the wake of the Great Depression. After World War II, America was the primary architect of the liberal rules-based economic order that has dominated the globe for over half a century. Recent years, however, have seen a swelling anti-free trade movement that casts the postwar liberal regime as anti-worker, pro-capital, and in Donald Trump's view, even anti-American. In this riveting history, Johnson emphasizes the benefits of the postwar free trade regime but focuses in particular on how it has attempted to advance workers' rights. This analysis of the evolution of American trade policy stresses the critical importance of the multilateral trading system's survival and defines the central political struggle between business and labor in measuring the wealth of a nation.

The works of Jonathan Swift, containing papers not hitherto publ. With memoir of the author by T. Roscoe Jonathan Swift, 1841 The Writers Directory, 2013

If you ally dependence such a referred **Acheson Country A Memoir** ebook that will pay for you worth, get the categorically best seller from us currently from several preferred authors.
