The British National Bibliography Arthur James Wells, 2000 *End of the World* Erika Grey, 2013-10-11 For Bible Prophecy watchers the book of Revelation is the main Biblical book for gauging the end time No book in the Bible is more frightening than the Revelation The entire book is devoted to the end of the world detailing God's judgments unleashed onto the earth plague by plague Revelation is the last book of the Bible and is a prophetic book It forecasts the apocalypse which means the final destruction of the world with events of catastrophic scale Part of the Earth's judgments happen through a world dictator Bible Scholars refer to as the Antichrist End of the World The Revelation Prophecy provides an overview of the book of Revelation while also correlating Bible Prophecy to current events to help the reader understand how close we now are to the fulfillment of the Revelation prophecy Written by author and prophecy expert Erika Grey Erika focuses on current affairs the EU and its relation to Bible Prophecy and issues that affect individuals living in these end times *Breaking the Apocalypse Code* Mark Hitchcock, Thomas Ice, 2007 Prophecies of the Apocalypse Robert Rite, 2015-03-24 Did you know that all of the hundreds of prophecies foretold by the ancient prophets up to this time have all come to pass They have and only those prophecies that point to the very time of the end remain to be fulfilled All it takes is to watch just one session of the evening and or world news to realize that everything is not quite well down here on planet earth Yet so many believe the lie that the coming apocalypse is all just science fiction and that mankind and its appointed leaders can keep it all together if we all just learn to get along and hold hands Not only does history prove this has never happened but the prophecies are clear that it won't that the day of reckoning is rapidly approaching Some world leaders have even hinted recently that World War III has already started in diverse parts of the world Just like WW II most of the world seems oblivious to the storm clouds until it reaches our backyard Despite years of searching I never found a book that listed most or all of the key end time prophecies So I decided to create one for you Finally you can learn all of the prophecies from the ancient prophets in one book from A to Z The bible is loaded with end time prophecies from both the Old and New Testament You will discover hundreds of these predictions and revelations all in one book We are living in perilous times this book will help you understand and discern the signs of the times *Breaking The Apocalypse Code* Ph.
